Marauders Enter House
 Three marauders entered the Benjamin L. Burroughs family home, on East Jackson street, Wednesday night during the absence of the Burroughs family and after going through the house, ransacked the basement but took nothing of value. Miss Sabra Nelson, a neighbor, watched the maneuvers from her window but having no telephone, could not call the police. She saw the three, whom she describes as rather young men, go into the house, turn on the lights and begin a search. Mr. and Mrs. Burroughs returned soon after the occurrence. A detective was employed yesterday and took fingerprint impressions.

Nick Tattinger's Wheat
 That Nick Tattinger, former Umatilla county farmer, is making a record for the growing of good wheat in Canada is shown by a Canadian newspaper clipping received by John Veff. The following item is devoted to the Tattinger wheat: On the request of the secretary of the Board of Trade, Nick Tattinger, of Claresholm, has forwarded to the board several splendid samples of wheat and barley with which he secured a number of first prizes throughout Alberta, Saskatchewan and Manitoba at the various seed fairs. The grain was all grown in the year 1920 and consists of very fine samples. The Red Hobs wheat of

The Pneumonia Month
 March is a typical pneumonia month and usually gives a high rate of mortality for the disease. After a long and hard winter, the system loses much of its resistance and people grow careless. When every cold, no matter how slight, is given prompt and intelligent attention, there is much less danger of pneumonia. It should be borne in mind that pneumonia is a germ disease and breeds in the throat. Chamberlain's Cough Remedy is an expectorant and cleans out the germ laden mucus and not only cures a cold but prevents its resulting in pneumonia. It is pleasant to take. Children take it willingly.

Chamberlain's Cough Remedy
 Nothing So Good for a Cough or Cold. Everyone who has used Chamberlain's Cough Remedy speaks well of it. writes Edward P. Miller, Abbotstown, Pa. People who once use this preparation are seldom satisfied with any other. It is excellent to allay a cough or break up a cold.

Excellent Remedy for Constipation
 It would be hard to find a better remedy for constipation than Chamberlain's Tablets. They are easy to take and mild and gentle in effect. Give them a trial when you have need.

Found a Cure for Indigestion
 "I used Chamberlain's Stomach and Liver Tablets for indigestion and find they suit my case better than any dyspepsia remedy I have ever tried and I am nearly fifty one years of age and have suffered a great deal from indigestion. I can eat almost anything I want to now," writes George W. Emory, Rock Mills, Ala. These tablets contain no poison but strengthen the stomach and enable it to digest the food naturally.

Shoes Wear Longer
 When you walk in comfort, so do stockings. A package of Allen's Foot-Ease, the antiseptic powder to shake into the shoes and sprinkle in the foot-bath, gives you that "old shoe" comfort and saves wear. Allen's Foot-Ease makes tight or new shoes feel easy. Ladies can wear shoes one size smaller by shaking some Allen's Foot-Ease in each shoe in the morning. Sold everywhere.

which Mr. Tattinger had a considerable acreage yielded 14 1-2 bushels to the acre; the Kitchener wheat 39 bushels to the acre, and samples of barley submitted is one of the very best seen in this section of the country for some time. The samples will be exhibited in the windows of the Board of Trade rooms which for some time have been destitute of any decorations. The Board of Trade is always anxious to have products of Alberta on display in these windows, and any person having something particularly interesting, especially of Alberta production, are asked to use these windows freely.
