BUCKS DEFEAT TEAM FROM PILOT ROCK IN RAGGED SUNDAY GAME

Pendleton maintained its record of being undefeated in the Wheat Belt league by putting Pilot Rock away, 6 to 5, in the poorest ball game that has been played at Round-Up park this season.

Deprived of the services of Gunner Peterson, captain and catcher for the locals, and minus the services of two regular outfielders all during the game, the Bucks entered the contest with morale all shot to pieces.

Pendleton started early. The Bucks got into the running early when they put over two runs in their half of the first.

In the second the visitors scored one run on Gilbert's double to right when Doherty singled to center, and in the third they added three more.

The Bucks got a lead of one in the sixth when after Huey drew a pass on balls and Hanley made a nice single to center.

secured at this time when C. Burns hit a hot one that got through Sid Williams and Gilbert, who followed, was safe at first on fielder's choice.

The next fireworks developed in the last of the ninth when with the score tied at 5 to 5 Styson drew a walk, Friedly was safe on an infield bingle, when the first baseman dropped the throw.

Two-Base Hits—Gilbert, Carey, Huey; three base hits, Hanley, Carey struck out, by Williams S. McNutt 7; hit by pitcher, Williams S. McNutt 7; passed balls, Friedley 1, Gilbert 1; umpire, Baker.

Score by Inning: 1 2 3 4 5 6 7 8 9. Pilot Rock: 0 1 2 0 0 0 1 0 1. Pendleton: 2 0 0 0 3 0 0 1 8.

The number of students attending the University of Wisconsin has increased to an extent that makes it necessary to establish traffic rules in the corridors and on some of the stairways of the buildings containing lecture rooms.

SPORT BULLETINS

AN EVEN BREAK SEATTLE, May 9.—(A. P.)—Vernon and Seattle broke even in yesterday's double header, the home team taking the first game, 6 to 6, and the visitors the second, 4 to 6.

DE LUXE AIRPLANE DAMAGED MILWAUKEE, May 9.—(A. P.)—With one of its wings hitting a tree on the take-off of what was to be the maiden trip, the Lawson Air liner De Luxe, valued at \$75,000, crashed 50 feet to the ground yesterday.

FRISCO WINS ONE SAN FRANCISCO, May 9.—(A. P.)—After overcoming a two-run lead and tying the morning game, 4 to 4, Sacramento Sunday afternoon was unable to stop San Francisco's timely hitting and the latter won 7 to 2.

BEES LOSE TWICE LOS ANGELES, May 9.—(A. P.)—Los Angeles defeated Salt Lake twice yesterday, 7 to 6 and 10 to 5. Those victories gave Los Angeles the series of which two postponed games will be played today.

SPORT GAS (BY THE STAFF)

With half a team, half a team, we won our old ball game.

But there is no particular reason for Pendleton to crow. In fact it would be in order rather to give thanks.

Three runs in the third were scored by the visitors on one hit. The hit was opportune, but if there hadn't been some errors earlier in the inning, the men wouldn't have been on bases to score.

Flowers and sweet words for Olson and Carey.

In the sixth Bill's triple scored Huey and Hanley.

And Olson in the ninth put out that little bouncer that caused a success play and won the game.

Miss Hansen's athletes rolled up more points than Dick Hanley's in Saturday's track meet, but politeness helped in that, "cause it's women and children first, the etiquette book says and Dick's polite.

But he's got blood in his eye for next Saturday when the locals participate in the Eastern Oregon track and field meet at Union.

The Bucks go to Holly next Sunday. They may go farther than Holly, too, if that outfield isn't on the job.

Pendleton shooters certainly grabbed off offices and things down at Portland, didn't they? Only four local men elected, not to mention the shoot that is coming here next year.

16-YEAR OLD MISS PLAYS OPPOSITE RAY IN HIS NEW PICTURE

Clara Horton, the demure sixteen-year-old miss who plays opposite Charles Ray in his third independent production, "Nineteen and Phyllis," which is coming to the Arcade Theatre for an engagement of two days, beginning Sunday, is the youngest girl who has ever been chosen to appear opposite a male star.

In addition to a charming personality, Miss Horton is probably gifted with the sweetest disposition of any girl in motion pictures.

Mr. Ray is delighted with the splendid performance which the young lady has given in "Nineteen and Phyllis," and states that she will no doubt be seen in his other forthcoming First National attractions.

SILENT DRAMA CLAIMS ONCE-FAMOUS BOY SOPRANO

Boy soprano once—character actor now! Twenty-five years in the show business is able to bring many changes—but it is safe to say that not many of today's players can point back to being a musical star at twelve years of age.

Yet at this is the case with John Cook who plays the frazzled John Dunn in "Eyes of the Heart." Mary Miles Minter's latest production for Biograph Cook had barely passed the teen stage when his remarkable soprano voice won him a place as lead in Mrs. Boyton's "Juvenile Opera Company," then a famous organization. This, however, was but the beginning of a long public career which has carried him into medicine shows, the circus, stock companies, road shows—in fact into every possible nook and cranny of the theatrical business.

Mr. Cook came to Biograph later long service as a character lead for Universal, "Atlas Miss Dodd," "The Pointing Finger," "The Man in the Moonlight," and "The Weaker Vessel" include some of Mr. Cook's best appearances. As a credited old land-lord he has an entertaining role in "Eyes of the Heart," which will open at the Alta for two days, beginning Sunday. The production was directed by Paul Powell. The story was adapted by Clara G. Kennedy from the popular "Ladies' Home Journal" serial, "Blindness," by Dana Burton.

PASTIME SUNDAY AND MONDAY

Theatregoers who have usually seen Edith Roberts in some wildly exotic role will enjoy the little Universal Star's interpretation of a subtle dramatic characterization at the Pastime Theatre Sunday and Monday. The star appears as a small town girl with a big town problem to solve. She does it with an understanding appeal that wins her new dramatic laurels.

SLEEP WELL

How can you expect to be 100% efficient during the day when you lie awake half the night coughing? You must have relief and to remedy it is available.

Foley's Horey and Tar soothe it. The curative influence of this easy-to-take and absolutely pure compound has brought relief to thousands. It will do the same for you.

F. J. Sumner's, Holmdrop, Neb., writes this: "I cough was so bad I could hardly sleep for two or three days. The very first dose of Foley's Horey and Tar relieved me and I did not cough all that night. In two days time my cough was entirely gone."

son Ferguson, the popular young leading man, plays opposite her. The picture is called "The Unknown Wife."

The first full-blooded Indian ever admitted to citizenship in the United States is Thomas Blackbird, 22 years of age, of the Sioux tribe and a veteran of the World War. He was admitted to citizenship under an act of Congress by the provisions of which any Indian of legal age who served in the war may, upon application, be admitted to the rights of citizenship.

TWO SISTERS GET HELP

Praise Lydia E. Pinkham's Vegetable Compound for what it did for them

Hagerstown, Md.—"I was overworked and my monthly periods stopped. My body was swollen and I often had pains so I had to lie down. I was treated by a physician, but he did not seem to help me at all. My sister had taken your medicine with great results so I took Lydia E. Pinkham's Vegetable Compound and now I am able to work and feel like working. I have been recommending your medicine to my friends, and you are welcome to use my testimonial for I can never praise your medicine enough for what it has done for me."

Women will tax their powers of endurance to the limit before giving up, and it is then some womanly ailment develops and they have to give up entirely. When a woman suffers from such symptoms as irregularities, headaches, backaches, bearing-down pains, inflammation, nervousness and "the blues," it is well for her to profit by Mrs. Carbaugh's experience and try Lydia E. Pinkham's Vegetable Compound. It has restored multitudes of women suffering from such ailments.
