NEWS OF THE COUNTY OFFICES AND OFFICERS

Alleged Robbers Captured.
Sheriff Houser and Deputy Spears have three men in the county jail and one man out on bonds of \$500, all charged with the robbery of the home of W. J. Bault, eight miles north of Hermiston. The robbery occurred during December according to the

sheriff. Some of the plunder has been found according to the sheriff.

Will Ask For Bids.
The county court will advertise for bids to gravel two county roads during this session it was decided this morning. The diagonal road from Hermiston to the Columbia school and the road from Stanfield to Spain gulch. The committees served by these roads will do their own grading.

Want Road Re-located.
A delegation from Reed and Hawley appeared before the county court this morning and asked that the Pine Creek road be re-located and rebuilt.

AUTOMOBILE DEALERS

(Continued from page 1.)
day thereafter the names of those customers that pay their account will be taken from the list and this will enable them to obtain credit as heretofore.

We are certain that you will appreciate the fact that it is almost prohibitive for us to undertake to extend credit for more than thirty days to our hundreds of customers when we are compelled to pay cash on delivery for all of our gasoline and parts and must pay all of our merchandise accounts every thirty days.

We sincerely believe that this plan will be of great benefit to the customers as well as the dealers for in most cases it is simply a matter of negligence where a customer does not pay by the 10th of the month, and to make this plan workable it is necessary that we have a fixed date on which accounts must be paid. If you are entitled to credit, and conditions are such that you can not conveniently pay your account on the 10th of the month it will be necessary for you to call on us on or before the 10th and make proper arrangements to have your account settled so that it will not be necessary for us to turn your name in to the clerk as one of the delinquents.

We very much appreciate your patronage and sincerely hope we will be favored with your future business and this new credit policy will in no way change our pleasant business relations, other than you are asked and required to have your monthly account settled on or before the 10th day of each month.

NEWS NOTES OF PENDLETON

Assault Case Closed.
The case of the state versus Albert Strebby and Dora Strebby, both charged with assault by Ora E. Snider

DIDN'T RELISH TWO YEARS OF STARVATION

"I have delayed writing to see if my relief was permanent; can say that I am feeling fine. Three doctors told me I had ulcers of the stomach and no medicine would help me, but your May's Wonderful Remedy has done so. I am now a well man again after two years of starvation and suffering. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince of money refunded. —Druggists everywhere.

occupied considerable time of the Justice of the Peace court yesterday. Albert Strelsky was discharged upon motion while Dora Strelsky was freed from the charge within a short time after the case was given to the jury.

Happy Canyon Meeting.
A meeting of the Happy Canyon directors and of all committeemen and others interested in the show or who participate in the management or the performance is to be held at 7:30 this evening at the Commercial Association rooms.

Golf Match Still in Doubt.
C. E. Jefferson, links professional and H. W. Dickson halved their match yesterday in the golf tournament at the local links. Dickson made his round in 87 and Jefferson in 83 which are exceptionally good scores. It is said there are several more matches to be played before the winners of the tournament are named.

C. E. Program Planned.
A special program has been prepared for the Christian Endeavor meeting at the Christian Church on Easter Sunday. The subject will be Easter lessons and the scripture will be Mark 16, 1 to 29. Those who will take part in the program are Miss Martha Fogue, Leslie Eaton, Jabin Vaughn, Barry Crawford, Miss Alice Greenwood, Mrs. Holmes, Dale Durford, Rev. W. A. Gressman, H. H. DeHart and Miss Haroldine Horton.

Bids to Receive Funds.
Market highways were named yesterday afternoon by the county court to receive construction and maintenance money from the market funds. There are over 35 miles designated in the program and the expenditure will amount to \$20,000. The road designated are from Hermiston to the Columbia school; three miles from Stanfield to Spain gulch; three miles from Helix to Raders, corner road from Little Walla Walla River road from Milton to the power plant; 15 miles from Pendleton to Pilot Rock; two miles from Suddnutt corner to Washington state line and two and one half miles from Ferndale to the Walla Walla river.

Season Will Open.
The sheep shearing season will probably open April 10 in this county, say sheepmen, who expect to pay from 16 to 12 1/2 cents per head to shearers. This is a decrease over last year's price when growers paid as high as 17 1/2 cents per head. Shearers are at work in Washington now and are receiving a maximum of 12 1/2 cents per head, while in Idaho the price was from nine to 10 cents. Sheep in this region shear more easily than in Washington, say woolmen, because of the difference in the soil. This year the Klukit Wool Growers' association fixed a sliding scale of from 10 cents to 15 cents per head. Last year as high as 28 cents per head, exclusively of board, was paid for shearing in the Klukit valley.

A. C. Mr. Michaels' father, John Joseph Michaels, survives also and resides in Maryland. Two brothers and a sister living in Florida, a sister in Virginia and five sisters and two brothers living in Maryland also survive.

Mr. Michaels was a member of the Elks, W. O. W., Modern Woodmen and I. O. O. F. Funeral arrangements will be made this evening after the arrival of Mr. Michaels' son from Corvallis.

SERVICE STATION IS ROBBED BY BANDITS

Two unmasked men last night stuck up the L. S. Bentley Service Station at the corner of Garden and Alta streets and made their getaway with some \$20 in cash. Ray Finnell, who was in the station at the time, was compelled at the point of a gun, to maintain silence by the robbers. Several suspects have been arrested by the sheriff.

According to Finnell, he was mailing out cash slips preparatory to closing the shop when the two men entered by one of the two doors of the shop. Finnell thought the two men were customers until he heard the cash register being opened. He then looked up, he declares, and saw one of the bandits in a doorway with a gun in his hand. The bandit told him to "stand right where you are."

While the one bandit stood guard over Finnell the other went through the cash register. Both were apparently very nervous and excited as one of the robbers kept telling the other to hurry up. When the loot had been safely stowed away in the pockets of the bandits they both left the building but not without telling Finnell to "stand still until we get away from here."

HAS NEVER SEEN EQUAL OF TANLAC

Spokane Man Sorry New He Didn't Take the Medicine Long Ago.

"I'm sixty-seven years old now, and during all these years I have never seen a medicine that I consider in a class with Tanlac," said Mike Kunz, of E. 1911 Boone Ave., Spokane, Wash. Mr. Kunz is a well-known farmer who has a large ranch near Wilber.

"I had stomach trouble of a mighty bad nature and, two years ago, was operated on for what was said to be ulcers of the stomach, and when I finally got out of the hospital I had no strength, and still suffered a lot of distress after eating. One formed in such quantities it caused me no end of worry and my heart palpitated terribly. I had frightful pains in my back, and at times had such awful weak nerves I felt completely exhausted. My spells were badly upset and I didn't know what it was to get a good night's sleep.

"I kept seeing where Tanlac was helping so many others I began taking it. Well, sir, it is certainly building me up and I am gaining in weight and strength every day. I'm not nervous nor sleepless now, and I believe if I had got hold of the medicine before I wouldn't have had to undergo the operation. Tanlac is certainly a great medicine, and I'm more than glad to tell the public of its wonderful merits."

Tanlac is sold in Pendleton by Thompson Brothers.
