## "KID" PARTY IS SUCCESS.

Time turned backward in its flight last evening and made children of members of the Kill Kare Club at a "Kid" party at Eagle-Woodman hall. Kittenish young misses with curls bobbed hair or braids danced with youths of the "Penrod" type or with still more juvenile partners wearing neat rompers, Buster Brown suits or their youthful attire. The "youngsters" were made happy by the presentation of caps, whistles and toys during the evening and later unhampered by reproving parental eyes which sometimes take the joy out of life at real kid parties, ate unlimited quantities of all-day suckers and ice-cream cones. Several dinner parties preceded the party, among them one for which Mr. and Mrs. James Welch were hosts in honor of Mr. and Mrs. Royal M. Sawtelle, who are soon to leave Pen-

dleton. "Tilly Ticker" and her pets formed the centerpiece at a table where dollydus bits were thoughtfully placed for each guest. Mrs. and Mrs. W. J. Clarke and Mr. and Mrs. Charles Greulich were hosts to twenty-one guests preceding the dance. Most original was a centerpiece showing a miniature Japanese garden. Guests appeared in juvenile attire and "kid" favors were a feature.

## INTERESTING TALKS GIVEN

George Hartman, mayor of Pendleton, and H. E. Inlow, city school superintendent, addressed members of the Pendleton Women's Club yesterday on parks and playgrounds. Keen interest was shown by the members, as local women are hoping to see playgrounds established in the city. Mr. Hartman's talk touched upon what a city should do in regard to parks and playgrounds, while Mr. Inlow spoke on "Playground Equipment." Mrs. E. H. Cornwall gave a short discussion on "Ways and Means in Park Building."

For a musical program, Miss Mildred Berkeley sang two songs with no accompaniment by Miss Pauline Rice, and Miss Lillian Colley sang, with Mrs. S. H. Forsyth at the piano. During the social hour, Mrs. James Johns Sr. and Mrs. George Hartman presided at a table made charming by a basket of delicate sweet peas and freshbuds in shades of pink. Refreshments were served by the hostesses, Mrs. Cornwall, Mrs. Emil Doherty, Mrs. Alger Fee, Mrs. H. S. Garfield, Mrs. W. W. Green, Mrs. E. E. Geist and Mrs. G. W. Byers.

## CLUB WOMEN IN CHARGE

Local club women are in charge of the sale of tickets for the lectures by Mrs. Louise Van Ogle, to be given at the library auditorium March 17 and 18, under the auspices of the Pendleton members of the State Federation of Women's clubs.

Mrs. Van Ogle, who has an intimate knowledge of Russian life, will lecture on Russian drama, opera and folk music while in Pendleton. Those who have heard Mr. Van Ogle declare her power as a descriptive story teller are exceeded only by her ability as a pianist and that she has an unusually attractive personality.

## CLUB HAS MEETING

Members of the Inspiration Club enjoyed a meeting on Wednesday at the home of Mrs. J. Edwin Sharp, on Riverdrive. Twelve members were present, and spent the afternoon in needlework and conversation. Mrs. Beese was a guest of the club. Shamrock carried out a St. Patrick's Day motif and later in the afternoon refreshments were served.

## BREWERS WILL BEGIN MAKING "REAL BEER"

PORTLAND, March 11.—(U. P.)—The Henry Weinhard plant, formerly one of the northwest's largest breweries, may resume making beer if Attorney General Palmer's ruling stands. Henry Wessinger, the manager, told the United Press. Wessinger is in telegraphic communication with Washington and in conference with the plant's attorneys.

**No Beer in Washington.** SEATTLE, March 11.—(U. P.)—While eastern brewers are reported to be preparing to resume beer making for medicinal purposes, even a hip pocket bottle is doomed in Washington. "No matter if brewers are allowed to manufacture under the federal liquor law," said S. A. Moore, federal prohibition officer, "brewing in Washington is forbidden in a state law."

**NEW YORK, March 11.—(U. P.)**—New York brewers are making preparations to manufacture real beer, under a ruling of the department of justice that beer can be produced and sold for medicinal purposes.

**MILWAUKEE, March 11.—(U. P.)**—The great Milwaukee breweries, which have been practically idle since prohibition, made no move to make beer with a "kick" as the result of a ruling of Attorney General Palmer allowing the manufacture of good beer for medicinal purposes.

Ira Andrews, the newly elected City Clerk of Terre Haute, is active in Sunday school work. Last Sunday he advised the children of his class that the morning study would be about Ruth, referring of course to the gleaner. "Now," said Andrews, after introducing the subject, "who can tell me anything about Ruth?" "Up went a little hand in the rear of the class. "Well, Willie," asked the teacher, "what do you know about Ruth?" "He made 29 home runs last season," was the answer.—Indianapolis News.
