signed to the committee on postoffices of and postroads, one of the major committees of the senate, and which besides having charge of legislation relative to postoffice and rural routes, also formulates federal highway measures. Senator Gooding, Idaho, will be on the committee of agriculture and forestry as his most important assignment and will also be on the irrigation committee. Senator Stanfield is to take Senator McNary's place on the public lands committees. Both senators will have other minor committee places. Senators Jones and Poindexter and Senator McNary will retain their present important places, each holding a chairmanship.

New Spring Ribbons offer a host of uses. The smart new vestees and gilets for frocks and suits owe their charm in many cases to Ribbon, likewise the bodices and sashes of evening gowns, bags and table runners. And for little girls there are delightful ribbons in innumerable shades, weights and widths to make the pretty butterfly bows they wear atilt their curls. 50c and up.

Spring Silks Are Radiantly Lovely

Thoughts turn to the loveliest of Spring things at the sight of the new Silks. In themselves they are so decorative and colorful that they require little trimmings, while this season's penchant for simplicity encourages further the making of garments in the home. Can-ton crepes, crepe de chine, taffeta, crepe meteor and satin are favored fabrics for linings, frocks, blouses and bats,
