Funeral Is Held
Rev. George L. Clark, pastor of the Presbyterian church, left today for Helix to officiate at the funeral services of Mrs. Louise Ann Metteer. Mrs. Metteer, a pioneer of this county died recently.

Bruses Lips In Fall
Young Fred Steiner Jr., bore a striking resemblance to a defeated pugilist yesterday afternoon as the

result of a fall from a swing in which he was playing. The lad's lips were bruised in the fall, and they were swollen as a result. No further injuries were suffered in the accident.

Morris Lockwood Visits
Morris Lockwood, the son of Rev. and Mrs. Alfred Lockwood, is visiting friends in Spokane. He is convalescing from a recent illness.

Fred Bennion in Stanfield
Fred Bennion, county agriculture agent, is in Stanfield today on business connected with his work.

Boys Install Fountains
A new drinking fountain at each of the grade school buildings in Pendleton is in course of being installed. The concrete and plumbing work is being done by the boys who are members of the general industrial course of the high school under the direction of Orville G. Reeves. The fountains are being placed so that they will be available to pedestrians as well as the school children.

G. A. R. Men Coming
J. T. Butler, G. A. R. department commander for Oregon, and C. A. Wil-

iams, assistant adjutant general G. A. R. will be here Monday April 25 to meet with local people in regard to plans for the annual G. A. R. encampment which is to be held here in June. A letter to this effect was received yesterday by Secretary Bary of the Commercial Association. In caring for the G. A. R. gathering, the city officials, and several committees of the association will cooperate with a view to extending fitting courtesy to the visitors.

Weather Is Warmer
The weather is warmer today, the maximum being 54. The minimum is 39. The barometer registers 29.70.

Mrs. Haynes Ill
Mrs. Charles Haynes, Red Cross secretary, is ill today. Mrs. G. E. Holt is in the Red Cross office as a substitute for Mrs. Haynes.

Office Is Entered
A box of cigars and a small amount of drugs formed the loot which some unknown thief took from the office of Dr. L. U. Temple, in the Temple building, last night. Dr. Temple says he cannot understand how entrance into the office was made as the door was locked and the screen on the transom was intact this morning when he arrived at the office.

Placed on Accredited List
The Pendleton high school has been placed on the accredited list by the Northwest association of secondary and higher schools according to a letter that has been received at the office of Supt. H. E. Inlow. This recognition for the local institution means that the standard of instruction and equipment in the Pendleton school is accepted as measuring up to the standard of the association.

Two Charges Preferred
Jane Doe Christensen and John Doe Christensen face charges of having had intoxicating liquors in their possession and of disorderly conduct according to two complaints which were entered in the police court this morning by City Attorney Harold Warner. The police found a quantity of home made beef at the Christensen home in a raid that was made Wednesday night. The charges are the result of the raid and an investigation that has been made since.

To Speak at Meeting
G. L. Ludwig, president of the Oregon Grain Growers Association, Frank McKinnon, president of the Union county Farm Bureau, and F. Avery, county agent of Union county will be present at the wheat meeting to be held in the Commercial Association rooms tonight. Fred Bennion, county agent, will tell wheat growers about the United States grain corporation, as explained at the national meeting held recently in Chicago and which Mr. Bennion attended.

Ordinance Will be Necessary
In order to change the system of naming Pendleton streets the only legal step necessary will consist in the passage of an ordinance by the city council. This ordinance if it carries the emergency clause will not be subject to a popular vote. However, should the emergency clause be not attached the plan may be put to a vote if sentiment warrants. A committee from the council is now at work on the task of trying to devise a suitable plan for renaming the streets and this committee has the co-operation of committees from the Commercial Association and the Rotary club.

Return Lost Check
A check from Harold Benjamin, principal of the Umatilla high school, to the amount of \$21 for the benefit of the China and Near East Relief fund which was lost several days ago, was recently found and turned in at the H. W. Collins office. The check was issued April 2, and the paper shows the effect of several days of sunshine. J. N. Scott, county chairman in charge of the work of collecting the money, reports that present checks of the amount secured shows that about \$9000 will be sent to the aid of stricken people from Umatilla county. A check for \$35.75 was recently received from Hazel Herr as secretary of the Etude club at Athena. The books will be held open another day or two, Mr. Scott reports, for those who have not yet made a contribution.

Musicians Elect Officers
At a meeting of the musicians of the city last night the Pendleton Local No. 273 A. F. of M. elected and installed officers for the coming year. In every case, the old men were retained in their former capacities. The officers are: J. W. Lundell, president; Charles Keen, vice-president; Carl E. Franzen, secretary, and R. W. Fletcher, treasurer. Before the election a rehearsal of the band was held which was well attended. The recent action of the Commercial Association in giving consideration to the request of the band for a series of concerts this summer by turning the matter over to a committee for consideration after members had expressed themselves as being favorably inclined to the proposition has resulted in much more interest being taken by the band members. Regular rehearsals will be held from now on, according to present plans.
