Snap Is Shown In Livestock Trade

(From the Oregon Journal) Snap was shown in livestock trade in practically every division of North Portland for the week opening with a total run of 92 cars compared with 86 a week ago and 55 cars a year ago.

Surprisingly small arrivals were shown at North Portland for the week opening with a total of but 212 head. While this was in excess of the run of last Monday, still the trade had anticipated a better showing.

Extreme strength was shown in the market at the start and two loads of fancy light weight stuff the sort made to order stock—went at \$11.65, a

premium of 25c above the regular figures.

General hog market range: Prime light \$11.00@11.65 Smooth heavy 10.50@11.00 Rough heavy 8.50@9.50 Fat pigs 10.00@11.00 Feeder pigs 10.00@11.00

Cattle demand showed real snap at North Portland for the Monday morning opening. There was quite a fair total run of 1940 head compared with 1728 last Monday, but of the total showing 14 loads did not stop here, but were direct to outside killers.

While the general trend of the cattle trade was considered steady, in spots the market was advanced a quarter over the bulk of previous sales. How-

ever, general transactions continued within the range quoted while last week's finals showed these prices being shaded somewhat.

Strength is shown in the calf division and choice dairy stock is firmly established up to \$13.50.

One extra fine lot of Shorthorn steers went at \$5 each. D. Cox of Heppner had in one select load of 26 head of Shorthorn steers that topped the market at \$5 without a single cut.

General cattle market range: Choice steers \$7.50@8.00 Medium to good steers 6.75@7.50 Fair to good steers 6.00@6.75 Common to fair steers 5.00@6.00 Choice cows and heifers 6.00@6.75 Medium to good cows and heifers 5.50@6.00 Fair to medium cows and heifers 5.00@5.50 Common cows, heifers 4.00@5.00 Canners 2.00@4.00 Bulls 3.50@5.00 Choice feeders 5.50@6.00 Fair to good feeders 5.00@5.50 Choice dairy calves 12.00@12.25 Prime light calves 11.00@12.00 Medium light calves 9.00@10.00 Poor calves 6.00@7.50

Activity was shown in the demand for mutton at the opening of the Monday morning trade at North Portland. There was a run of 2187 head compared with 2540 head last Monday and 1850 head a year ago. Activity was especially marked in ewes and wethers and the former showed 50c to 11 advance. Lambs were considered fully steady.

General sheep market range: East of mountain lambs \$7.50@8.00 Willamette valley lambs 6.50@7.00 Heavy lambs 6.50@7.00 Feeder lambs 5.50@6.50 Light yearlings 6.50@7.00 Heavy yearlings 5.50@6.50 Wethers 5.00@6.00 Cull lambs 4.00@5.00 Ewes 1.50@5.00

Big Receipts Depressed Wheat CHICAGO, Feb. 28.—Big receipts at Kansas City had a depressing influence today on wheat. Rallies did not last add the close was weak, 1/4 to 1/2 net lower, with March 1.56 1/2 to 1.56 3/4 and May 1.56 1/2 to 1.56 3/4.

Corn finished unchanged to 1/4c lower and oats at a shade to 1/4 advance. Provisions gained 5 to 10c.

Bears in wheat made much of word that arrivals at Kansas City today totaled 625 cars. This news, in connection with some selling of wheat to be put into store here led to a material setback in the first hour. Much emphasis was placed on contentions that wheat values were excessively high as compared with almost everything else. Subsequently, indications of export business, together with a revival of green bag advances, from the southwest led to a sudden upturn in prices. Prices showed an especial tendency to sag in the final 15 minutes.

An unexpected falling off in the visible supply of corn tended to steady the market for corn and oats.

Provisions declined with hogs, but later scored gains owing to apparent likelihood that arrivals of hogs would diminish.
