By John Lynch and Laurence Trimble Directed by Laurence Trimble

"You can't," he said. "I will," said she. And she did. But none other than Kitty McCarthy, with her Irish impertinence, could have done it.

A Sob and a Laugh—A Wholesome Romance

Mack Sennett Comedy

WEDDING BELLS OUT OF TUNE

"The Sage Hen" they called her, that being a name the old West gave to women of doubtful character. Because she lived alone with her son and held her peace, she was an object of suspicion, but had they known all, perhaps their hearts would have been moved to pity.

"The Sage Hen" is the title of Edgar Lewis' newest production for Pathé and showing at the Arcade Theatre today. It is an outdoor drama and forcefully visualizes the power of another love. The action transpires in a small Arizona town during the gold rush days.

Clayton Brockwell plays the title role, Charlene Lillian Rich and handsome Wallace MacDonald play the romantic leads. Others in important parts are Helen Case, Arthur Morrison, James Mason, Alfred Allen and three-year-old Richard Hendrick.

OLIVE THOMAS HAS PLEASING PART IN NEW SELZNICK PLAY

As Kitty McCarthy in "Darling Mine," a Selznick comedy drama which will be shown at the Alta theatre today beautiful Olive Thomas has a role that is particularly suited to her charming personality. She is seen as the little Irish lassie who brings to America her unlimited capacity for gladness and optimism, straightens out a number of tangled lives and finally, through her own personal amenities, wins for herself a real home and the happiness she is entitled to.

From the moment that Kitty leaves the ship, accompanied by her pet goat, to the final close-up where she has been discovered by her young lover among the branches of a lofty tree, there is not a dull moment in this clever picture. Miss Thomas is herself a native of the Emerald Isle and she puts into the part the spirit of the race that originated the smile.

Miss Thomas is supported by a capable cast including Walter McGrath, as leading man, John Lynch and Laurence Trimble wrote the story, and Laurence Trimble directed.

CHINA GRAIN SUPPLY THREATENED BY PLAGUE

NEW YORK, April 15.—(A. P.)—Bubonic plague, which some months ago appeared in Northern Manchuria, has crept southward until it now threatens the main grain supply of China, according to a letter received by G. D. Gold, of the Young Men's Christian Association, from Harbin, Manchuria, where Mr. Gold was stationed during the latter part of the war. Unless the plague can be checked, Mr. Gold asserts, the granary relied upon for the relief of millions of famine victims in North China will be cut off.

"The situation is rendered more serious," said Mr. Gold today, "by the fact that Manchuria is literally crowded with foreign exiles. There are not fewer than 600,000 Russians, who fled before the Bolshevik revolutionaries, 250,000 Koreans, and thousands of Chinese who formerly lived in Siberia, but who have been driven into Manchuria by the Red armies.

"Concocted efforts are being made in cities and towns along the Chinese Eastern Railway to combat the plague, hospitals being established, and the victims isolated. Efforts also are under way to fight the source of the disease—the rats that carry the germ. Thousands of persons already have died, and been given hasty burial. Strict regulations have been put in effect to prevent affected persons getting beyond Harbin, and officials at Mukden, the next big center to the South, are on the watch for the first appearance of the plague.

"If the grain supply of Manchuria is cut off, the famine victims in Shanghai, Chihli, Honan, Shensi and Shansi
