COULD NOT KEEP HOUSE

Without Lydia E. Pinkham's Vegetable Compound, Says Mrs. Pitts of Newburgh

Newburgh, N. Y.—"My trouble was a weak back and I could not walk two blocks without being tired out. I read of Lydia E. Pinkham's Vegetable Compound in a newspaper and decided to give it a trial. Now I can do my own work and walk with ease. I always keep the Vegetable Compound in the house. It certainly is my best friend and I could not keep house without it. I have recommended it to many and always shall. You may use this letter if you wish."—Mrs. EDWARD PITTS, 2 High St., Newburgh, N. Y.
It has been said that "backache is an invention of the Evil One to try women's souls," but even so, it is more often a symptom of a female trouble which sooner or later declares itself. Day after day it drags a woman down and night after night prevents restful sleep. Such women should follow Mrs. Pitts' advice and try Lydia E. Pinkham's Vegetable Compound, and regain health. Letters about your health will be given careful attention and held in strict confidence if you write to Lydia E. Pinkham Medicine Co., Lynn, Mass. Their experience of over 40 years is at your service.

CARDINAL'S FUNERAL

(Continued from page 1.)
Dressed in his purple robes, his archbishop's mitre upon his head and a crucifix clasped in his gloved hands, lay the American, born of simple Irish immigrants, who by his own efforts rose to be a prince of the church. Last night the silence of the cathedral was broken by chanting of psalms and diocesan clergy as the coffin of the dead was sung. Presiding was Bishop G. B. Corrigan, vicar-general of the diocese. The ceremony was attended by church dignitaries and lay delegates from all parts of the United States and Canada.
New Cardinal Anticipated.
ROME, March 31.—In Vatican circles the belief prevails that another American cardinal will be appointed in a short time, the death of Cardinal Gibbons again having reduced the

American cardinals to two. Pope Benedict is declared to have the intention of following the precedent set by Pius X in 1911 of having three cardinals in the United States.
Naturally the speculation has brought numerous names of prelates to the fore. Among these names are those of Archbishop Muench of Chicago and Archbishop Hayes of New York. Some persons also are suggesting the Most Rev. E. J. Hanna, archbishop of San Francisco.

A SAFE TEST

For those who are in need of a remedy for kidney troubles and backache, it is a good plan to try Doan's Kidney Pills. They are strongly recommended by Pendleton people. Ask your neighbor!
Mrs. J. B. Jacobs, 300 E. Bluff St., Pendleton, says: "I could never speak too highly of Doan's Kidney Pills. I have never found anything their equal when I have needed to take a kidney medicine. Whenever I took them I settled on my kidneys and caused my back to ache so badly, I could hardly get around. I had dizzy spells and headaches. After I took Doan's Kidney Pills for a few days, all the trouble was removed and in every way I felt as well and strong as ever."
The above statement was given May 17, 1916, and on June 17, 1920, Mrs. Jacobs added: "Since endorsing Doan's Kidney Pills in 1916 I haven't noticed any of the kidney complaint so I give them credit for curing me. I gladly confirm my former statement at this time."

Daddy of Big League Hurlers

Babe (Charles B.) Adams of the Pittsburgh Pirates' hurling squad, is the oldest heaver in the big league—both in years and in service. Babe'll be 35 in May and he has seen 11 full seasons in the major ranks. Yet he is satisfied he's as fresh as ever this year and will be able to lead National League batmen through a heap of worry during the 1921 schedule. Adams has a farm near St. Joseph, Mo., and spends his winters there.
