### START PROCEEDINGS AGAINST RECENTLY INDICTED PLAYERS

Chase Arrested in San Jose and Grandil Promises That He Will Come Voluntarily.

CHICAGO, April 26.—(A. P.)—That proceedings would be started immediately against Hal Chase, "Chic" Gandil, "Bill" Burns, "Sport" Sullivan, "Abe" Attel and others recently indicted in connection with the 1919 world's baseball series gambling scandal, who had not appeared and given bail, was announced several days ago by State's Attorney Robert Crowe.

At that time the chiefs of police in the cities where these men were supposed to be residing were asked to take them into custody. In case their refusal to return voluntarily to Chicago, it is proposed to start extradition proceedings without delay.

Arnold "Chick" Gandil, former major league infielder, has sent word to the state's attorney from Texas that he would come to Chicago voluntarily and it was stated last night that he would be given a reasonable time to appear before his arrest is ordered.

The state's attorney's office also announced that the arrest of Eddie Cicotte, former major league pitcher, and Rachael Brown, alleged gambler, also has been requested.

Chase's arrest was the first to result because of the failure of any of these implicated in the baseball scandal to appear and give bond.

SAN JOSE, Calif., April 26.—(A. P.)—Hal Chase, former major league baseball player, was arrested while leaving a local theatre yesterday afternoon. The arrest was made on an indictment by the grand jury of Cook county, Illinois, and was sent here by Robert E. Crowe, state's attorney of Illinois. The indictment charges Chase with conspiracy, in connection with the Chicago National League gambling charges. In a letter sent with the indictment Chief of Police Black was informed that bail had been set at \$1,000. It was also stated that extradition papers would be sent immediately upon the arrest of Chase. After his arrest Chase called an attorney and the latter applied to the local superior court for a writ of habeas corpus, claiming that the indictment is faulty and that Chase is illegally held. Chase was later released on bail.

### Asleep!

Carl Patton, 20, University of Illinois, co-ed, was found sleeping in a chair on the sun porch of a Waukegan (Ill.) residence. She had disappeared from the university two weeks ago.

### SPORT BULLETINS

**NEW YORK LOSES**  
BROOKLYN, April 26.—(A. P.)—The Brooklyn champions defeated New York in the opening of their four-game series. Reuther pitched great ball and was given remarkable support, which included three fast double plays. Neft was batted out in the third.

**BOSTON BRAVES LOST**  
PHILADELPHIA, April 26.—(A. P.)—Lebourveau's single in the eighth, scoring Wrightstone and R. Miller, gave Philadelphia the first game of the series with Boston. Until this hit the Braves led, 5 to 4. Meusel knocked in his fourth home run of the season in the second inning.

**WON IN 16 INNINGS.**  
ST. LOUIS, April 26.—(A. P.)—Pittsburg finished fast and aided by errors by Hornsby and Fournier, defeated St. Louis, in 16 innings in the opening game of the series. Tierney's single in the ninth with one out started the visitors towards the tying run and his single in the 16th drove in Cutchaw with the run that proved the winner.

### CARPENTIER WILL CONDUCT TRAINING AWAY FROM PUBLIC

Most of Georges Work Will Be Done Where Eyes of Fans Can Not Be Witness.

NEW YORK, April 26.—(A. P.)—With definite selection yesterday of "Boyle's thirty acres" adjoining Montgomery park in Jersey City, as the site of the arena for the Dempsey-Carpentier heavyweight championship bout July 2, training plans for the contestants last night were being laid accordingly.

It is generally understood that the champion will select Atlantic City, while the Frenchman will train on Long Island, probably at Manhasset.

According to present indications, Carpentier's training will be conducted along much more secret lines than Dempsey's. Those in close touch with Carpentier's representatives in this country, state that his manager, Francois Descamps, plans to have him follow much the same line of training adopted when in England preparing for his bouts with Beckett and Wells.

Little of Carpentier's training will be done in public. Daily boxing matches with his sparring partners may also be staged for the benefit of the newspaper reporters assigned to cover the training of Carpentier, but serious preparation will be conducted behind closed doors if present plans are followed.

So far as is known, Dempsey will not follow any such training campaign. Wherever his camp is located the public will be admitted to witness the training at a nominal charge as has always been his custom.

### MAYS HAD POOR SUPPORT.

NEW YORK, April 26.—(A. P.)—(A. P.)—Spendid pitching by Carl Mays was offset by wretched support and Washington defeated New York in the first game of the series. Ruth made his fifth home run of the season against the roof of the rightfield stands in the first inning.

### SPEAKER OUTGUESSED COBB.

CLEVELAND, April 26.—(A. P.)—Cleveland defeated Detroit, 5 to 3. Manager Cobb tried to outguess Tris Speaker by starting Sutherland, a right-handed pitcher causing Speaker to use left hand batting shift. After Sutherland pitched to one batter, Cobb replaced him with Oldham, a left-hander, whereupon Speaker substituted his right-hitters. After the shift Cobb sent in Middleton, a right-handed pitcher, but the game was already won.

### NO RANK DISTINCTION WILL BE MADE IN SOLDIERS' GRAVES

No Special Monuments Will be Permitted; All Died in Performance of Their Duty.

PARIS, April 26.—(A. P.)—No distinctions of rank will be made in marking the graves of American soldiers who died in France, says Charles S. Pierce, chairman of the American commission, which has arrived here to prepare plans for beautifying the four military cemeteries where the bodies of all the American fighters are to be gathered.

"We shall try to make these cemeteries memorials of which all Americans will be proud," said Colonel "Cecce." "Early in the discussions we decided that regardless of rank and position each grave should be treated in the same manner and given equal attention. The only variations permitted will be in the uniform headstones. On the top of these headstones may inscribe any religious emblem they wish so long as it does not interfere with the uniformity of the stones.

"No special monuments will be permitted. All the Americans died in the performance of their duty and no matter how heroic individuals may have been, the feeling of the nation seems to be that all should be accorded the same honor.

"It is impossible to say now just what form the beautification will take but money will not be spared in making the cemeteries the most imposing in the world. Congress has appropriated \$1,000,000 as a preliminary sum for the work with a promise of more. It is probable that \$2,000,000 will be expended.

"The task of removing the dead will be completed by the end of October. The bodies of these soldiers who are to rest permanently in France will then be concentrated in the four cemeteries. This work together with the development work we intend to do, probably will take one year more."

"The commission which is an advisory body to the secretary of war and quartermaster-general of the United States army, is now making surveys of the American cemeteries. Later the commission will formulate plans for a permanent cemetery for American soldiers in London."

The Paris Chamber of Commerce will conduct courses in Esperanto in the schools which it controls.

With the recent death of James Jones, aged negro employe in the Senate office building, the whereabouts of the official seal of the Controversy, an unresolved mystery for half a century, probably will never remain unknown. Serving as Jefferson Davis's servant when the Confederate official was captured, Jones buried the seal before the Federal authorities could obtain it.

### In Ye Olden Time

hoop skirts were worn by these who first asked the druggist for, and insisted on having the genuine Favorite Prescription put up by Doctor

Pierce over fifty years ago. Dress has changed very much since then! But Dr. Pierce's medicines contain the same dependable ingredients. They stand today just as they were fifty years ago and never contained alcohol.

Beauty depends upon health. Worry, sleepless nights, headaches, pains, disorders, irregularities and weakness of a distinctly feminine character in a short time bring the dull eye, the "crow's feet," the haggard look, drooping shoulders, and the faltering step.

To retain the appearance of youth you must retain health. Instead of lotions, powders and paints, ask your druggist for Dr. Pierce's Favorite Prescription.

EAST OAKLAND, CAL.—"I have used Dr. Pierce's Favorite Prescription at different times for over twenty-five years, and it has never failed me. One time I took it when troubled with inflammation and it soon helped me. At another time I took it for severe pains in my right side; the 'Favorite Prescription' again helped me out, and I was soon well and strong. I can always depend upon it."—Mrs. A. E. LAWRENCE, 1211 Fifteenth Avenue.

### Some FACTS About FORD

THE UNIVERSAL CAR

Here are authentic figures from the Ford factory at Detroit. They show you just how many Ford cars and trucks have been built each month since January 1, 1921 and how many have been sold to retail customers in the United States.

Month	Produced	Delivered to Retail Customers
JANUARY	29,887	27,298
FEBRUARY	25,305	23,502
MARCH	61,884	61,221

Total Production 127,074 Total Retail Sales 208,022 showing that actual sales for the first three months of 1921 exceeded production by 80,958 Ford cars and trucks!

April requisitions already specify 107,719 additional cars and trucks and the estimated April output of the factory and assembly plants combined calls for only 30,000!

These facts clearly show that the demand for Ford products is growing much faster than manufacturing facilities to produce and were it not for the dealers' limited stocks, which are now being rapidly depleted, many more customers would have been compelled to wait for their cars. It will be only a matter of weeks, therefore, until a big surplus of orders will prevent anything like prompt deliveries.

If you would be sure of having your Ford car or truck when you want it, you should place your order now. Don't delay, phone us or drop us a card.
