

NEWS OF THE COUNTY OFFICES AND OFFICERS

Considering Auditors Report The report of Crandall & Roberts, expert auditors, is being considered today by the county judge and commissioners.

Deputies Get Four Dollars Four dollars per day and actual traveling expenses while traveling on business for the county was the wage schedule fixed this morning by the county court for field deputy assessors.

Marriage License Issued A marriage license was issued last evening by Deputy Clerk Probstel to James F. Reid and Frances E. Mills. They are to be married March 26. The groom-to-be is a rancher while the prospective bride is a nurse.

New Game Code Arrives A single copy of the new game code in full was received this morning at the office of the county clerk. Several copies of a synopsis of the code were received several days ago and are for

free distribution. Under the new law the county is not permitted to keep any part of the game license funds.

Spokane Prosecutor Here Prosecuting Attorney Myers of Spokane was a visitor at the office of the county treasurer yesterday afternoon. He had with him the \$100,000 in forced Teel Irrigation Project bonds to compare with the original bonds. The trial of Jay Hough who is charged with forging the bonds has been set for April 11. Miss Grace Gilliam, county treasurer, will be one of the important witnesses. Mr. Myers had also been to Newport, Oregon on a similar mission.

Planning Road Program The county court is today engaged in the very arduous task of mapping out a permanent road program for the county. In conjunction with the road master they are carefully going over road building operations, road needs and road funds. It is hoped that by tomorrow they will be ready to announce a definite program. It is the purpose of the court to spend as little money as possible on temporary roads or repairs. The members of the court are determined to increase the mileage of the permanent road system some each year. It was also announced that all of the roads started last year would be rushed to completion.

NEWS NOTES OF PENDLETON

Deaths at State Hospital. H. S. Langford, aged 71, died last night at the State Hospital, where he had been an inmate for the past three weeks. The body will be shipped to The Dalles for burial. Mr. Langford has a son in The Dalles.

A. H. Cox Is About Again. A. H. Cox, prominent local businessman and head of the Oregon Lumber yard, is on the streets today for the first time since a serious illness that confined him to the hospital for several weeks and for a time threatened his life. Mr. Cox is now much improved.

It's Now in the School Books. "World's Round-Up," held annually in Pendleton, is desired by Miss Kathleen O'Rourke of the public schools at Fulton, Illinois so that she may use the material in her school work. A letter to this effect was received today by the secretary of the Round-Up and steps are being taken to comply with the request.

More Insurance Money. The Bnythe-Lonerger Company is receiving in the receipt of more insurance money following the adjustment of their losses in connection with their recent fire. The firm of Conits & Averill received a check from another one of their companies last evening and James Quinn turned in two checks this morning from one of his companies.

Prominent Speaker Here. Chaplain C. A. Rexroad, who saw several months of service in France, will be the principal speaker at the meeting of the Men's Forum in the basement of the Methodist church at 6:30 this evening. Rexroad is said to be a public speaker of unusual ability and a cordial invitation is extended to the men of the city to attend the meeting. Other speakers will be Judge R. A. Lovell, H. E. Inlow, superintendent of the city schools, and Dr. C. H. Day.

Chosen Auto Club Secretary. Ernest Crockett, present city editor of the Morning Tribune, was chosen secretary of the Eastern Oregon Auto Association at a meeting held at noon today. Mr. Crockett is to take up his duties April 1. The auto association has an ambitious program of work in view and the need of a full time secretary was felt. At the present time the question of headquarters for the club is unsettled. It is possible that headquarters may be continued as at present in the rooms of the Commercial Association.

City Won't Haul Garbage. The city is not going to stage a clean up week this year and haul off garbage free of cost to home owners. This clean up week idea is abandoned because in the past some property owners have imposed on their neighbors by letting garbage accumulate for weeks while waiting for the cleaning time to arrive. The new rule is for each home owner to keep his premises free of rubbish all the time. During April an inspection will be made to see that the ordinance on the subject is being complied with.

Rich Woman in Court. Justice Parkes' court room has been a popular place today, a considerable crowd being attracted by a case from Rich wherein two women are the principals. According to the facts as reported today the difficulty arose over the sale of some furniture and ended in physical violence between the two women. They are having a jury trial before Judge Parkes with District Attorney Keator appearing for the state and Messrs J. R. Hiley and H. J. Warner for the defendant. At the conclusion of the Rich case a non-support case from Pendleton is to be tried.

350 Members Secured. Owing to the fact that several committee men are out of town today or otherwise engaged there has been little work done toward signing up members of the Commercial Association today. Thus far approximately 350 members have been enrolled out of the needed 500. As much as much of the town has not yet been covered it is believed that the full quota of members may be secured with ease. The membership contest will be continued for some time and during the next week or longer all local businessmen, professional men and farmers will be invited to unite with the association.

Shed and Contents Burn. A Maxwell touring car, smoked mess from three bags, 30 gallons of coal oil and many farm tools were destroyed last night when fire burned to the ground a large shed on the E. F. Straughan place on Birch creek. The loss is estimated at \$2,000 with no insurance. The blaze, it is thought, started from a fire which had been used in smoking the meat in the shed. C. F. Straughan, son of Mr. and Mrs. E. F. Straughan, who resides on the Straughan place, was asleep and did not know of the fire until awakened by the explosion of the coal oil. It was then too late to save the contents of the shed and all efforts were concentrated on saving the house, which being only about 100 feet from the shed, was in danger of being destroyed. Neighbors assisted in carrying water and in plugging the hose on the fire. The pumping of water was done by hand but aside from searching the building the residence was not damaged.

Fish Are Running. Several fine salmon have been observed passing over the dam at the Main street bridge during the past few

INGROWN TOE NAIL - TURNS OUT ITSELF

A few drops of "Outgro" upon the skin surrounding the ingrowing nail reduces inflammation and pain and softens the tender, sensitive skin underneath the nail, that it can not penetrate the flesh, and the nail turns naturally outward almost overnight. "Outgro" is a harmless, anti-septic, manufactured for chiropodists. However, anyone can buy from the drug store a tiny bottle containing directions.

RESULTS REMARKABLE SAYS NEW YORK MAN

Prominent Rochester, Citizen Tried Ten Years to Get Relief, But Tanlac Is Only Thing That Helped Him.

JAMES J. DEASLEY Of Rochester, New York

One of the latest to testify regarding the powers of Tanlac, the celebrated medicine which has been accomplishing such remarkable results, is James J. Deasley, 192 Eldon Avenue, Rochester, New York. Mr. Deasley has been chief record keeper for the Department of Water Works, city of Rochester, for thirty years and is a well known and highly respected citizen. In referring to the remarkable recovery of his health by the use of Tanlac, Mr. Deasley said: "I have been trying for ten years to find relief from a case of dyspepsia. Nothing ever helped me to amount to anything until I got Tanlac. This is saying a great deal, for I did everything it seems that a man could do to find relief. Of course, I was hardly ever sick enough to go to bed and was most always able to keep going, but I just never felt right. At times during those ten years, my stomach would become sour like vinegar, I would have an uncomfortable bloated up feeling after eating that would last four hours. I suffered a great deal from nausea. At times my heart would flutter and palpitate and I would become alarmed over my condition. My nerves were on edge all the time, and I became irritable, nervous and restless. I had no strength or energy to do anything. In fact I wasn't like myself at all. Even a week or two ago it was an effort for me to get out of my chair and I felt as stiff and clumsy as an old work horse."

"It is really remarkable what Tanlac has accomplished in my case. It has relieved me entirely of indigestion, I never have that distressing feeling any more after eating, and I feel perfectly fine in every way. I will always feel grateful for what this wonderful medicine has done for me and I am only too glad to give it my heart-felt endorsement." Tanlac is sold in Pendleton by Thompson Brothers.

ARGENTINE SOCIALIST PARTY IS SPLIT IN TWO

BUENOS AIRES, March 24.—(U. P.)—The socialist party of Argentina, like those of many European countries, has been split into two factions by the adoption at a recent party convention of a resolution not to give adherence to the third international congress of socialists at Moscow—the Lenin-Trotsky organization which advocates a world revolution by the proletariat.

MASQUERADE BALL WILL BE HELD AT HERMISTON

HERMISTON, March 24.—James Tabor and Jean Skovobo went to Portland last week to attend the State Res. Keepers Convention.

Ray Fisher returned last week from California where he spent the winter with his brother. On his way home he stopped off at Portland to visit his sister Mrs. Harold P. Sullivan who is living there.

Mr. and Mrs. J. O'Brien and child of Cheyenne, Wyoming, are registered at the Hotel Oregon. They have purchased a cattle ranch in Harney county but expect to spend the summer here on the project.

Wilbur K. Bloom arrived last week and will be here for some time visiting his parents Mr. and Mrs. N. W. Bloom of the Columbia district.

There will be a big Masquerade Ball given in the Bungalow Auditorium for the married people April 1st. A good orchestra has been secured and a splendid time is insured all who attend.

Dr. and Mrs. W. W. Hiley went to Portland last week. Dr. Hiley returned home Sunday, while Mrs. Hiley remained until the middle of the week.

Barry Dibble, project manager of the Minnedoka project, Idaho, was visiting the Umatilla project Saturday and renewing old acquaintances.
