**Can't Collect Special Tax**  
A default judgment has been entered by Judge Phelps in circuit court against the defendants in the case of W. J. Kirk and other taxpayers in the action against School District No. 129. A temporary injunction is also made permanent which will prevent collection of a special levy of taxes in 1920 from being made.

**Would Forfeiture Lien**  
Suit to forfeit a merchandise lien on an apartment house has been instituted in circuit court by John L. Vaughan against F. F. Cary and C. M. Cary, his wife. Material and labor

furnished in 1920 is the basis of the suit. Recovery of \$500 and costs of the action are sought. Peo and Peo are the plaintiff's attorneys.

**Kerley Case to Jury**  
The embalmment case against Jos Kerley which has occupied the attention of circuit court during the past two days was expected to go to the jury this afternoon. The taking of testimony was concluded this morning at 11 o'clock, and attorneys began making their arguments before the jury immediately. Much interest has been shown in the case.

**'Hop' Outfit Taken**  
Harry Beckman, thought to be a drug addict, is in jail, and the sheriff is in possession of a complete outfit for "cooking hop" as the result of an arrest that has been made by Deputy Ridgeway. The officer entered Beckman's room and found him in bed with a complete outfit spread out in the room. A federal warrant is expected to be brought against him. He probably will be taken to Portland within a few days.

A revolver which disappeared from a room in the Bowman Hotel the night of April 6 has been found and identified by its former owner as a result of action by Deputy Sheriffs Ridgeway and Spears. Walter Smith is in jail, and a charge of larceny in a building will be brought against him. An attempt on the part of Smith to sell the gun resulted in a call being sent to the sheriff's office, and Ridgeway and Spears followed Smith and apprehended him just after he had been successful in a second attempt to get rid of the gun. A companion who was with him at the time was also placed under arrest.

**NEWS NOTES OF PENDLETON**  
**To Banquet at Freewater.**  
A delegation of Pendletonians consisting particularly of members of the county affairs committee and the merchants committee of the Commercial Association will go to Freewater to attend a banquet this evening by the Freewater commercial organization.

**Authorize New Ordinance.**  
An ordinance which will prevent public speaking within two hundred feet of either Main or Court streets was authorized last night by the city council following discussion when a motion to this effect was submitted by Councilman Bond. The street has been blockaded recently, it is said, when meetings were held on a corner in the main business section of the city. The city attorney was instructed to draft an ordinance such as was in force during the days of the war. It is probable that it will also be impossible to hold public meetings in the city park under the proposed ordinance except by special permission of the council.

## A Man is just as Young and Strong as his Blood

No man can fight the battles of life and hold his own if his blood is not pure, for rich, red blood is what strength is based upon. When you see a strong, vigorous man, who never knows when he is licked, you may wager that such a man has coursing through his veins rich, red blood. Many people have thin, pale blood. They are weak, tire easily, become discouraged quickly, and sometimes feel like giving up the struggle. Such folks need Dr. Pierce's Golden Medical Discovery, which is sold by druggists in liquid or tablet form.

It is made up of Blood root, Oregon Grapes root, Queen's root, Stone root, Cherry Bark, without alcohol. Send 10c to Dr. Pierce's Invalids' Hotel in Buffalo, N. Y., for a trial package of the tablets. OLYMPIA, WASH.—"My husband always uses Dr. Pierce's Golden Medical Discovery as a stomach medicine and tonic, and declares that it is the best medicine in the world."—Mrs. J. E. FOSTER, Cor. Pear and Spring Streets.

Mrs. Albert Hobson won first prize while T. O. Goodman cut with Sam Hoon, R. E. Bean and J. E. Jones for the consolation prize. T. O. was the lucky winner. The guests brought their own refreshments which were served at midnight. Those present were Mr. and Mrs. Lane Hoon, Mr. and Mrs. R. E. Bean, Mr. and Mrs. J. E. Jones, Mr. and Mrs. Sam Hoon, Mr. and Mrs. T. O. Goodman, D. J. Wirk and W. B. Phillips with their wives started on the perilous trip across the Walla Walla river but broke down and returned to their homes about eleven thirty after a pleasant evening on the road with motor trouble.

Mr. and Mrs. Jesse Martin received word of the death of their son-in-law James Givens at Lewiston, Idaho, on Monday. They were unaware of his illness until apprised of his death. Mr. Givens was married to their daughter Della. They had no children.

Mrs. H. B. Bacon left on Tuesday for Colfax, Wash., where she will visit with relatives.

Mrs. Dan J. Kirk this (Wednesday) morning received a telephone message from Claude Steen at Lewiston that her brother James Romine had been stricken with paralysis, unconscious, and was only slightly conscious. Jim Kirk and his daughter Mrs. Roy Frazier left this morning for Lewiston. Mrs. Kirk will go in a few days. Mr. Romine's condition is serious. All winter he has been suffering from high blood pressure and his health has been very poor. Only last month he was in this valley for the benefit of his health and he was much better when he left for his Idaho home.

Mrs. Guy Young left Friday for her homestead at Soda Springs, Id., where she will remain a month. Her daughter Beverly will remain during that time with her aunt Miss Philippi.

### BACK BAD TODAY?

Backache is usually kidney-ache and makes you dull, nervous and tired. Use Doan's Kidney Pills for weak kidneys—the remedy recommended by your friends and neighbors. Ask your neighbor. J. L. Messersmith, blacksmith, 700 E. Webb St., Pendleton, says: "Doan's Kidney Pills are my old standby. Whenever I caught cold in my kidneys it caused by back to ache and I suffered with kidney complaint. At times when I would stoop over, sharp pains would catch me in the small of my back and I would have to rise up slowly. My kidneys acted too frequently, causing me to get up many times during the night. Doan's Kidney Pills from Tallman's Drug Store quickly banished the backache and put my kidneys in good condition. I still keep Doan's on hand to use in case of necessity."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Messersmith had. Foster-Mulburn Co., Mfrs., Buffalo, N. Y.
