Presbytery in Session.

Delegates from Pendleton left this morning for Parkdale, where the session of the Presbytery of Pendleton is being held. Those who went from the local church are Elder P. G. Hegeman and from the Indian church, Rev. E. J. Conner, Elder Phillip Jones, Rev. J. M. Cornelson, missionary and Parsons Motanic and his wife who will assist in putting on the pageant tonight before the Presbytery. Rev.

B. F. Harper, Sunday school missionary from Milton is also in attendance.

Case Is Heard.

An heirship case was heard yesterday at the Umatilla Indian Agency before Major E. Swartzlander, superintendent, with R. I. Keator representing Cecelia A. Alexander, Indian, who is the daughter of Joe Allen, and the wife of a Yakima Indian of Webb City, Idaho. The case was not decided yesterday.

Farm Loan Borrowers.

The sum of \$182,050 has been granted to the Freewater Federal Farm Loan Association and \$88,850 to the Stanfield Association under the federal farm loan act in Oregon, according to a report for Umatilla county made by Congressman Nicholas J. Sinnott. There are 84 borrowers in Freewater and 29 in Stanfield, says the report.

Architects Making Plans.

Architects are now at work on the plans for the new wing which will be built as an addition to the Eastern Oregon State Hospital and it is probable that the contracts will be let in about 60 days. The addition is to cost

\$160,000 with furnishings and will house 180 patients. There are about 525 patients in the present quarters.

Win. Slusher Improves.

William Slusher, pioneer of this county who has been quite ill at his home, is convalescing. He has been confined to his bed but is able to be up today.

Little Boy Convalescing.

Little Cecil Curl, Jr., who was kicked in the side by a horse yesterday, is convalescing. No bones were broken but the boy is badly bruised. He is the two-year old son of Mr. and Mrs. Cecil Curl, Sr.

Dr. Sharp Returns.

Dr. J. Edwin Sharp returned last night from Portland where he attended the funeral of his step-mother. He was accompanied by his father, J. D. Sharp. The elder Mr. Sharp, who is past 90 years of age, is in good health although his eyesight has been failing of late.

He Wants To Know About Pendleton.

A letter in which an inquiry is made for information about the farming possibilities of the land adjacent to Pendleton has been received by Secretary Claud Barr at the Commercial Association. The letter is from State Attorney A. A. Ludwig of Ashley, N. Dak. He expresses a desire to purchase a small farm near Pendleton.

Offending Drivers Fined.

Several fines on traffic violations were made this morning in city court when a number of drivers arrested by Traffic Officer Wm. Lyday were haled before Judge Fitz Gerald. The fines ranged from \$2 to one of \$15 which was given Henry Mitchell. Other offenders included Elmer Steele, Henry Mitchell, P. J. Powers and Lynch McAttee.

E. R. Farley Returns.

E. R. Farley, of the Oregon Motor Garage, returned here yesterday after spending a short time in La Grande at the home of Mr. and Mrs. George Curry, parents of Mrs. Farley. Mrs. Farley will return here in a few days. Mr. and Mrs. Farley spent the weekend in Baker where they attended the auto show. They were the guests of Mr. and Mrs. George H. Curry.

They're After Bass.

Lyman Rice, Charles Bracher of Pilot Rock, Herb Green, Bob Saunders and Harold Brock left Monday about noon for the Columbia Slough where they will endeavor to duplicate the record that was made by a party of Pendleton men Sunday at black bass fishing. The season ends April 15, and it is probable that every day until then will see a number of anglers doing their best to make catches.

Consider Ground Improvement.

Just how to improve the play ground so that school children who attend the grade schools of Pendleton will have a firm turf to play on instead of muddy grounds was a problem that was considered at length by the board of education at a meeting held last night. No definite action was taken, but the matter will be gone into thoroughly and action is expected before the next school year begins.

First Trip to Bingham.

Roads to Bingham Springs are bad but passable, says Dr. and Mrs. F. W. Vincent and Dr. and Mrs. F. E. Boyden who broke the trail Saturday evening and have the honor of being the first Pendleton people to make the trip in 1921. In the Cayuse region, they state, it is necessary to leave the road and go through a field. This trail is not bad but it is difficult to get in and out of the field. The "Half-In" curve and the road into the valley have been improved, but beyond these places it is necessary to ford several pools and the road is rough. The trip was made in about two hours by the local people, who remained until Sunday evening.

Hartwig To Speak.

Otto Hartwig, president of the Oregon State Federation of Labor, and C. M. Ryerson, editor of the Oregon Labor Press, will be the chief speakers at an open meeting of the Central Labor Council on Thursday evening in Labor Hall. Their topic will be relative to the labor problems of the present time. The open sessions will be the second in a series held by the labor council, the aim of the council being to give local people a chance to hear views on the labor question. A special invitation has been issued to members of the Pendleton Commercial Association, and to the press. The Labor Council will hold a closed meeting tomorrow night at the hall.
