of 35 cents a bushel on imported wheat. Approximately \$16,000 bushels of the grain have been shipped through this district during the last month.

Compulsory Pooling Issue in Amalgamation SPOKANE, May 12.—(A. P.)—The Washington and North Idaho Wheat Growers' Association in convention here yesterday voted to unite with the United States Grain Growers' Inc., providing that the national body accept for membership in Washington and North Idaho only members of the two associations who are signed up on the 100 per cent pooling plan.

French, Belgian, Dutch and Spanish rates reacted variably. Foreign bonds were strong in connection with the German settlement, but domestic issues, including liberty flotations, eased moderately. Total sales, par value \$10,850,000.

Wheat Advances Made on Crop News CHICAGO, May 12.—(A. P.)—Increased anxiety over crop damage reports had a large share in bringing about a decided advance in wheat. The market closed strong, 3 1/2 to 5 1/2 net higher, with May 1.44 to 1.44 1/2 and July 1.16 1/2 to 1.16 3/4. Corn gained 5-8 to 7-8, oats 1 1/4 to 1 1/2 and provisions 27 to 62c.

Oklahoma, Kansas, Nebraska, Texas, Missouri, and Indiana all sent unfavorable news regarding winter wheat, and there was active general buying. The consequent upward swing was much facilitated by statements of Secretary Wallace favoring a higher scale of prices than before the war. Expectation that the emergency tariff bill would be passed by the senate forthwith was also a strengthening factor. In addition, country offerings were small and gossip was current that the movement from first hands would decrease in the near future.

Corn and oats were helped upward by the strength of wheat. Another bullish influence was knowledge that the bulk of the 1,250,000 bushels of corn in public elevators here has been sold for shipment.

The German acceptance appeared to enliven demand for provisions and lard.

Canadian Rush Wheat Into U. S. DULUTH, Minn., May 12.—(A. P.)—Shipments of Canadian wheat are being rushed into the United States through Duluth and Ranier free of duty by shippers who anticipate the signing of the emergency tariff measure by President Harding, according to the local customs office. The measure would impose a customs duty
