CONVENTIONS INTEREST WOMEN

The interest of Pendleton club women is centering just now on the State Parent Teacher Association convention, May 11, 12 and 13, and the state convention of the Oregon Federation of Women's Clubs, May 21, June 1, 2 and 3, both of which will be held in the city.

Mrs. C. W. Hayhurst, state president of the state P. T. A., will preside and Mrs. David O. Meays, of Cambridge, Massachusetts, a national vice president, will be honor guest. Mrs. Meays, who is now in San Francisco, responded to an invitation to attend the convention and Oregon members are much gratified that she will be present.

Mrs. Arthur Varney of Yakima, Washington, president of the Washington Parent Teacher Association, and a large delegation of Washington women are planning to attend the Oregon convention and at its close many

of the Oregon women will go over to Washington for their state convention, which will also have Mrs. Meays as an honor guest and speaker.

The convention of the Federation Clubs here will mark the twenty-first annual meeting of the federation. The state president, Mrs. Ida R. Callahan, will preside, and the distinguished officer and guest will be Mrs. Thomas G. Winter of Minneapolis, Minn., president of the general federation, an organization of all the clubs of the United States, representing twenty million women.

Represented on the program committee are: Publicity department, Pendleton clubs, the Portland Grade Teachers' association, the Portland clubwomen, Council of Jewish Women and the state board. Among the program features for the federation convention will be an address by Mrs. Ida R. Callahan, state president; an address by Mrs. Winter, splendid music by Pendleton musicians and by the

Oregon Agricultural college music department, an address by Miss Elmore Thomson of the University of Oregon, a talk on practical work for the clubs along legislative lines by Mrs. Alexander Thompson, a talk by Miss Cornelia Marvin, state librarian, and other attractive numbers.

The women of Athena have planned to entertain the delegates at luncheon and the women of Stanford will be hostesses June 2. The officers are adding that a large delegation of clubwomen of the state attend the convention. New officers are to be elected at the close of the sessions.

BETHROTHAL IS ANNOUNCED
The betrothal of Miss Elizabeth Smith, daughter of Mr. and Mrs. E. L. Smith of this city, and Dr. John Harold Fitzgibbon of Portland, was made known on Saturday afternoon when twenty-four of Miss Smith's friends were guests at a bridge party for which Mrs. Smith was hostess at the Smith home.

Miss Smith is a girl of unusually winning personality and charm, has a host of friends in Pendleton. She attended Goucher College and University of Oregon, and is a member of Gamma Phi Beta society. Later she was graduated from the National Kindergarten school in Chicago and for the past two terms has taught the kindergarten school in Pendleton. Dr. Fitzgibbon began his medical training in the pre-medicine department of the University of Oregon and is a member of Beta Theta Pi. During the war he was a member of the medical corps and received his degree at Rush Medical school in Chicago and is now an interne in the Presbyterian Hospital in that city. The date for the wedding has not yet been set.

Cards which announced the engagement were concealed in tiny May baskets containing old-fashioned nosegays of dainty spring flowers, tied with bows of tulle in pastel shades. Lovely clusters of roses and lilacs were used in decorating the rooms. During the hours at bridge, high scores was won by Miss Laura Jerard.

Assisting the hostess in serving were Miss Smith, Mrs. Thomas Vaughan and Mrs. Charles H. Marsh.

MISS THOMPSON MAKES RECORD
Of interest to the Pendleton friends of Miss Helen Thompson, daughter of Thomas Thompson of this city, is the following from the Oregon Journal-University of Washington, Seattle, April 29.—Miss Helen Thompson of Pendleton, Or., is rapidly coming into prominence in shooting contests here in a recent match held on the Fox Larson range she made a score of 83 out of a possible 100, placing eighth in a field of more than 25 marksmen, all of the others being boys.

Major W. D. Frazer of the University military department, says, "The shooting of Miss Thompson is quite remarkable. She has been taking the course in small arms offered by the military department, and with much less experience than many of the men regularly outshooting members of the University rifle team."

MAY DAY PARTY
Mrs. J. L. House was hostess on Saturday for a May Day party in honor of her little daughter, Twilla House, who celebrated her seventh birthday. Dainty May baskets filled with flowers were attractive favors, and a feature of the afternoon was a large white birthday cake decorated in pink candies.

Girl's Frock

French blue and white linen are combined for this entrancing frock for the little lady—and the mode is really quite like mother's, you'll notice, with its loose and fat round neck. The cording at the edge of the smart small blouse is a new note.

MASTER PLUMBERS TO HOLD STATE MEETING

PORTLAND, May 2.—(A. P.)—The twentieth annual convention of the Oregon State Association of Master Plumbers will be held in Portland May 29 and 31.

Opening ceremonies will be held at 10 a. m. Friday, May 29. Mayor Baker will deliver the address of welcome and William T. Finnigan will respond. At 1:30 p. m. the visiting women will be taken on an automobile tour of the city and at 2 p. m. the first business session will be held. Harry L. At 10 a. m. Saturday May 31, an address will be given by J. C. Greenberg, field representative of the trade extension bureau. The convention will close with a banquet to delegates and wives at 6 p. m. A picnic at Eagle creek is planned for Sunday, May 22.

The state association has launched a movement to get the 43rd annual convention of the national association of Master Plumbers at Portland in 1925.

This is a rheumatism of the muscles of the back. It comes on suddenly and is quite painful. Every movement aggravates the disease. Go to bed, keep quiet and have Chamberlain's Liniment applied and a quick recovery may be expected. Mrs. F. J. Dann, Brockport, N. Y., writes: "I can honestly say that Chamberlain's Liniment cured me of lumbago a year ago last summer. When I began using it, I was flat on my back in bed and could not turn to the left or right. I had a bottle of Chamberlain's Liniment in the house and this was applied to my back. It promptly drove away the pains and aches."

Whooping Cough
This is a very dangerous disease, particularly to children under five years of age, but when no paregoric, opium or other opiate is given, is easily cured by giving Chamberlain's Cough Remedy. Most people believe that it must run its course, not knowing that the time is very much shortened, and that there is little danger from the disease when this remedy is given. It has been used in many epidemics of whooping cough, with pronounced success. It is safe and pleasant to take.

MOTION PICTURE NEWS

ARCADE TODAY

Helene Chadwick, one of the most attractive girls appearing before the screen, returning from the island of Catalina, tells a thrilling story of a gigantic fish which she caught. No one believed her! The Goldwyn leading woman had been spending several weeks abroad during the filming of "Godless Men," a Reginald Barker Production with an all-star cast, one of the most gripping sea tales ever put on the screen.

Miss Chadwick, prior to this picture had been known only as the beautiful lady, all "dolled up" in silks and furs and French heeled shoes. But to prove her story she brought back a picture which told the whole tale. The fish was five feet long, one of the biggest taken in that vicinity in many months. "Godless Men" will be shown at the Arcade Theatre for the last time today.

ARCADE SUNDAY AND MONDAY

HERO OF "HALF A CHANCE" ONE IN A THOUSAND
If Mahlon Hamilton had not been six feet tall with a chest expansion to brag about and hardened, developed, well-trained muscle, he never would have been cast for the role of "Sailor" Burke, the rugged, two-fisted hero of "Half a Chance."

On the other hand, if he were not a gentleman of culture and refinement he would not have been cast for the same role, for "Sailor" Burke, ex-

prize fighter and derelict of the Barbary Coast, convicted on a frame-up a murderer, by sheer grit, brute force, determination and will power, bent his way to the top of the social ladder.

"Half a Chance," at the Arcade Theatre Sunday is said to be the seasons' most gripping and powerful drama. It is a Robert Thornby special produced by Jesse D. Hampton for Pathé from the most popular novel of Frederic S. Isham.

ALTA SUNDAY AND MONDAY

BEBE DANIELS SEEN IN DASHING NEW COMEDY

Here she is again! The good-little-bad girl, or more properly speaking, Bebe Daniels, the Realist star who scored such a success in "You Never Can Tell" and "Oh Lady, Lady," has completed a third starring picture, "She Couldn't Help It."

Those who know the play and the story "In the Bishop's Carriage," from which this photoplay was adapted, feel that this is the best opportunity the star has yet had to display the great possibilities of the type she has made so essentially her own. Nancy Golden is a little orphan girl, adopted by crooks and taught to be a clever pickpocket. She doesn't know the difference between right and wrong until a chance encounter "in the Bishop's Carriage" opens up to her a new world of romance and reformation. There are many comedy opportunities, especially when Nancy, afraid of the police, resorts to calling the bishop "father," pretending that she is a school girl who has become mentally unbalanced through over-study. The story is well put together and carries the beholder breathlessly through a series of very entertaining complications. Humor, pathos and drama are blended to form an ideal entertainment.
