The judge assessed a fine of \$15. Chief Roberts started to lead the prisoner back to jail, but the dusky brave granted, went through his pockets, and produced good money. When it was counted, the total was found to be just \$15. Judge FitzGerald merely smiled and put the money in the strong box. He's been guessing pocket contents for quite a while, and this morning's episode gave proof of his unquestioned ability.

Entertain Flying Squadron.
Members of the flying squadron who will arrive in Pendleton this afternoon for the meeting, which is to be held this evening at the county library club room, will be entertained at dinner this evening at 6:30 at the Hotel Pendleton. The dinner will present an opportunity for an informal exchange of views of several matters in which the state and local members are mutually interested. The meeting will be held at 8 o'clock this evening. Besides the presentation of victory medals which will be given to ex-army men who were in the service during the war, talks on the service men's bonus measure will be discussed.

Judge X-rays Pockets
Anyone appearing before Judge Thomas FitzGerald on a charge in the future should take advantage of a discovery that was made this morning when Charles Bennett Sr. was halted before his Honor with drunkenness and disorderly conduct chalked up against him. After Chief A. A. Roberts told the court about the way Bennett has fought the officers last night.

Score Card Suggested.
At the request of the Pendleton Women's Club, Mrs. Edith G. Van Deusen has suggested a score card for use in judging bread at the meeting of the Pendleton Women's Club today. The score allows 10 points each for crust, shape and smoothness. Thirty points are allowed for the crumb, five for color, 15 for texture, 10 for elasticity, 20 for flavor and 10 for keeping qualities.

Install Marble Base.
An improvement for their candy case was installed today by the Charles Co. in the form of a new marble base. The improvement is in line with the recently announced policy of the store to enlarge and improve the candy side of the business with the addition of the full line of candies manufactured by the Walla Walla candy plant which the members of the firm recently purchased.

Labor Meeting Friday
Consideration of problems that confront laboring men will be discussed Friday at a meeting to be held at the labor temple when laborers not organized will be special guests. Decision to hold the meeting was reached last night at the regular weekly meeting of the labor council. Several talks are on the program, and an informal discussion will probably be held in which the meeting will be thrown open.

His Hip Pocket

Yes, that is exactly where he put it. Rather a queer place for a fellow to put a new piece of jewelry, eh?

But then men and women differ as to a place of safety. He realizes he has some wonderful value. It was up to him to find a place of safe keeping.

SAFETY FIRST! Now fellow townsmen, you have the same opportunity to take advantage of the reduced prices in our high grade Watches, Diamonds, Jewelry, Silverware, etc. All we ask is for you to come in and let us show you the wonderful values.

Mrs. Wyckhoff Dies
Mrs. S. W. Wyckhoff, of Toppensh, Washington, at one time a resident of Pendleton, and a daughter of Mrs. S. P. Hutchinson of this city, died yesterday at St. Anthony's hospital. She was 40 years of age and was born at Fort Scott, Kansas. She is survived by a daughter, Florence, and two sons, Bryan and Ralph, the latter being in the navy and stationed at Norfolk, Virginia. She is survived also by a brother, Everett Folk and a sister, Mrs. T. O. Yates, of Stanfield.

Variety in Signs.
An ordinance to make it legal for business houses to use more than the one kind of display street signs now legal will be passed by the city council soon as a result of a discussion held last night at the regular meeting. The present ordinance provides that all letters shall be composed of electric light bulbs. Merchants want more variety in their signs, and the new measure will make other styles legal in Pendleton.

SCHOOLS OF COUNTY HOLD TWO IMPORTANT EVENTS THIS WEEK END

Oratorical Contest Will be Held Friday Night and Track Meet Staged Saturday.

The cream of Umatilla county's talent from the schools in declamation, oratory and track athletics will compete for honors in two of the big affairs of the school year which are to be held here Friday night and Saturday afternoon.

The declamatory and oratorical contest will be held at the high school Friday evening, beginning promptly at 7:30 o'clock. The track meet will be staged at Round-Up park and will start at 1:30 Saturday afternoon.

The same ticket will admit to both affairs, and the cost to adults for the joint ticket will be fifty cents, with twenty-five cents as the charge for children. The tickets will be punched at the door at the contest Friday evening and they will be taken up at the gate Saturday afternoon.

Band Concert Feature

The contest Friday evening will include more speakers than have appeared in any former affair of this nature. The contestants have had to fight several times for the honor of representing their schools in the county contest, several eliminations already having been held, and the competition promises to be keen. A band concert in charge of A. W. Lundell will precede the evening program, and at its conclusion at 8 o'clock the Division D speakers will compete.

A break will occur at the conclusion of the offerings of this division, and several songs will be sung by third grade pupils of the Lincoln school, which will be followed by the appearance of the Division C contestants. Another musical offering in the form of two songs, "Chorus of Pilgrims," by Verdi, and "Rolling Down the Rio," by Edward Germain will be given by the boys of the sixth and seventh grades of the Hawthorne school.

Following the Division B speakers a song, "I've Got a Pain in My Sawdust," will be given by the girls of the fifth and sixth grades of the Washington school. The Division A speakers will then appear, and following will come the decisions of the judges, all of whom have been chosen from the faculty of the Walla Walla high school.

Big Track Meet

Thirteen events will be staged at the track meet and the number of entries assures the making of high records to secure coveted honors. In the grades there are 246 entries, and the number in the high school division will probably reach 75. According to the rules, no more than two contestants from the same school can compete in any one event.

Special police will be on duty to see that the circle is not invaded by any

one except contestants and officials.

The officials for the meet have been announced as follows:
Referee, Fred Bennett.
Clerk of course, Guy Johnson with Eva Hansen, Sanford Shrist, O. C. Halley, Howard Drew and L. Macken as assistants.
Starter, James Johns.
