CHICAGO, April 8.—(A. P.)—The Illinois Athletic Club of Chicago won the national water polo championship through a nine to one victory over the Chicago Athletic Association, which took second place.

VETERAN FIREMEN MISS OLD TIME FIRE HORSES

SAN FRANCISCO, April 8.—(A. P.)—San Francisco veteran firemen, still yearn for the old fire horses. They have mentioned it to the chief.

"It's like this," one driver said today. "You can't get any companionship out of a gasoline engine. You cannot rub one of these locomotives we have now on the nose and get one to eat out of your hand."

"In the old days when we had had dreams about three alarm fires, it was comforting to hear the horses munching and champing in the stalls below us. It soothed us. Now we can dream on until we kick all the bedclothes off. There's no stamping of the trusty hoofs to wake us up or the good old nicker to tell us to go back to sleep again."

"Believe me, it's lonesome in those big firehouses at night without the old boys. I wish they were back."

"Did you ever see a policeman's horse follow him around like a dog? Well, take that policeman's horse away from him and he's lost, that's all. It's the same way with a fireman."

San Francisco's old firehorses are "on pension" on a farm near Martinez, far from the maddening jangle of the fire alarm. And report has it that some of the firemen "sneak away" from the houses at times and

go up to the farm and talk over old times with the "old boys".

TIGERS DEFEAT SENATORS

SACRAMENTO, Cal., April 8.—(A. P.)—The Vernon Tigers clawed their way to another victory here yesterday, defeating the Senators, 8 to 6, after the local club apparently had secured by the game with four runs in the sixth inning.

Manager Easlick threw 16 men into the lineup to take the contest. The Tigers fell upon Pitchers Nicholas and Penner for five tallies in the seventh.

GOES ELEVEN INNINGS

LOS ANGELES, April 8.—(A. P.)—Manager "Red" Killefer scored the winning run yesterday in the 11th inning when Los Angeles defeated Seattle 4 to 3. Carroll's single to right with two out brought the Angels leader home after the latter had singled and stolen second. Lane, Seattle right-fielder, slammed the ball over the left field fence for a home run in the third.

FISTCUFFS RESORTED TO AS BICYCLE RACE ENTERS FINAL STAGE

Racers Spilled and Relienns Unable to Get Back for Two Hours, Injury is Suffered.

CHICAGO, April 8.—(A. P.)—Several serious spills, a fist fight and the theft of a lap furnished the thrills last night in the six-day bicycle race in which the Corey-McBeath team were leading by a big margin at 11 p. m. the 95th hour. The leaders had covered 1513 miles, eight laps with the rest of the field one lap behind.

The point score for the three leaders were: Corey-McBeath 179 1/2, Relienns-De Garves 27 1/2 and Keller-Cavanaugh 27. Zell and Koeker broke into the point column for the first time when they regained a lost lap and became even with the field.

Eaton of the Eaton-Kaiser team and Corey each were fined for engaging in a fist fight on the track. Relienns was the most seriously injured in the several spills and had been unable to reenter the race at 11 o'clock, after being out two hours.

CHICAGO TRY TO EVICT LUCKY HOUSE BOATERS

CHICAGO, April 8.—(U. P.)—Houseboaters are fighting an effort to evict them from moorings on the Chicago river.

Marshall W. Pincus of the drainage district issued the eviction order. The water colony refused to abide. Pincus is consulting the city's law department as to the next move.

A court battle to determine the rights of water squatters is in prospect. Houseboaters, driven to life on the water by high rents, assert politics is back of the effort to make 'em 'sail on.'

Some of the houseboats have all the comforts of home, shower baths, telephones, lace curtains, pianos, electric lights and running water—all these conveniences have been installed to make the squatters' life the envy of their land neighbors.

And instead of laying out a hundred or more a month for rent, the houseboaters pay nothing outside of the cost of building a boat.

"We are the only families in Chicago who don't fear the rent hog," said Mrs. Charlotte Koss, skipper of the water-villa "Happy Life," one of the modern residences of the colony. "We love it here and I am so tired of hotel life. The only way we'll get us to move is by court edict."

CHILD INHALES FUMES OF FORMALDEHYDE GAS AND DIES IN HOSPITAL

OLYMPIA, April 8.—(U. P.)—Childish curiosity cost the life of Donald Van Vleet, the 2-year-old son of Charles Van Vleet and wife. While playing in the yard, the baby found a bottle of formaldehyde, used in dipping grain. The child opened the bottle and inhaled the poisonous gas. He was rushed to the Central hospital, but four doctors were unable to save his life.

Preventative Medicine The tendency of medical science is toward preventative measures. It is easier and better to prevent than to cure. Pneumonia, one of the most dangerous diseases that medical men have to contend with, often follows a cold or attack of the grip. The cold prepares the system for the reception and development of the pneumonia germ. The longer the cold hangs on, the greater the danger. Take Chamberlain's Cough Remedy as soon as the first indication of a cold appears so as to get rid of it with the least possible delay. It is folly to risk an attack of pneumonia when this remedy may be obtained for a trifle.

A Farmer Cured of Rheumatism "A man living on a farm near here came in a short time ago completely 'bowed up' with rheumatism. I handed him a bottle of Chamberlain's Liniment and told him to use it freely," says C. P. Ryder, Patton Mills, N. Y. "A few days later he walked into the store as straight as a string and handed me a dollar saying, 'give me another bottle of Chamberlain's Liniment; I want it in the house all the time for I cured me.'"

Indigestion and Constipation "Prior to using Chamberlain's Tablets, I suffered dreadfully from indigestion. Nothing I ate agreed with me and I lost flesh and ran down in weight. Chamberlain's Tablets strengthened my digestion and cured me of constipation," writes Mrs. George Traub, Solvay, N. Y.

The Road to Happiness You must keep well if you wish to be happy. When constipated take one or two of Chamberlain's Tablets immediately after supper. They cause a gentle movement of the bowels.

Fordson Tractor Many Umatilla county farmers are using the Fordson for their spring plowing. With it they are able to pull a two-bottom plow anywhere, plowing on average of an acre an hour with a running expense of fifty cents an acre. Can you plow that cheap with your horses? Think of time, and to say nothing of the care of these horses night and morning. A great many of these Fordsons are three years old and apparently going as strong as ever. Think the matter over carefully and remember if you are interested we will gladly demonstrate on your own farm at our expense. Simpson Auto Co. Phone 408 Water and Johnson Sts.
