THREE GAMES PLANNED FOR MOOSE JAW TEAMS FOR SUNDAY PLAYING

Squad Will be Divided and One Will Play Pendleton Bucks; Milton and Athena in Line.

Three games on Sunday is the program that will be followed by Manager Nick Williams of the Moose Jaw baseball team as a part of the rigorous training the Canadians are getting in Pendleton in preparation for their season of playing.

The squad of players will be split into two groups. One group will play the Pendleton Bucks here at Round-Up park, while another team will put on a double header, the first game with Milton, and later in the afternoon they will mix with Athena.

Nick is pretty well pleased with the way his gang is working this year. The weather has been fine for training, and the grounds are in excellent shape, and both of these elements help.

By the first of next week the veteran leader will have a pretty good idea of what his final lineup is going to be like, and the probabilities are that some of the squad will be cut loose. Right now everybody is getting his share of work.

Crowds Plate

Chick Fewster, star Yankee infielder, who was hit by a bean ball last year, is crowding the plate as much as ever. Last spring at Jacksonville, Fla., Fewster was beaned by Jeff Pfeffer, Brooklyn pitcher. A piece of his skull was removed. Now just inside of his cap is a steel plate which protects the spot where the portion of skull was taken away.

Go After Rheumatism Right

First of all, rheumatism must be treated internally. The blood should be purified and the stomach and kidneys made to do their work properly.

You can get everything necessary in the complete Anti-Uric outfit. If your urine is discolored or has a bad odor, the effect of Anti-Uric Tonic will give you an early confidence in the treatment.

These three preparations contain only vegetable ingredients. All are in one generous, compact package. The price complete is \$1.50 and there is a money back guarantee with every package.
