### PADDOCK WILL ATTEMPT TO LOWER OLYMPIC MARK

Southern California Man to Try to Cut Time From the 100 Meter Event.

SEATTLE, April 20.—(A. P.)—Charley Paddock, Olympia sprinter, who is representing the University of Southern California in the second annual relay carnival which will be held at the University of Washington stadium Saturday will endeavor to lower his Olympic record of 10 4-5 seconds for the 100-meter dash, as a special feature of the program, it was announced here today. He will run 100 yards against competition and will continue to the 100-meter mark against time.

Nine universities and six high schools are entered for the carnival. The University of Washington freshmen will compete with the high school team.

### THANKFUL HE WAS NOT A WOMAN

The late Lawson Tait, of England, the great woman's doctor, said he never went to bed at night without thanking heaven he was not born a woman. No doctor ever knew better than he what women have to suffer at some times of their lives. It was an American woman long since passed to her reward, who introduced a combination of roots and herbs called Lydia E. Pinkham's Vegetable Compound, that has proved wonderfully successful in mitigating suffering and relieving diseases of women. It has brought relief to thousands of women who suffered from female ills.

# FORMER PROFESSIONAL NURSE ENDORSES IT

### Graduate of Bellevue Hospital New York, Expresses Gratitude to Tanlac for Wonderful Results She Obtained.

One of the latest to add her name to the long list of Tanlac endorsements is Mrs. Lily A. Loentzen, 315 Faxon Ave., San Francisco, who, before her marriage was a trained nurse, a graduate from Bellevue Hospital, New York. Mrs. Loentzen has a host of friends and acquaintances and her statement, coming as it does from one who has had so much experience in relieving suffering will be read with wide interest.

"Twenty-six years ago," she said, "while on a visit to the country I had a severe sun stroke and was down in bed for a year and eight months after that, and had to be fed artificially all that time. As a result my stomach was left all upset, my appetite was almost gone and I suffered with awful pains and cramps. At times I just cried out, I was in such misery, and I

would bleed up so bad I could hardly stand it.

"I grew worse each year and finally was operated on. But I didn't improve, and I couldn't sleep well as I was nervous and restless and worried all the time. My back ached and ached and I often broke down completely from weakness and would have to go to bed.

"That was my condition when I began taking Tanlac a few months ago and it was one of the greatest joys of my life, as it restored my health perfectly. My appetite returned and the stomach trouble and nervousness left me and I felt splendid in every way.

"Then some time ago our house caught on fire and we were burned out, and the excitement of it all unnerved me and set me back. Knowing how well Tanlac helped me before, I started right back to taking it again and it wasn't long until I was feeling well and strong once more. I am in splendid health again and just can't tell how grateful I feel to Tanlac for all the good it has done me."

## HIGH SCHOOL NOTES

### Spelling Matches Being Held.

Members of the English classes of the school are holding old fashioned spelling matches. The two divisions of the senior English classes will meet Friday for a dual match. The 10 best spellers in each division representing their class. The best of this match will be chosen to represent the senior class in the inter-club meet to be held soon. The other classes of the school are holding elimination contests also. The words chosen are those which are most commonly misspelled in our everyday English and business. Written tests have been given to determine the average of the class and it was found that the average of the two senior classes was much over the specified average.

### Latin Classes Have Test.

Members of Mrs. Charles Bonney's Latin classes were given a standard test last week which was prepared by some University of Minnesota teachers. The classes broke very nearly in their average with that specified. Another test will be given in a short time to determine the increase in the knowledge of the words. Miss Ruth Kellen had the highest grade, making one hundred per cent on her test.
