One pair of eyes and one pair of ears are, of necessity, sufficient for 131 bi-eyes, 12 1/2 year old Indian, and his wife, for she is deaf but can see while he cannot see but can hear. The two, who are Walla Walla Indians and who reside in Thorn Hollow, are in Pendleton today for one of their rare visits. The wife is about 20 years younger than her husband, and the hand of Time seems to have dealt gently with both for they are in excellent health.

Hearing Set Forward.

May 17 at 1 o'clock in the afternoon was the time and date set for hearing the case. The reason given for the desire for an extension was the injury of Attorney Boim, who represents the defendants.

Condition Is Serious.
T. Jackson, colored, who was injured yesterday morning when he lost control of the bicycle he was riding and collided with a moving truck belonging to the Service Transfer Co., at the corner of Jackson and Main, is reported to be in a critical condition at the hospital where he was taken shortly after the accident. Eye witnesses declare he lost control of the wheel and struck the back end of the truck.

Department Makes Quick Run.
A blaze caused by a defective chimney caused the fire department to make a run this morning to the McMaster apartment house on the corner of Bluff and Main streets. The fire was extinguished with a damage that is estimated at \$25 to the house. Water was used only on top of the roof, the flames underneath being extinguished by use of chemicals and this action prevented a loss by water, which in small fires is usually a great deal heavier than the actual fire loss. The department was on the scene in record time.

J. T. Hinkle, Hermiston attorney, was here today where he appeared before the county court in the interest of the formation of a new drainage district in the upper end of the valley above Stanfield above the present district. For Middle-Aged Men and Women
It isn't always on coming old age that causes men and women in the middle years of life to slow up and feel a loss of ambition and energy. Weak or disordered kidneys do not filter waste matter and impurities out of the blood as they should, and back-ache, tired feeling, lameness, stiff joints, sore muscles, rheumatic pains, biliousness, irritation of the bladder, puffiness under the eyes or other symptom or ailment appears.

THEY ARE GREATLY BENEFITED
"I feel so much better than I did before I got Foley's Kidney Pills. They are fine and you may use my name in your advertisement, I am glad to help you, as your medicine helped me greatly. I truly hope some one else who needs it will get some of your medicine. Your Kidney Pills are wonderful, I cannot thank you enough for them." Laura Perry, 1540 Twiggs St., Augusta, Ga.

FOLEY KIDNEY PILLS
strengthen the kidneys, stimulate the bladder and tone up the liver. They help the kidneys remove the accumulated poisons and soothe and heal the passages. When the kidneys and urinary tract are doing their work perfectly, the whole system is benefited and restored to health and strength. Why suffer when a reliable remedy can be so easily had?

STILL ANOTHER NURSE RECOMMENDS TANLAC

Oregon Woman Testifies to Powers of This Medicine—Overcame Sufferings of Six Years' Standing and She Gained Forty Pounds.

"Although it has been almost two years since Tanlac has relieved me of my troubles and built me up wonderfully, I still feel fine and can testify to both the immediate and lasting results of medicine," declared Mrs. J. E. Meikle, 903 Francis avenue, Portland, Ore., a trained nurse of considerable experience.

"For six or seven years I suffered terribly from stomach trouble and rheumatism. After eating I would have heartburn so bad that I could hardly stand it, and the gas in my stomach caused awful pains. I under-

went an operation for appendicitis that left me in such a badly run-down condition it looked like I would never regain my strength.

"Inflammatory rheumatism set in and my arms and joints ached dreadfully. In fact my hands had to be kept in splints for about six weeks to keep from becoming distorted and growing out of shape. My nerves were terribly upset, and at night I was so restless I could scarcely sleep.

"After taking seven bottles of Tanlac I had actually gained forty pounds in weight and was enjoying my usual good health. The rheumatism left me entirely, my stomach never troubles me and my sleep is sound and refreshing. I can certainly vouch for the merits of Tanlac, and a number of people have experienced the benefits through my recommendation."

Penny, Fred Fulton, James P. Lane, Inland Irrigation Co., and others.
