## JOHNSON SAYS THIRTY PER CENT OF OWNERS MUST GET FROM GAME

Baseball Gambling by Weak Minded Players Held up as Ruinous to Sport's Repute.

CLEVELAND, March 31.—(A. P.)—Certain owners of major league clubs have not been true to their trust and will be driven from baseball, Dan Johnson, president of the American League, declared last night. Those facts, he said, developed from the investigations into the baseball scandal.

"Thirty per cent of the owners of teams in the American and National leagues must go," he said. "Changes in ownership are necessary for the good of the game and I expect to see the other owners combine with me in helping bring about the much needed change."

He refused to state who the accused owners are.

"Baseball suffered a temporary setback as a result of the 1919 world's series scandal and the dismissal of the indictments returned against the Chicago players and others involved," he continued.

"Baseball must be cleaned of all the poison injected into its system by a few petty rascals and several easily tempted players, and I will not rest content until the general public says of the national game that the wound has been thoroughly healed and the guilty have been sufficiently punished."

Mr. Johnson delivered an address here last night on "Keep Baseball Clean."

CLEVELAND, Ohio, March 31.—(A. P.)—Miss Charlotte Boyle of the New York swimming association, won the national A. A. U. 100-yard swim for women last night in one minute 7 1/2 seconds, within one second of the record for the distance.

The fancy diving event for women went to Helen Walnwright of the New York swimming association. Andy Core of the University of Pittsburgh, captured the open 220 yard free style swim for men.

## Would You Trade Daddies?

Of course you wouldn't. But, say, boys, it wouldn't be bad to have a famous ball player like Johnny Evers of Chicago to teach you 'em, would it? Johnny is showing his son, Jack, how to hold the bat for an inshoot.

## EMIL SEIBERT PLAYS WITH O. A. C. TEAM

OREGON AGRICULTURAL COLLEGE, Corvallis, March 31.—The initial varsity baseball game for the 1921 season on the home lot will be staged here Saturday when the Oregon Aggies clash with the alumni team which has been organized by Ade Seibert, former Aggie diamond star, who has lined up a capable aggregation to combat Jimmy Richardson's pastimers.

Fresh from their two victories over the North Pacific college team at Portland the Aggies have been putting in some strenuous work with an overabundance of hitting practice being indulged in. Richardson has made it known that heavy canning of the horseshoe pulled will be one of the main requisites for a berth on the Aggie team. The Aggie coach is willing to take chances on a "bobbie" or two, provided the players make up for it in swatting the ball.

Ade Seibert is marshaling together a mighty strong aggregation and will invade Corvallis with such former diamond stars as "Bucky" Williams, Benny Culver, Emil Seibert, Blossom Seelye, "Butte" Rearden, Dutch Fryer, "Spike" Hutt, "Browie" Gross and Joe Supple. Jack Hayes, the hard-hitting Salem outfielder, has signified his willingness to return to the campus and boasts of a home-run every time he steps to the plate.

Ralph Coleman, former varsity twirler and now a member of the athletic department, will start the twirling for the alumni team. He will be assisted by Ade Seibert and possibly Benny Culver. Wallace Kadderly, Lyle Wilcox and other grads will be in the line-up.

The varsity lineup will not be announced until the day of the game. It will likely be the same as that which faced North Pacific college at Portland.

## Just Like Judge Fitz Gerald

A certain London Magistrate was possessed of a dry wit. He was taking coffee in his club one summer evening when a fellow member remarked that hot coffee was not a good summer drink. "You should take cooling drinks," he added. "Have you ever tried gin and ginger beer?"

"No," answered the Magistrate, "but I've tried a number of men who have." —Tottler, London.

## A Courteous Formality.

"I have sent word to my constituents that I will welcome advice at any time," remarked Senator Sorghum. "But you'll get so much you can't remember it." "All I am saying is that I will give it a polite welcome. I'm not promising to stay awake and listen."—Washington Star.

## Fordson Tractor

Many Umatilla county farmers are using the Fordson for their spring plowing. With it they are able to pull a two-bottom plow anywhere, plowing on average of an acre an hour with a running expense of fifty cents an acre. Can you plow that cheap with your horses? Think of time, and to say nothing of the care of these horses night and morning.

A great many of these Fordsons are three years old and apparently going as strong as ever.

Think the matter over carefully and remember if you are interested we will gladly demonstrate on your own farm at our expense.
