HELIX COMES HERE FOR GAME WITH BUCKAROOS ON SUNDAY AFTERNOON

Visitors Have Played Several Contests so Far This Year And Are in Good Fettle.

The brand new Wheat Belt league will get into the records for the first time tomorrow afternoon at 2:30 at Round-Up park when Helix comes to Pendleton to measure mettle with the Bucks.

The Pendleton aggregation is not in very good fettle for the fray due to a lack of practice during the week. More shifts are expected to be made in the lineup to accommodate the infield change on account of the return of Hanley to the game. He has been on the bench for a fortnight following an injury to his back sustained in the first game against the Moose Jaws.

Hanley will probably play third, and Olson will be shifted to the outfield. Gordon probably will be seen at the keystone bag again tomorrow. Sid Williams is expected to do the pitching for the Bucks with Duff, Kuck and Warmuth in reserve.

RUTH AND KELLY HAVE EVEN SCORE ON HOMERS

NEW YORK, April 23.—(A. P.)—The home run batting race between Babe Ruth of the New York Americans and George Kelly of the New York Nationals remained at a dead heat yesterday when each player pounded out his fourth circuit clout of the season.

Elmer Smith of Cleveland and Emil Meusel of the Philadelphia Nationals are only a step behind with three home runs to their credit while Bob Meusel, Emil's brother, of the New York Americans has two. Several other players also have made two. Ruth is far ahead of last year's schedule as he did not make his fourth home run in 1920 until May 19. Kelly's home run total for 1920 was 11. Ruth made 24.

ARREST BALL GAMBLERS
SAN FRANCISCO, April 23.—(A. P.)—Two more arrests for betting on baseball came yesterday at the Oakland-Los Angeles game.

AUTOS WILL RACE TO PIPE'S PEAK SEPT. 1

COLORADO SPRINGS, Colo., April 23.—(U. P.)—The automobile races on Pike's Peak for prizes aggregating \$4,100 will be held September 5 this year, it has been officially announced. Included in the prizes is the \$2,000 Penrose cup, donated by Spencer Penrose, Colorado Millionaire. The cup is of silver and gold and is 43 inches high. Cash prizes in addition total \$2,100.

The races this year will be over the same course as those of last year from Crystal Creek bridge to the summit of the peak, about 12 miles. The events will be held under the rules of the American Automobile Association. Entries must be made not later than August 9.

At the same time of the Pike's Peak races the Colorado Sports Carnival will be staged here. Some of the events are airplane races to Denver, after the ships have circled Pike's Peak, and a polo tournament. Crack teams from Chicago, Kansas City, Wichita Falls, Tex., and other cities will compete in the latter.

Begosh, we're goin' to keep our four bits in our jeans.

With fishing prospects poor for Sunday, there should be a good crowd out to the game in the afternoon.

Dr. Watson has called our attention to the condition of the palms of some of our friends' hands. Calloused pieces clear across the hand indicating severe labor.

No, the friends haven't been raking the lawn, or spading the garden, or beating the rugs. The cause of those hard places on the epidermis is the grand old game of golf.

Which is a clear indication that self-sacrifice is still a virtue in this country of ours.

SYMPTOMS WOMEN DREAD

Mrs. Wilson's Letter Should Be Read by All Women

Clearfield, Pa.—"After my last child was born last September I was unable to do all of my own work. I had severe pains in my left side every month and had fever and sick dizzy spells and such pains during my periods, which lasted two weeks. I heard of Lydia E. Pinkham's Vegetable Compound doing others so much good and thought I would give it a trial. I have been very glad that I did, for now I feel much stronger and do all of my work. I tell my friends when they ask me what helped me, and they think it must be a grand medicine. And it is. You can use this letter for a testimonial if you wish."—Mrs. HARRY A. WILSON, R. F. D. 5, Clearfield, Pa.

The experience and testimony of such women as Mrs. Wilson prove beyond a doubt that Lydia E. Pinkham's Vegetable Compound will correct such troubles by removing the cause and restoring the system to a healthy normal condition. When such symptoms develop as backaches, bearing-down pains, displacements, nervousness and "the blues" a woman cannot act too promptly in trying Lydia E. Pinkham's Vegetable Compound if she values her future comfort and happiness.

Some FACTS About FORD

THE UNIVERSAL CAR

Here are authentic figures from the Ford factory at Detroit. They show you just how many Ford cars and trucks have been built each month since January 1, 1921 and how many have been sold to retail customers, in the United States.

	Produced	Retail Customers
JANUARY	29,883	57,298
FEBRUARY	35,305	63,603
MARCH	61,886	87,221

Total Production 127,074 Total Retail Sales 208,022 showing that actual sales for the first three months of 1921 exceeded production by 80,958 Ford cars and trucks!

April requisitions already specify 107,719 additional cars and trucks and the estimated April output of the factory and assembly plants combined calls for only 90,000!

These facts clearly show that the demand for Ford products is growing much faster than manufacturing facilities to produce and were it not for the dealers' limited stocks, which are now being rapidly depleted, many more customers would have been compelled to wait for their cars. It will be only a matter of weeks, therefore, until a big surplus of orders will prevent anything like prompt deliveries.

If you would be sure of having your Ford car or truck when you want it, you should place your order now. Don't delay, phone us or drop us a card.

Is He Worth It?

The services of Ed Roush, highest paid player of the National League with \$15,000, are not worth \$20,000 to the Cincinnati Reds, thinks Garry Heermann. The higher figure is what Roush is holding out for.
