**LEAP OF 4 3-5 MILES
WITH PARACHUTE SETS
NEW ALTITUDE RECORD**

Lieutenant Hamilton Makes Sensational Drop Without Accident; Slept on Ascent.

CHAMPAIGN, Ill., March 24.—(A. P.)—A new world's record for parachute leap was established yesterday when Lieutenant A. G. Hamilton dropped 24,400 feet, four and three fifths miles, from an airplane at Chanute field. He made the ascent in a De Havilland B-4 plane piloted by Lieutenant Harry Weddington and descended in a regulation parachute. He slept during the hour and twenty six minutes required to make the ascent, but kept much awake during the drop.

"It was just like any other leap," was his only comment.

Lieutenant Weddington was dressed for an altitude flight, but Lieutenant Hamilton wore only the regulation outfit. However, he was wrapped in blankets and the rear cockpit in which he sat was covered with canvas. A wire from the canvas to Lieutenant Weddington's seat was used by the pilot to release the covering. The rush of cold air awoke Lieutenant Hamilton who stepped on a platform at the side and when the plane was in position leaped into space. The parachute opened perfectly.

Lieutenant Hamilton landed seven miles northeast of Chanute field. There was little wind when he jumped but at an altitude of 18,000 feet a strong current engulfed his parachute. He declared there were no peculiar sensations at any time during the descent. Another airplane was sent up after the big De Havilland began the flight. It followed Lieutenant Hamilton during the descent and carried him back to Chanute field.

It is declared at the field that the record will stand as official. Before the flight was attempted, the barograph was set at zero and sealed. It will be sent to Washington to be calibrated.

No further attempt will be made to better this record unless some other field breaks it, army officers said. Lieutenant Hamilton held the previous record, 24,500 feet made at Carlstrom field, Arcadia, Fla.

Big Attacks on Dry Laws Made
WASHINGTON, March 24.—(U. P.)—A provision of the prohibition amendment originally proposed by President Harding while he was a senator makes it invalid, it is claimed in the second big attack on the constitutionality of dry laws and in briefs filed in the supreme court yesterday.

The section making the entire prohibition article imperative unless ratified within seven years, in brief summarizes and specifically violates article five of the constitution, which gives congress no power to impose a limit on the ratification, "or otherwise attempt to control what the legislatures shall do." The brief quotes senator Harding as offering a provision as having "clearly stated his vote for the resolution was conditioned on this provision being approved," and quotes senator Borah as having called attention then to the unconstitutionality of the section.

**DEMPESEY-CARPENTIER
FIGHT WILL BE UPON
60-40 ARRANGEMENT**

\$600,000 Purse is Withdrawn; Dempsey Says He Will Never Meet Colored Man.

NEW YORK, March 24.—The half-million dollar purse for which Jack Dempsey and Georges Carpentier were to have fought on July 2 has been withdrawn and the heavyweights will box on a percentage basis when they engage in their world's championship battle. Tex Rickard, promoter, said yesterday after several conferences with representatives of the principals.

Under the new agreement the principals will receive 50 per cent of the gross gate receipts. The winner will take 60 per cent and the loser 40 per cent. The contract originally provided that Dempsey, as champion, was to receive \$500,000 and Carpentier, as challenger, \$200,000.

Managers Sign Amendment
Jack Keenan, manager of Dempsey, signed the amendment yesterday and a cable message from Descomps, manager of Carpentier, was also received acquiescing in the change and stating that a signed agreement would be forwarded by mail.

Various reasons for the change in the contract were advanced. It was stated that owing to the rule which prohibits the charging of more than \$15 for a seat at a championship bout in this state, the contest could not be conducted with the handicap of a \$500,000 guarantee in case it was decided to stage the match here.

Draws Color Line
CALGARY, Alberta, March 24.—(A. P.)—Jack Dempsey, heavyweight champion of the world, who is here, expressed pleasure at the new arrangement for his fight with Georges Carpentier, on a percentage basis instead of a straight guarantee. He said he believed the fight would draw a million and a half dollars. The champion said there is no truth in the story that he is going to get married again.

"And here is something else I have never told the world yet," said the champion. "I will never accept a challenge from a colored man. I absolutely draw the color line."

"I Feel as Tho' I Could Not Drag Thru the Day's Work"
is the complaint of many a woman in the household, office or factory.
After suffering pain, feeling nervous, dizzy, weak and dragged-down by weakness of her sex—with eyes sunken, black circles and pale cheeks—such a woman is quickly restored to health by the Favorite Prescription of Dr. Pierce. Changed, too, in looks, for after taking Dr. Pierce's Favorite Prescription the skin becomes clear, the eyes brighter, the cheeks plump. It is purely vegetable and contains no alcohol.
Druggists sell it in tablets or liquid, or send Doctor Pierce, at Invalids' Hotel in Buffalo, N. Y., 10 cents for trial package.
REDDING, CALIF.—"Dr. Pierce's Favorite Prescription is perfectly wonderful. I owe everything to this medicine. When I was passing thru middle age I suffered everything. Finally, I decided to take Dr. Pierce's Favorite Prescription. It stopped the headaches, the pains and the hemorrhages. I never had any more trouble. It really is great."—Mrs. R. B. RALPH, 60 Terrilium Street.
