Shorn Sheep Are Now on Market

(From the Oregon Journal.)
Only nominal supplies were available for the livestock trade at North Portland Tuesday, the bulk of the arrivals going direct to killers. Hog, cattle and sheep were quoted nominally steady to firm.

First shorn lambs of the season made their appearance from The Dalles during the day, five loads coming forward. Those were on contract to local killers on the basis of \$9 for lambs and \$5 for ewes off cars. While these prices are lower than the extreme top quoted for wool lambs, the differential is really in favor of the shorn stock.

In general, the sheep and lamb trade was considered on a steady to firm basis.

General sheep market range:
East of mountain lambs \$ 7.25@ 9.25
Willamette valley lambs 6.50@ 7.50
Heavy lambs 4.50@ 7.00
Feeder lambs 2.50@ 3.50
Light yearlings 4.50@ 5.50
Heavy yearlings 5.00@ 6.50
Wethers 5.00@ 6.00
Cull lambs 4.00@ 5.00
Ewes 1.50@ 5.00

Killers secured all but one load of 93 head of the Tuesday arrivals in the hog alleys at North Portland. The bulk of the stock came direct from

South Dakota to local packers, and there was little available for the open market. What little stock came forward was in brisk demand around extreme prices.

General hog market range:
Prime light 11.00@11.50
Smooth heavy 10.50@11.00
Fat pigs 6.50@ 9.50
Feeder pigs 10.00@11.00

No cattle came forward to North Portland Tuesday, so far as carload lots are concerned. Demand appears steady with former prices nominally continued.

General cattle market range:
Choice steers 7.75@ 8.50
Medium to good steers 7.00@ 7.25
Fair to medium steers 6.25@ 7.00
Common to fair steers 5.25@ 6.25

Common cows, heifers 4.25@ 5.25
Canners 2.00@ 4.25
Bulls 3.50@ 5.00

Choice dairy calves 12.50@13.50
Prime light dairy calves 11.50@12.50
Med. light dairy calves 9.50@11.50
Heavy dairy calves 8.00@ 9.75

Wheat Unsettled At Markets Close

CHICAGO, March 9.—(A. P.)—Correct anticipations that the government report on farm reserves would prove bearish tended to weaken wheat in the late dealings. Prices closed unsettled, at the same as yesterday's finish to 1 1/2 lower, with March 1.66 to 1.68 1/2 and May 1.59 to 1.59 1/2. Corn lost 1/4 to 3/8 and oats 1/4 to 3/8. Provisions varied from 2 1/2 to 5c advance.

Wheat traders were cautious until the last hour, but then as a rule veered to the assumption that the amount of wheat held on farms would prove larger than generally estimated. Most of the selling pressure came from holders of March contracts. On the whole, nevertheless, the report was a surprise in that the majority of guesses put the total of farm reserves much below the government's figures.

Corn and oats were governed by wheat.

Provisions averaged higher with hogs. Announcement of changes in labor conditions at the packing houses had no appreciable effect.

GENERAL BOOTH WOULD ERECT PEACE STATUE

NEW YORK, March 9.—Erection of a companion monument to New York's famous Statue of Liberty, a "great peace monument that would be spoken of and talked about round the earth," was proposed by General Bramwell Booth, international leader of the Salvation Army following his arrival here from London.

What is needed now, General Booth said, is some new and striking corroboration of the fact that "men are actually thinking about peace and not about war, and that the new policy of serving others instead of serving self, is an appreciated and understood policy in all lands."

He added, "to augment the limitless message of the Statue of Liberty by the erection in this great city of another mighty monument—this one to be a companion to the first and a memorial to your soldier dead, radiating that other God-inspired thought that, in vindication of the human liberty for which your Bartholdi statue stands precious lives have been given, and that those lives are invested now in the proposition that liberty shall not again be threatened."

IMPROVEMENTS ARE MADE ON PLAYGROUND

WESTON MT., March 8.—A very successful social affair was enjoyed at the Weston Mt. school house Saturday March 5. The men brought saws, hammers and other necessary material and erected two teeter boards and two swings, on the school playground. They put in a busy day and the result of their efforts is a credit to the community. A hot dinner was served by the ladies at noon and the table literally groaned under its burden of good things to eat.

Later in the afternoon a community club was organized. There was some discussion as to whether the Mountain would join with Weston or form its own club. The majority of those present however, were in favor of forming a mens and womens bureau one club will function for both with a special mens committee to look after their part of the business.

Will Hall was elected chairman of this committee.

Mrs. Roy Hyatt was unanimously elected president of the club, J. W. Bowers vice president, W. L. Rayburn secretary and treasurer. Mrs. Mark Henderson chairman of the social committee and Mrs. E. E. Faust chairman of the refreshment committee. The club was launched with a membership of 42 and a confident feeling that by the next meeting there will be at least 100 members.

Mrs. Rhon arrived from Palouse City Saturday to visit her daughter Mrs. Cecil Hyatt and family.

Frank English went to Pendleton on business Saturday.

Albert Carlson who has been making his home with the Bowers family this winter left for Stanfield Sunday and will work on the government ditch this summer.

Mrs. John Hyatt is sick with la grippe and confined to her bed.

Vernie Marr is sick also with la-grippe.

W. L. Rayburn went to Pendleton on business Monday.

Dick English rented his farm to Robert Tweedy Tuesday. Mr. Tweedy will live in the John Neil house on the ranch purchased by Mr. English in the winter.

A telephone meeting of the Weston Mt. Telephone Co. will be held at the school house Saturday March 12 at 10:00 a. m. Everyone is requested to be present as there will be election of officers and a great deal of business to be taken care.
