rical and Declamatory Contest, at high school auditorium,

Oil Near Polsom Property

Great evidences of oil have been discovered at Beaumont Culifornia, on property near that awned by Harry Folsom, formerly of this city, according to word received here by J. V. Taliman, brother-in-law of Mr. Folsom. Oil experts say there is reason to expect an excellent oil well and that they have brought in numbers of wells westigation of, methods for pooling the of from 1,000 barrels up, with a much American wheat crop for export sellof from 1,000 barrels up, with a much American wheat crop for export sell-

water at the Felsom place shows signs of oil, according to the report.
