BUCKAROOS FOUND TIGER MEAT EASY DIET FOR SUNDAY

Every Man on Local Team is Good Hitter if Initial Game May be Relied Upon.

The Pendleton Buckaroos ran rough shod over the Colored Tigers yesterday at Round-Up Park. This was the first game for the Bucks, but how they did hit the old ball.

No one knows the actual count but it was something like 40 to 3. The white boys made so many and made them so fast that the score keeper who had no adding machine, couldn't keep up.

In the first inning the Tigers went out in one, two, three order. The Bucks batted clear around and then some. Six runs clattered across the park. Never an inning appeared but what the score from two to eight times, and only seemed to quit when exhausted.

The Tigers couldn't get a hit off Kuek, who pitched the first three innings. Only one scratch hit did they garner from Duff, who pitched the next three. Their only markers were scored from the delivery of Warmuth who tolled the last two innings. And they were gifts, as "Warmie" merely lobbed the ball over.

Of course the locals can't expect as easy pitching in the Blue Mountain League this season, but at that they showed the fans that they are capable of hitting. Every man on the team made at least three safe hits apiece, home runs, two baggers and three baggers were sprinkled freely in the slugfest.

Following is the lineup of the Bucks: Olson, 2b; Hanix, ss; Peterson, c; Styon, lf; Carey, 1b; Nedton, 3b; Thompson, rf; Gibbs, cf; Kuek, Duff and Warmuth, pitchers.

Every Monday, Wednesday and Friday at 4:30 the locals will practice at the park. The next game is Sunday with Moose Jaw.

The attendance was small on account of a typographical error in Saturday's East Oregonian which led the shooters to believe that the hours were from 1 p. m. until 2 p. m., when it should have been 10 a. m. until 2 p. m.

Back With a "New Arm"

Walter Johnson, veteran Washington pitcher, expects to return to the front rank of hurler stardom this season. Last summer the demon spook ball artist had trouble with his right wing. But Mike Martin, trainer, has doctored up the arm and says its owner will come back in all his glory. Arrow, above, shows where the famous smoke arm was strained. Picture was taken at the Senators' training camp in Tampa, Fla.

AMUSEMENTS

"WAY DOWN EAST"

D. W. Griffith's picturization of "Way Down East," taken from the famous stage play of Lottie Blair Parker and which has been one of the American theatrical classics for twenty-two years, will be presented at the Alta theatre for the first time on Tuesday evening, April 5th, continuing for three days with an unusually brilliant cast of interpreting players including Lillian Gish, Richard Barthelmess, Mary Hay, Burr McIntosh, Lowell Sherman, Creighton Hale, Mrs. Morgan Belmont, Kate Bruce, Edgar Nelson, George Neville, Vivia Onden, Porter Stone, Josephine Bernard, Mrs. David Landan, Patricia Fruen, Florence Short, Emily Fitzroy, Myrtle Fitch and others.

The photo-drama production of this popular play represents ten months of labor and an enormous outlay of money. The story of the play is followed with fidelity and what digressions are made deemed necessary to enhance dramatic values through extensive elaboration.

"Way Down East" is Mr. Griffith's most stupendous production. As innovations are expected in his presentations there will be no disappointment in his latest effort for the thrilling snow storm and entrancing ice gorgo scenes at the close are by far the most pretentious things he has yet attempted.

Following the premiere on Tuesday evening, the presentation will be offered twice daily, at 2:15 and 8:15. An augmented orchestra will simplify the presentation with a special musical accompaniment.

No orders countering these arrangements have been received here."

Fordson Tractor

Many Umatilla county farmers are using the Fordson for their spring plowing. With it they are able to pull a two-bottom plow anywhere, plowing on average of an acre an hour with a running expense of fifty cents an acre. Can you plow that cheap with your horses? Think of time, and to say nothing of the care of these horses night and morning.

A great many of these Fordsons are three years old and apparently going as strong as ever.

Think the matter over carefully and remember if you are interested we will gladly demonstrate on your own farm at our expense.
