Harry Hiraiwa, Japanese who is employed at the S. B. Thompson home, is acting as interpreter during the trial of Shibusaba, Japanese-Hawaiian who is charged with the first degree murder of M. Okamoto. Hiraiwa is very intelligent and during his spare time is studying law in the hope of some day being admitted to the bar. He finds the trial interesting as it gives him an opportunity to study the circuit court of the United States.

J. B. Herr, cashier of the Athena State Bank, and O. E. Reeder, president of the same institution, were in Pendleton today on business.

Marion Evans, prominent attorney of Walla Walla, was here today taking care of business matters.

F. M. Collier went to Holdman this morning where he transacted legal business.

Earl R. Sanders, a Baker man, was in Pendleton today on business.

Mrs. L. W. Drumsmith of La Grande was here yesterday.

When oak is buried in water or in wet sand it will last for centuries. Oak piles under bridges constructed by the Romans two thousand years ago have been found to be as sound as when they were first placed in position.

**Sue On Account.**  
Bills aggregating \$276.55 are the basis of a suit brought by L. B. Neil and C. C. Barker against R. M. Walker, who seek to recover that amount which is alleged to be due for materials and services rendered. W. J. Warner is the attorney for the plaintiffs.

**Cupid Loses Out.**  
A little investigation made today by Cyril Froebel, deputy county clerk, shows that since April 18 there have been more suits brought for divorce than there have been marriage licenses issued. During the nine week days six suits for divorce have been brought in circuit court and only five marriage licenses have been applied for.

## "Here's Real Tobacco" says the Good Judge

That gives a man more genuine chewing satisfaction than he ever got out of the ordinary kind. Smaller chew, lasts longer—so it costs less to chew this class of tobacco.

And the good, rich tobacco taste gives a world of satisfaction. Any man who uses the Real Tobacco Chew will tell you that.

accusations against her name, Beulah May Rush has instituted actions for a divorce from Ralph D. Rush. It is set forth that the couple married at Salem April 3, 1911 and there are two minor children. The plaintiff seeks custody of the children and \$50 a month as alimony. Peterson, Bishop and Clark are the plaintiff's attorneys.

**Attorneys Present Arguments.**  
It is expected that the jury that has heard the testimony in the Schibato murder trial will be given the case for deliberation by this evening. The taking of all testimony was concluded today at noon and with the resumption of court this afternoon attorneys began making their arguments. The defense in the case has been based on the theory that the Jap was temporarily maddened with drugs given him in drinks when he made the attack against Okamoto. The state has attempted to show that the crime was committed with robbery as the motive. The state's case has been handled by R. I. Keator, district attorney, and his deputy, C. Z. Randall, and the Jap is defended by Fred Steiwer and Harold Warner.

**SPEED LIMIT SIGNS ARE PLACED ALONG HIGHWAY**  
(East Oregonian Special.)  
ECHO, April 27.—The man who made an unsuccessful attack on a 12-year-old Echo school girl about two weeks ago was found here Monday and identified by the girl. He was arrested immediately and placed in the city jail that afternoon. He gave his name as being Emory Zang. In his trial before Justice Cray's court Tuesday Morning he was again identified as the man and bound over to the grand jury. Sheriff Houser took him to Pendleton Tuesday noon where he will be held in the county jail awaiting the findings of the jury. During the trial in Justice court he feigned deafness and according to all indications it is thought that he is demented. He is a Russian but can speak some English and is about thirty years of age.

**Going to London**  
When Ambassador George Harvey goes to England to represent Uncle Sam, his granddaughter, Dorothy Thompson, is going to visit him and may remain and go to school over there.

Mrs. Ralph Singer and children who have been visiting for the past two weeks at the home of Alex Malcolm, left Sunday for their home in Watsburg.

W. H. Hill and brother R. C. Hill, left Echo for Portland on their way to Vancouver this morning. The Hill brothers are the men who fortunately escaped injury in a car wrecked on the highway Saturday morning.

The people of Echo were very excited Monday evening about 6:30 when the fire bell rang loudly for the first time in many months. A large number of people rushed to the Echo Tire Shop from whence columns of smoke

**Proper Treatment For Whooping Cough.**  
As is of interest to all and especially to the parents of young children to know what is best to be done for whooping cough. Mrs. Walter Deall, Patonsburg, Mo., relates her experience. "A few years ago our children had whooping cough and the only medicine we gave them was Chamberlain's Cough Remedy. It kept their coughs loose and expectoration easy. They were not sick very long and had a light attack of it. I give credit for their speedy cure to this medicine."  
**Chamberlain's Liniment**  
This is a massage liniment, especially valuable for the relief of rheumatic pains and soreness of the muscles. Mr. E. C. Dodds, Whitesboro, N. Y., writes: "The splendid results I and other members of my family have received by the use of Chamberlain's Liniment, warrant my endorsing it in the highest terms."  
**Only Makes a Bad Matter Worse**  
Perhaps you have never thought of it, but the fact must be apparent, to every one, that constipation is caused by lack of water in the system and the use of drastic cathartics, like the old-fashioned cathartic and liver pills, make a bad matter worse, as they take too much water out of the system. Chamberlain's Tablets are much more mild and gentle in effect and when the proper dose is taken, their action is so natural that one can hardly realize that it is the effect of a medicine.  
**Good Advice to the Bilious**  
Those who are bilious, dyspeptic and constipated feel miserably a good share of the time. They would soon feel fine and enjoy their meals if they would take a few doses of Chamberlain's Tablets to strengthen their digestion and regulate the liver and bowels.
