Our Habits

As the growth of Intelligence kept pace with the progress of printing art the mass of prople became ambitious and broke through the limitations of primitive conditions.

Now books, painting and those creations of the intel-lect which were once enjoyed by the privileged few are found in so many homes, we sometimes forget that it is to publicity, or advertising, that we owe this change in conditions.

Advertising is the evangel

Just as sap, rising with the

coming of Spring showers

and warm sunlight, bursts the buds and makes a tree

grow into its greatest beau-ty, so advertising liberates

from the narrowness of a monotonous life.

And yet it is doubtful if

any of us give to the adver-tising that appears in the

pages of this newspaper suffi-

cient credit for the betterment in our lives that these

advertisements are contin-
