NEW YORK, April 21.—(Harold Jacobs, U. P. Staff Correspondent.)—American shipping will be completely tied up May 1 if the owners persist in their efforts to reduce wages, Andrew Furuseth, president of the International seamen's union, declared. Furuseth, a typical "old salt," said the seamen "won't recede one inch" from their present stand and predicted that the strike would involve every union member on both coasts and the Great Lakes. The union has 110,000 members, of whom 35,000 are now idle on account of the shipping depression. Withthorpe L. Murray, president of the American steamship owners' association expressed his confidence that the seamen would come to terms before the expiration of the present wage agreement at the end of the month.

WHEAT SHOWS INCREASE IN TODAY'S MARKET

	Open	High	Low	Close
May	1.25 1/2	1.27 1/2	1.24 1/2	1.27 1/2
July	1.05 1/2	1.06 1/2	1.04	1.05 1/2

Wheat—Fluctuations were extremely erratic and market highly sensitive to conflicting news items. The start was lower followed by a sharp rally then a quick dip back on the decline in Liverpool prices and later a strong recovery at the close. Receipts in the northwest were smaller and country offerings likewise due in all probability to the fact that the strong tone of the market for the past few days had encouraged holders. All cash markets were strong and higher, crop reports mixed. Some sections of Oklahoma spotted damage likely to show up with the event of warm weather. There is only 48,000 bushels contract wheat in store here and less than 6,000,000 bushels all told in public and private elevators. We cannot see wisdom of selling futures with cash 10 to 15 cents over May and latter selling about 21 cents above July.

CHICAGO, April 21.—(A. P.)—Federal officials have received information that William D. The supreme court recently refused a new trial to Haywood and other I. W. W.'s convicted under the espionage act. District Attorney Cline said a search has been started for Haywood.

NEW YORK, April 21.—The steamship Oscar II, on which "Big Bill" Haywood is said to have fled from the country, did not carry the name of the I. W. W. leader on its passenger list, it was learned from officials of the Scandinavian-American line.

WASHINGTON, April 21.—(U. P.)—To extradite "Big Bill" Haywood from Russia will be impossible as the United States has no extradition treaty with the soviet government, it is announced. Department of justice officials admit the possibility that Haywood could have been smuggled out of the country. The state department said no passport had been issued to Haywood.

Robinson and his wife, residents of Chicago, were attacked by German women and children Tuesday as they sat in Sans Souci park following the funeral of the late empress. The Americans were rescued by Heemen and two German civilians, who surrounded them, accepting a potting of sticks, stones and umbrellas until they could escort the couple to the police station in Potsdam. Extra policemen dispersed the crowd. During the attack the rescuers could not quiet the crowd, members of which were shouting "foreigners," "French people!" Mr. Robinson was beaten about the head and shoulders and his wife received a bruised nose. Her hat was torn off, her hair pulled and she was struck by umbrellas. Potsdam police headquarters, in its statement said "the Americans were not to blame."

FOUR TOWNS TO BE INCLUDED IN NEW BASEBALL LEAGUE

Helix, Weston, Pilot Rock and Pendleton—there's the Blue Mountain league according to the dope that fills the air today following the action yesterday evening of Athens in kicking over the old bucket and knocking two stars out of the particular constellation of this ballclub that furnishes baseball light. When Athens took exception to the stand of the other members that no importation of outside players would be tolerated and decided to withdraw, talk of forming a four-town league was immediately begun, and the indications were this morning that the league is still kicking along right merrily. All four of the towns are anxious to be included in the new lineup, and information received this morning is to the effect that they will be glad to join in a schedule that will be worked out to go into effect May 1. A meeting probably will be held early next week to work out details. Pendleton fans may expect to have a game here Sunday. The Milton-Froewater team wants to come, and in view of the smashing of the league schedule, it is likely that they will be invited to come ahead.
