# BELLINGHAM WOMAN SAYS IT'S WONDERFUL

## Tanlac Overcame Her Troubles Year Ago and She is Still in Splendid Health—Gains Fifteen Pounds.

"A year ago this February Tanlac restored my health and I have felt just splendid ever since," declared Mrs. Wm. Buchholz, 3909 Silver Beach Avenue, Bellingham.

"Rheumatism and indigestion were my main troubles and I was in misery sometimes night and day. My arms hurt so bad that lots of times I could not even comb my hair, and my hands were so stiff and achy I could not pick up anything or do the least work around the house. My back ached terribly and I could hardly stoop over to lace up my shoes."

"My digestion was so poor that nearly everything I ate turned against me and my stomach seemed to stay sour and upset all the time. Often there was a tight, distressing feeling in my chest and my heart palpitated till it made me dizzy. I suffered a lot from constipation and headaches. I slept poorly, fell off in weight and was so discouraged I hardly cared whether I lived or not."

"That was how I suffered for three years, but by the time I had taken five bottles of Tanlac I felt perfectly well in every respect and had gained fifteen pounds. Ever since then I have enjoyed splendid health and haven't been troubled any more with indigestion or rheumatism. I sleep soundly and seem to have unusual strength and energy for a person my age."

Tanlac is sold in Pendleton by Thompson Brothers.
