True Economy

Could you do this? We don't think so—without The DELTOR

This is one reason why the addition of the Deltor subtracts the entire price from the Butterick Pattern.

Your layout is specially worked out for your size and for the width in which your material comes.

With the Deltor layouts you lay your pattern on your material as fast as you can pin it in place. Our highly trained experts spent hours on the task.

What is your time worth?

You pay your cleaning woman fifty cents an hour. Your time is worth more than that. More than the price of the pattern.

So the Butterick Pattern with the Deltor costs you less than nothing.
