

News Notes of Pendleton

CALENDAR OF EVENTS

- May 6—County school Oratorical and Declamatory Contest, at high school auditorium.
- May 7—County school track and field meet at Round-Up Park.
- May 11, 12, 13—State Parent Teacher Association convention.
- May 21, June 1 and 2—State convention of Oregon Federation of Women's clubs.
- June 14, 15, 16—State convention of the G. A. R.
- September 23, 24—Annual Pendleton Round-Up.

work by highway districts, municipalities and road builders, and requires the services of only one man. It will be kept here during this week and then will be taken to La Grands where the mountain road will be worked and graded in an effort to throw the highway open to traffic. Only one machine has been sold on this side of the mountains, Columbia county being the purchaser. They are used extensively in the east and middle western states. Mr. Olmstead says.

Boys Scouts to March.

The Boy Scouts of Pendleton, who expect to take part in the parade during the G. A. R. state encampment to be held here June 14, 15 and 16, received their first instruction in military drill last night at the city hall. Charles Vinier gave instruction to the boys of Patrol No. 1, and the boys of Patrol No. 2 are to be instructed on Wednesday night by H. J. Kirby, scout master. At last night's meeting, Patrol No. 1 organized a baseball team which will play Patrol No. 2. It is planned also to have a tennis tournament between the members of the two patrols. Both patrols will later buy a large banner bearing the words:

"Boy Scouts of America," and will fly the standard from the window of the Boy Scout headquarters in the city hall.

Mrs. McLattin Employed

Mrs. Gladys McLattin has returned from Portland and is employed as office nurse by Dr. Fred Lieualten.

Rainfall Is 58.

The rainfall for today is 58 inches, according to the report of Major Lee Moorhouse, official weather observer. The maximum today is 62 and the minimum 43, one of the warmest nights of spring. The barometer registers 29.59.

Moonshine Stuff

Seven days in the city jail and the memory of a "jag" are all that Dan Holowell and Lon Gehert have left to remind them of a quantity of moonshine they drank last night. The police arrested them in the railroad yards where they were creating a disturbance. Judge Fitz Gerald gave them the seven days.

Clothesline Thieves

Complaint was made this morning by members of the Pete Pohl family, who live on West Court street, that clothing was taken from the clothesline in the yard some time during the night. Seven bath towels and some handkerchiefs were taken. The police are inclined to believe that Pendleton is harboring some hoboes who believe in using water and towels.

Remains in Jail

Harry McLain, arrested Saturday night at Riehl by members of the sheriff's force for alleged larceny of five sets of harness from John Planting last November, waived examination yesterday afternoon when he was taken before Justice Joe H. Parkes. Inability to furnish bond to the amount of \$500 demanded by the court resulted in McLain being remanded to the county jail.

Writes for London Press

John E. Lathrop, former city editor of the East Oregonian and well remembered by many Pendletonians is now in London. Mr. Lathrop has been in various parts of Europe and recently has written a series of articles for the Financial Times of London. He is expected to return to New York shortly. On his return to America he is to consider a lecture tour and may include Pendleton in his itinerary.

Dog Licenses Show Increase

If just catching dogs was all that worried Arthur Mason, the city's official rounder-up of canines, he wouldn't be bothered to any very great extent, he says. But it's one thing to get them, and quite another matter to keep them in the lockup. Last night ten of them dug their way to safety, and this morning he started corralling them again. The number of city licenses for dogs taken out so far this year is 195. Only 66 were paid for last year and 92 the year before.

Leaves for Hermiston

Mrs. Edith G. Van Deusen, home demonstration agent, left today for Hermiston where she will speak this afternoon at a meeting of the community club, her topic being the "Sanitary Side of the Fly Campaign." Other numbers on the club program will include a talk on flower planting by J. Pelmuder; on rose cultivation by Mrs. J. T. Hinkle; on the decorative value of vines, by Mrs. Carrell; and talks on other topics related to civic improvement by Mrs. M. D. Seroggs, Mrs. A. W. Purdy, and Mrs. H. M. Schilling.

Total Eclipse Coming

The total eclipse of the moon, scheduled for Thursday night, is the only total eclipse which will be visible this year in the western part of the United States. At 8:57 p. m., Pacific time, according to astronomical predictions, the moon will begin to enter the outer shadow of the earth but it will not begin to pass into the real shadow until 10:02 p. m. when the shadow will begin to show on the rim of the moon and will advance across the moon's face until 11:23 p. m. when the moon will be completely within the shadow and the eclipse will be total. This will continue, it is predicted, until 12:05 a. m. when the bright rim will slowly become visible on the side of the moon first eclipsed and by 1:26 a. m. the moon will have completely emerged from the shadow.

Milk Inspection Desired

Inspection of dairies, testing of cows for tuberculosis, and other matters of interest to dairymen and the public will be taken up at a meeting to be held some time this week by dairymen, with C. L. Hawley, state dairy and food commissioner, Dr. Frank Boyden, city physician, Harold Warner, city attorney, and Fred Bennett, county agent, present. Mr. Hawley will assist local dairymen in working out plans for sale of milk, comply with state regulations. It is probable that the meeting will result in a request for a city ordinance covering the wholesale and retail sale of milk in the city. Dairymen are also anxious to have the city make a ruling which will prevent the sale of stolen milk bottles. Dairymen declare that during one month dairies suffered a total loss of \$175 in milk bottles.

Miss Idleman Wins Honors.

Miss Helen Idleman of this city, the daughter of Dr. and Mrs. L. D. Idleman, made the best grades among Umatilla county students at the University of Oregon during the winter term, according to a report of the grades made at the college. She is majoring in English literature. Miss Idleman won honors also when a student of the Pendleton high school and in her senior year won the cup awarded to the best all-round student. Arthur Ruid of this city who is majoring in Journalism was second in the list announced by the University. His average being somewhat lower than Miss Idleman's. Besides Miss Idleman, the girls from this county who received the best grades were Mrs. Arta Littlejohn of Athena, a history major, Miss Vera Huvel of Pendleton, a rhetoric major and Miss Margaret Phelps of Pendleton, a music major. Besides Arthur Ruid, the Umatilla county boys making the best grades were Ralph Burgess of Pendleton and Verne Dudley, of Athena.

WOULD SHUT DOWN GAS WORKS
"Somebody has been so filled with gas for the last three years that I felt I could pretty nearly supply our town. I also had frequent pains in right side in region of the appendix. Doctors didn't help much. One day my neighbor told me about what May's Wonderful Remedy had done for him and I got a bottle of our drug. I can say that it will do all and more than you claim for it." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and always the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.—Druggists everywhere.

Wonderful Values Are Here for You
