

The Call of the Open Road

LEAD WITH

The ACE Six

The ACE—of the Air, that marvelous achievement of the human intellect was developed to perfection during the war by the concentrated genius of America's leading engineering experts. These same great minds have, from their vast store of practical experience, brought their ingenuity to bear on the perfecting of the automobile. The result is—

The ACE—of the Road, master car of America. Engineering excellence of the highest degree—perfectly balanced—big reserve of power—massive but light. A thoroughbred throughout—clean design—lines of beauty and refinement. The ACE Six is not a costly car, but it looks massive and it has a toney appearance that rates it in the eyes of the public with the aristocrats of motordom. The standard Units of the ACE guarantee smooth operation and long service. And always remember that the ACE is the Super-Comfort Road Car of America.

Every ACE is sold with a guarantee of FREE SERVICE for a period of ninety days and additional guarantee against defective material in any part of the car for one year. The tested superiority of the standard units in the ACE make it perfectly safe for us to make this guarantee.

The ACE is built to endure—it has a world of reserve power but above all it is comfortable to ride in, comfortable to drive.

Sink into its heavily cushioned, real leather, specially designed seats and float along unconscious of the world's cares.

Every gay experienced automobilists tell us that the ACE is the easiest riding car they have ever tried. It is the super-comfort road car of America.
