BENNY LEONARD WOULD LIKE TO GET PIGGISH ABOUT CHAMPIONSHIPS

Lightweight, Middle, Welter Are the Three Crowns He Would Carry on His Brow.

NEW YORK, April 19.—(Henry Farrell, United Press Staff Correspondent.)—Benny Leonard wants to be three champions all at the same time.

Having fought himself clean of opponents in the lightweight class, the champion would like to annex the welter and middleweight crowns.

Since the days of Bob Fitzsimmons, two and three way champions have been unknown models, but Leonard thinks he can do it.

Then as the king of three divisions, he would retire, the greatest of all modern fighters.

Leonard is not alone in thinking that the welterweight championship is his if he ever gets a chance at it, at least in a year or so.

Jack Britton, the greatest of present day boxers, reigns the king over a class that is sadly shy of strong competition. Jack is the oldest ringman in the game and although he persistently makes that adage about "youth being served" look foolish, he can't hang on forever.

But when it comes to the middleweight class Leonard may have some elastic confidence merely on a weight proposition.

Benny works on a sliding weight scale, a welterweight normally, a light weight when he has to be. He has shown, whenever called upon the past winter, that he can make 135-pounds, but he is not too strong at that weight. If he would have been willing to meet Mike O'Dowd when he was champion because he was made for a good boxer, Leonard says, "Johnny Wilson, with his southpaw style, would be just as easy. I'm sure I could at least out-point him in a decision bout."

Outside of Rocky Kansas Leonard hasn't an opponent worth consideration in the lightweight class. Lew Tedder and Willie Jackson make exorbitant financial demands to cover their fear of the champion and Pinky Mitchell, who is coming fast, is not ready for him.

Jack Britton and Johnny Wilson are both in the game. Ted Lewis spells about all there is in the middleweight field and O'Dowd and Mike Gibbons are the only formidable middleweights.

Sets Handicaps

JUDGE WILLIAM H. SHELLEY

Judge William H. Shelley is busy figuring out the handicaps for the blue blooded horses that will run in the celebrated Kentucky Derby May 7. It's his job to do up the weights which each galloper will carry. There are 100 entries this spring. He predicts that out of this array of three-year-olds only 17 or 18 will probably start.

Regardless of the culmination of his extension of glory plans, Leonard says he wants to retire from the ring.

It isn't so much that he is tired of boxing but he wants to get away from the spotlight and avoid the demands that are made on a champion outside of the ring.

He admits that he has earned a fortune in the ring so that he can retire at any time. "I'm not as well off financially as generally considered. The fans don't know that it costs me over \$75,000 a year to live," he says.

CALIFORNIA TO MEET PRINCETON FOR BOAT RACE IN EAST JUNE 4

Preliminary Arrangements Are Made for Westerners' Trip to Measure Racing Mettle.

BERKELEY, Calif., April 19.—(A. P.)—A telegram confirming preliminary arrangements for a boat race between the University of California and Princeton University, June 4 at Princeton was received from the eastern university yesterday by Luther Nichols, graduate manager of California. The telegram, which was signed by Arnold Wood, crew manager of Princeton, said that the California party would be the guests of the Princeton Athletic Association from May 23 to June 8. The crew will go to Poughkeepsie from Princeton to participate in the big annual regatta there.

The California crew and track team will start from Berkeley May 14 in a special car. In addition the crew will have a special car in which racing machines will be placed in order that they may have daily practice. The track team, which will participate in an inter-collegiate meet at Cambridge, May 27 and 28, will go to their destination by way of Philadelphia and New York.

For Equal Jury.

MRS. JENNIE MACMILLAN

SPORT BULLETINS

SISLER KNOCKS TRIPLE

ST. LOUIS, April 19.—(A. P.)—Sisler's triple and Jacobson's single in the eighth after two men were out broke up a pitching battle between Shocker and Kerr and gave St. Louis a 3 to 2 victory in the opening contest with Chicago yesterday. Mostl's home run, following Shocker's single accounted for Chicago's runs.

MUST TRAIN HIMSELF

CHICAGO, April 19.—(A. P.)—Davis Robertson, outfielder, with the Chicago Nationals, suspended because he refused to go on the spring training trip, must go on a personally conducted training trip at his own expense before his suspension will be lifted. This was the ultimatum President Veck of the Cubs delivered to Robertson tonight after the player came from his home in Norfolk, Va., to ascertain his status. Veck told Robertson he could train for two weeks here without salary, after which his suspension would be raised. Robertson said he would advise Mr. Veck as to his intentions.

EFFECT PERMANENT PLAN FOR TWILIGHT PLAYING

The final organization meeting of representatives of the six churches of the city who will cooperate in the Twilight Baseball league in Pendleton was held last week at the Methodist church. The temporary officers, named a week ago, were made permanent. They are Mac Hoke, president, and R. C. Holmes, secretary-treasurer.

The schedule of games calls for the first contest to be held a week from this evening when the Christians and Baptists will cross bats at Round-Up park at 8 o'clock. All the games will go five innings, and admission price will be ten cents. The diners are expected to defray necessary expenses which will be incurred.

Attendance at church is one of the qualifications that players will have to meet, and every man will have to be vouched for by his captain as having attended church services at least three Sundays out of six or three consecutive Sundays. The board of managers of the league include J. N. Scott, Christian church; Carl McMillan, Baptist; Roy J. H. Seeger, Methodist; John Lamarr, Episcopal; Mac Hoke, Presbyterian; and Rev. J. M. Cornelson, Indian Mission.

The present schedule calls for a game April 26 between the Christians and the Baptists; on April 28, Christians and the Tutuilla Indians; May 2, Episcopalians and Methodists; and May 5, Presbyterians and Indians.

NEW YORK, April 19.—(A. P.)—Release of Pitcher Jack Clifford was announced last night by Manager Huggins of the New York Americans. He will go to the Vernon club of the Pacific Coast League under an optional agreement.

Affection's Fount
Wife (pleadingly): I'm afraid, Jack, you do not love me any more—anyway, not as well as you used to.
Husband: Why?
Wife: Because you always let me set up to light the fire now.
Husband: Nonsense, my love! Your getting up to light the fire makes me love you all the more—Watchman-Examiner.

Instable Birds
A new story is going around the financial district about an old Southern negro who was asked by the proprietor of a store how he happened to need credit when he'd such a good cotton crop.
"De ducks got about all dat cotton sah," was the mournful reply.
"What do you mean de ducks got it?"
"Well, you see," explained the old man, "I sent dat cotton up to Memphis an' dey deducts de freight, an' dey deducts de storage charges, an' dey deducts de commission, an' dey deducts de taxes—yes, sah, de ducks got 'bout all dat cotton an' dat's why I'm here."

SON BORN TO POLICEMAN'S WIFE
SEATTLE, Wash., April 19.—(U. P.)—Nearly every cop read it with a peculiar throb down under his star.
At the head of the night's police bulletin, it read:
"Mrs. William Angle is at Providence hospital, and is doing nicely. It's a boy."
The reason for the peculiar throb under the star is that "the boy" is the son of Patrolman William T. Angle, slain with two other policemen by the 1919 John Schmidt, who was hanged April 1.

The Fordson Tractor The Fordson is of unlimited value to the caterpillar owner. Think how practical and economical to put it to plowing out the corners, back furrowing around the fence and finishing up lands. When that is done hook onto the harrow. The Fordson does not pack the soil and will work just as well on plowed ground at harrowing, blading, discing, seeding, etc., as plowing. Can you plow an acre an hour day after day at a cost of Fifty Cents with your horses? Can you seed Fifty Acres a day at a cost of less than Ten Cents an Acre? Think how handy they are for hauling tank wagons, gas and oil to the field and to run the power plants on your place. If you are interested we will give you a demonstration on your farm at our expense. Simpson Auto Co. Phone 408 Water and Johnson Sts.

AUTOMOBILE SKIDS AND GOES OVER 30 FOOT BANK SEATTLE, April 19.—(U. P.)—Roaring into Seattle on the North Trunk highway at 75 miles an hour, a powerful automobile skidded into a ditch and somersaulted 30 feet. One passenger was killed and five were injured, two of whom will probably die. Questionnaires sent out to farmers by banks revealed that the farmers are holding fifty-one per cent of last year's cotton crop. Higher prices and that they intended to reduce acreage forty per cent this year.
