PENDLETON'S GREATEST DEPARTMENT STORE

WHERE IT PAYS TO TRADE

It will pay you to visit our "Sewing Week" special every day.

NEWS OF FARM AND RANGE

Stock Shipments.—Four cars of cattle were shipped Saturday to Seattle by Hiestand Moore and F. W. Andrews took three cars to the same market. Joe Ramos shipped a car of cattle. Del Ward, who has been feeding on the Otis McCarty ranch, sent out two cars, and Joseph Cudha shipped two cars of cattle and two of sheep. All of these shipments were made Saturday night. The shippers are Echo men.

Guernseys Arrive.—After traveling more than 9000 miles by sea and land, hides, and the local holders might as

well hold for that profit as to sell for about a cent a pound net.

Sulphur Treatment.—Sulphur as a fertilizer for alfalfa has been tried out on a small scale in Umatilla county with good results, and reports from Klamath county show even a better percentage of increase in yield where it is used.

In that county the average increase during 1920, as a result of using sulphur, is given by the government observers at 144 per cent. On 27 fields the increase accrued from 13.5 to 52.5 per cent, some of the more noticeable increases being on older fields where the yield without sulphur, has been decreasing for years.

These figures were obtained by careful surveys in un sulphured and in sulphured areas. In general, the larger increases were noted on lighter soils,

and there was a noticeable difference in the size and number of leaves on the sulphured hay in comparison with that not treated.

The expense of sulphuring an acre of alfalfa should not exceed \$3.50, including the cost of the sulphur. While sulphur is admitted to be valuable as a fertilizer, it is apparently so only in certain restricted areas and on certain soils. In the Meadows district it has been proved by Harry Rogers and others, to make a great increase in the crop, and it is probable that its use in the light soils and alkali lands of this neighborhood will increase the production of alfalfa materially.

Officials of the Pennsylvania railroad have instructed their employees to notify passengers of any serious delays to trains, the cause, probable length of time of interruption and when service will be resumed.

HOLDMAN MATRON IS VISITING IN PENDLETON

(East Oregonian Special.)

HELDMAN, April 27.—The baptismal services at Cold Springs Landing last Sunday were well attended. There were thirteen baptisms.

The party given at Fred Hansen's last Saturday night, complimenting Miss Vera Martin of Drummond, Idaho, was enjoyed by all present. Various games were played and refreshments were served.

Mrs. Jane Brown, who has been visiting her son, William Brown of Juniper, has returned to her home at J. Kimball.

Erskine Lahue has rented the E. C. McCook place near Holdman.

Robert Worley has gone to his place in Washington.

The Ladies' Aid dinner at Holdman was a success as there were lots of good eats and a good time was had by all present.

Mrs. Goff of Ritter is visiting his sons Jesse and Lester of Holdman.

Fred Hansen and family and Mrs. Winnie Marion attended the ball game at Echo last Sunday, between Echo and Stanfield. Stanfield lost to Echo.

Mrs. Jesse Goff is on the sick list.

Mrs. Boucher of Strand's ranch, spent the week-end in Pendleton visiting her son Paul, who is attending high school.

Mrs. Gertrude Strand is spending a few days at the ranch.

WORTHY GRAND VISITS.

Mrs. Ida Umbach, worthy grand matron of the Eastern Star, visited the local chapter last night. The work was exemplified for Mrs. Umbach's inspection, and about 160 lodge members were present, including visitors from Helix, Hermiston and other neighboring cities.

A social hour was enjoyed later and refreshments were served, the table being centered with a Maypole, about which dainty figures danced. Decorations were wild flowers and apple blossoms.

Strength comes from well digested and thoroughly assimilated food. Hood's Sarsaparilla tones the digestive organs, and thus builds up the strength. If you are getting "run down," begin taking Hood's at once. It gives nerve, mental and digestive strength.
