OFFICERS RE-ELECTED.

Mrs. E. T. Wade was elected president of the Pendleton Woman's club at a meeting yesterday afternoon in the library club room. Other officers chosen were Mrs. J. T. Richardson, first vice president; Mrs. James Johns, second vice president; Mrs. L. L. Rogers, recording secretary; Mrs. E. A. Aldrich, corresponding secretary; Mrs. J. T. Perry, treasurer; Mrs. Joe Cox and Miss Barbara Vloch, auditors.

With the exception of the first vice president, all officers were re-elected for a new term. Mrs. A. J. Owen for first vice president, was re-nominated but declined.

Of great interest during the afternoon was the scoring of seven loaves of bread from local and Portland bakeries, resulting in a decision that a loaf of Pendleton bread, with 89 points, was the best produced. After the judging the members of the club expressed the opinion that bread should score higher than 89 out of a possible 100 points and that the Pendleton housewife is entitled to as good a loaf as can be baked. The women said also that considering the price of wheat, bread should be lower than 15 cents a loaf.

E. B. Aldrich gave an interesting talk on the commission form of government. He explained the commission form and pointed out the various features of such a government. The musical program consisted of two pleasing solos, "When Love Planted a Rose," and "Where My Caravan Has Rested," sung by Miss Muriel Hampton with piano accompaniment by Miss Ruth Benjamin.

During the business session, the club voted that one hundred dollars be donated to the fund for furnishing the library auditorium. Community singing of the "Pendleton Slogan," "Beautiful America," and the Oregon state song was led by Miss Mary Woodyard. Hostesses for the afternoon were Mrs. Thomas Hamilton, Mrs. R. I. Keator, Mrs. J. B. McCook, Mrs. D. L. Johnson, Mrs. W. P. Armistead, Mrs. M. S. Kern and Mrs. L. A. McClintock. A profusion of fragrant lilacs, artistically arranged in baskets and in clusters, were used in decorating the club room and the same flowers were used at the tea table where Mrs. E. J. Burchill and Mrs. C. S. Terpening presided during the serving of refreshments.

PIONEER LADIES MEET.

The days of '61 in Pendleton are recalled by Mrs. Sharon, formerly of this city and one of the early pioneers, in a letter received by the Pioneer Ladies Club and read at their meeting on Tuesday afternoon in the library club room, with Mrs. H. Raymond, Mrs. L. L. Rogers, Mrs. J. Stockman, Mrs. Martha Terney, Mrs. Will Ingram, Mrs. B. Wells, Mrs. J. H. Parkes, Mrs. Elizabeth Shull, Mrs. Ella Wilkinson and Mrs. M. M. Wyrick as hostesses. Mrs. Sharon, who is 85 years old, now resides in Pennsylvania but she has not forgotten the early days when Pendleton was only a small village containing but few residents. She was made an honorary member of the club.

Other numbers enjoyed at the club meeting was a talk by Colonel Charles Wellington Furlong, who urged that relics of pioneer days be preserved and that the early history of the county be recorded. Pleasing musical numbers consisted of two solos, "The Fidelity Wife" and "The Twins," sung by Mrs. W. B. Mays, with piano accompaniment by Mrs. G. W. Phelps, and an instrumental trio by H. W. Fletcher and children, Hobbie and Florence Fletcher.

Mrs. J. E. Perry was in charge of the program and Mrs. Baker of the serving of refreshments. Decorations of beautiful lilacs, tulips and narcissus were used and Mrs. J. C. Snow and Mrs. E. J. Burchill presided at the tea table.

A Picnic For Two

Little Margaret Peters of rightly named Barren Island, New York, divided her glass of milk with Toby the lamb of Prospect Park, Brooklyn, when Park Commissioner Harman took her and 200 other children from the island for a day's outing. As far as Margaret and the lamb were concerned it was "a picnic just for two."

BIG DANCE

COLD SPRINGS HALL Saturday, May 7 Good Music—Good Eats Good Roads

This is a rheumatism of the muscles of the back. It comes on suddenly and is quite painful. Every movement aggravates the disease. Go to bed, keep quiet and have Chamberlain's Liniment applied and a quick recovery may be expected. Mrs. F. J. Darr, Brockport, N. Y., writes: "I can honestly say that Chamberlain's Liniment cured me of lumbago a year ago last summer. When I began using it, I was flat on my back in bed and could not turn to the left or right. I had a bottle of Chamberlain's Liniment in the house and this was applied to my back. It promptly drove away the pain and aches."

Whooping cough
 This is a very dangerous disease, particularly to children under five years of age, but when no paregoric, codeine or other opiate is given, is easily cured by giving Chamberlain's Cough Remedy. Most people believe that it must run its course, not knowing that the time is very much shortened, and that there is little danger from the disease when this remedy is given. It has been used in many epidemics of whooping cough, with pronounced success. It is safe and pleasant to take.

Evils of Constipation
 Perhaps the most serious of the diseases caused by constipation is appendicitis. If you would avoid this dangerous disease, keep your bowels regular. For this purpose Chamberlain's Tablets are excellent, easy to take and mild and gentle in effect. Chamberlain's Tablets are Mild and Gentle in Effect.
 The laxative effect of Chamberlain's Tablets is so mild and gentle that you can hardly realize that it has been
