

Social and Club News

HOLY WEEK BEGINS

Because this is Holy Week, social activities will probably be few, although some informal affairs are being planned. Next Sunday will be Easter and already the calendar is filled with several luncheons and parties for the post-Lenten season.

Scheduled for the coming season is the Elks Easter Ball, to be given Tuesday night, April 5, at the Elks Temple. The affair will be the first of the formal Spring dancing parties and will be followed on April 30 by the Shrine ball to be given by the Round-Up Shrine Club of Al Kader Temple. The dance will be formal and will be held at the Elks club.

Members of the University of Oregon alumni are interested in preparations for the appearance of the University of Oregon Girls' Glee Club in Pendleton, March 21, at the high school auditorium.

For April 5 is scheduled a concert by Alice Price Moore, mezzo contralto, and William Robinson Boone, organist, who will be presented in Pendleton under the auspices of the Pendleton Woman's Club, at the Methodist church.

Don't Fool With a Cold

(From the New York Sun.) We must repeat our warning against pneumonia, the most dangerous disease that prevails in this city, and which is extraordinarily prevalent at this time. Be on guard at all times against taking cold. Look out for it, if you take it. Gladstone used to go to bed and send for a doctor whenever he had a cold and consequently he got well in a very short time. "The Sun" is right and their warning should be heeded. For colds, Chamberlain's Cough Remedy is excellent. It always cures and is pleasant to take. Persons past middle age should go to bed and take this remedy until recovered.

For a Bad Cold

Chamberlain's Cough Remedy is a certain cure for bad colds. It acts on nature's plan, relieves the lungs, aids expectoration, opens the secretions and aids nature in freeing the system of all symptoms of the cold. It is not a palliative that simply gives relief; it cures.

They Make You Feel Good

The pleasant purgative effect experienced by those who use Chamberlain's Tablets and the healthy condition of body and mind which they create makes one feel joyful.

What You Need for Constipation

When troubled with constipation, what you need is a remedy that will produce a free movement of the bowels. A remedy that is mild and gentle in its action. A remedy that leaves the bowels in a natural and healthy condition. A remedy that is easy and pleasant to take. Chamberlain's Tablets meet all of these conditions. Try them and see for yourself. They only cost a quarter.
