Two Names Added
Two additional names of Umatilla county men have been added to the state's honor roll of those who lost their lives in the world war. They are Theodore H. Norvell, of Helix and Glen V. Walter, of Milton, both of whom died of disease. The state has secured 49 additional names in a state-wide checking up of war records by George A. White, adjutant general of the state. The additions bring the total in Oregon up to 324. It is expected that a few more names may be added.

Stock Is Sold
The balance of the stock of the old Stryes Store was sold yesterday by Bond Brothers to Sarlat Brothers, who will ship the stock to Emmet, Idaho, today. The location on the corner of Main and Alta streets will be ready tomorrow for the carpenters and painters who will put the building in shape for the opening of "The Crescent." The store, with an entirely new stock

of dry goods and ready-to-wear, will open during the first week of April. The incorporators are R. E. Morse, Charles Bond and Willard Bond.

Distillate Arrives.
A car of distillate is being unloaded here today. It was ordered for local farmers through the Umatilla county Farm Bureau.

Couple Are Married.
Herold Clarke of Pocatello, Idaho, and Grace Cornwall of Pendleton, were married last evening by Justice of the Peace Parkes.

A drizzle of rain fell today from a cloudy sky. The maximum today is 59, while the minimum was 49. The barometer registers 29.90.

Water Board Meets.
The regular monthly meeting of the water board was held last evening. Routine matters occupied the attention of the board all of the evening.

Hearing to be Held.
Next Monday, at 10 a. m., has been set for the date of the hearing of arguments for and against the creation of a new justice court in the city. The hearing will be held in the court clerk's office.

Exam is Given.
Three applicants are today taking a civil service examination at the federal building for the position of postmaster at Echo. The examination is under the direction of T. C. Mangold of the Civil Service board.

Jones Builds Home
Work on the construction of the new home of Robert Jones on Lincoln street has started. The structure will cost in the neighborhood of \$9000. The cost of the building a year ago would have been \$10,000, it is said.

The new board of managers of the Umatilla County Merchants' Association yesterday elected W. E. Brock to head the association for the ensuing term. Lester Stanley was re-elected secretary and treasurer and George Clark again elected manager. The board of managers of the association are W. E. Brock, Lester Stanley, L. C. Scharpf, R. D. Syres and Carl Cooley.

Council Will Meet.
The community service council will meet tonight in the club room at the county library for the purpose of determining the work to be carried on this summer. The fact that the community service drive has been called off for the present time necessitating the work being carried on without the aid of a paid leader will change the plans of the organization to a great extent.

Make Clubhouse Plans.
Plans for the new clubhouse of the Pendleton Rod and Gun club were definitely decided upon last night at a meeting of the club building committee. It was decided to push the preliminary work on the building and start construction as quickly as possible. The building will cost \$2000. The building will be of the bungalow type and will be entirely modern throughout.

Rotarians Have Meeting
C. J. Barr, newly appointed secretary of the Pendleton Commercial Association, was a speaker at today's meeting of the local Rotary Club. Judge G. W. Phelps, president of the Umatilla Rapids Power Site Association, spoke on the subject of the power meeting at Spokane. Harry L. Kuck discussed the matter of the Moosejaw baseball team's proposed training camp in Pendleton.

Pageant On Friday.
Among the Indians who will appear in the historical pageant at the Presbyterian church Friday night for the benefit of the Christian Endeavor societies of the local and Tutuilla churches are Mr. and Mrs. Parsons Motanic, Allen Patawa, Miss Mamie Patawa, Mrs. Jason Wannassey and baby, Wilma, Mrs. Dorcas Wildbill, Mr. and Mrs. August Alexander, and Miss Sadie Knolles, who is a visitor from Montana at the home of Miss Mary Motanic. Mrs. Wannassey and Philip Minhorn, who in years gone by asked that Rev. J. M. Cornellison, the present Indian missionary, be sent to the Umatilla reservation.

New Rules Given.
According to the terms of an amendment to the agricultural appropriation bill approved March 3, grazing fees on national forests for which payment has hitherto been required in advance can now be deferred until September 1, 1921, according to word received today at the Umatilla National Forest office. Grazing permits will be issued within a short time except in cases where the forest service has agreed to hold up the grazing permits until association assessments have been paid. The five year permits will be automatically renewed unless a change in range description is to be made. No word has been received here regarding the proposition of charging interest on deferred payments and J. C. Kuhns, forest supervisor, therefore assumes that no interest will be charged on payments deferred until December 1. Stock placed on the forest, and for which no grazing fees have been paid by September 1, will be considered as being in trespass.

POLICE MAKE ARRESTS.
SEATTLE, March 16.—(U. P.)—Sixty-one men of 18 nationalities, are facing gambling and disorderly charges following the police raids in south end hotels.

OLYMPIA MAN HELD
(Continued from page 1.)
Used a dozen wealthy Portlanders some months ago. The detective bureau is bending every energy to establish the connection.

PORTLAND, March 16.—(Associated Press)—The police have a thumbprint of "Shadow" which they will compare with the print of Herbert L. Johnstone, who is under arrest in Los Angeles in connection with Olympia blackmailing.

MAKING HOMES HAPPY
A course in how to keep your husband well-fed and happy, and anxious to come home to dinner nights, has recently been placed in their curriculum by the West Side Branch of the Y. W. C. A. in Chicago. Of course its real name is "Trousseau Suggestions and Home Management," but it is designed to help the bride to make her new married life and housekeeping a success from the start.

The old adage about winning a man's heart through his stomach has been given due consideration, so culinary art takes first place. Prospective brides are painstakingly taught the newest methods of cooking and serving attractive meals.

The bride-to-be learns to budget the family income, to buy wisely and to get one hundred pennies worth out of every dollar spent. Dressmaking too, takes an important place. The young wife who looks as crisp and dainty over a cook stove as she did on the tennis court, sends her husband off in the right mood to succeed. So a course in dressmaking is included. Similar courses are given at the Central Branch Y. W. C. A. in New York.
