The Fordson Tractor

The Fordson is of unlimited value to the caterpillar owner, Think how practical and economical to put it to plowing out the corners, back furrowing around the fence and finishing up lands, When that is done hook onto the harrow. The Fordson does not pack the soil and will work just as well on plowed ground at harrwing, blading, discing, seeding, etc., as plowing.

Can you plow an acre an hour day after day at a cost of Fifty Cents with your horses? Can you seed F.fty Acres a day at a cost of less than 'Ten Cents an Acre?'

Think how handy they are for hauling tank wagons, gas and oil to the field and to run the power plants on your place.

If you are interested we will give you a demonstration on your farm at our expense.
