"They'd only make fan of me"

FOR THE YOUNG PEOPLE

hanging down like a wilted leaf on Buttny Bob pointed straight his shoulder. in front of him into the mea-He was hopping up Fern Lane near but nobody answered his ques- his home when he stopped to polish since nobody heard it because

Shall I go see what it is?" went on Bunny Bob. "Dear me! I'm scared, and yet I must go find out!"

that? Great heavy footsteps. Bunny slone He took one hop forward, then he scuffled back into the raspberry Bob peered through the ferns. Lawsa-massy! The baby was after him! pricket. Then he hopped out again. at me. be was scared. Into the thicket he popped. Out he came again, and this time he was brave enough to stand on tiptoes and peer over at the curious thing in the meadow. tweat is it?" he kept muttering

Presently he did get courage enough to hop quite close, then whill! How he scooted!

"It's a-a human child!" he panted. Dear! How dangerous!" Safe in the thicket he peered around in see if he were being followed. No. Only he heard the cry: "O-e-o-o! O-o-o-o! E-e-e-e!" "I can't stand it!" he cried; clap-

ping his paws over his ears. "It's just orful and I'm supposed to be studying hotany today, and how can I with that racket going on? I'm just going right over and lell it to quit!"

He stuck his ears up real hold and may and marched right up to the big "You step that noise!" he said firm Stop ter Stop it! Stop! Stop! And each time he said The maniped his two big feet emorated the baby on the wrist " .. "Ad the trick all right! The baby opped then and there and looked

How wern and unrelenting Bunny Bob tried to look! But, of course habis haven't much sense. This haby thought he was trying to be funny.

"Hee guggle guggle!" she laughed and our went her plump hand and what did she do but grab hold of Bunny Bob by one ear? "Leggo!" cried Bunny Bob, kicking

fit to bust "Leggo!"

with a blasfuzzy taterplies, the first of the season and firmman a laste rune. But that's what was blocking that

newer to be stranger to

Mammy Cottontot was not que to stand wringing her paws when there was something to be done. No. sir! She called all her children and set them to work. Then she atched to and the dut did fly! Soon on Joy! They were through, that skipped Bunny Bob late the sunshine with all

his family. "Come now," said Mammy Cotton "We'll all go visiting Auntle Long-car."

"I won't tell the others," he said. They went single file, oh, so quietly Mother Cottontol leading the way, and Thump! Thump! Themp! What's Bunny Bob at the end of the process

New, of course, Bunny Rob should have followed right along behind Lit-She was bearing down on him as fast the Sister Flop until he reached Aunte as her fat hers could earry her and Long-ear's house. Stend of that he beinting with her big thick finger in had to stop now and sgain, once to front of her and waddling like a duck look at the new caif in the pasture and croaking: "Uk. uk. uk. wasus." and once assi to nibble s little new "My word!" cried Bunny Bob, kick-ing up both hind less at once. Then "There's that thieving criter!" he turned and raced for home. But shouled a loud rough voice.

that baby was a regular fox when it who cares about vegetables when it came to tracking down a body. She Baby is lost!" cried another roice, and seemed to know just where poor Bunny Rob saw, two people right near Bunny Rob huddled just inside his nim, not children either, but great big own front door. On afte came waving horrible grown-up humans.

that big fat finger in front of her and taking to herseif.

"Oh, why was I such a rubber-neck?" grouned Bunny Beb, as he was that the fright and all that seared everything out on his poor little mind. He forgot about Maining Cottoniot wisked into the house, "Mammyt and going to Auntie Long-ear's. He manny! Something's chasing me!" just ran for home, as he was used to

"Leggo!" Cried Hunny Bob

IE sailors have the ocean wide And sights most strange to see, And, the such pleasures I'm de-

I have my bath-tub sea. It every wide and very deep: It wouldn't do at all

Far o'er its side to lean and peep, For fear I'd slip and fall.

So quietly I stand the while The ship that I have made Sails far and near for many a mile On many a pirate raid.

Communded of by Captain Kidd, Or other buceaneer, She woes in search of treasure hid, Whenever I may steer.

Sometimes an awful storm I make: I blow with all my might. And cause the waves to rise and break And give the crew a fright.

But then, of course, I'm always there To lend a helping hand: Again I make the weather fair And bring them safe to land.

left the hole free and in bounced Bunny Rob. Well, he was so scared that he ran into the darkest corner to think over everything. After ever so long he remembered about Auntle tot," and here our other doors are all Thud! Thud! Thud! Thugh They were Long ear, so very, very carefully he blocked up, what with a cow stepping after him all right. He was so scared began inching himself to the door to

blocked up, what with a cow stepping after him all right. He was so scared began inching himself to the door to me and a stone from the fence that when ne reached his own door to falling in another. Gracioust I feet the ident's notice Baby sitting there doing with the caterpiller gone hand a nice big peblic in the other, on Baby sip in himself to the door to that when ne reached his own door the following redige again," he resolved as he peked his nose out of the big seet of the following redige will be good.

The seat is a piece W longer than the way is the single following redige will be good.

The seat is a piece W longer than the way is the single for the pineapple pleces. The same is a piece W longer than the piece is wedge shared to the tighter she held on. But a rabit! He calbing level on the calbing level is the calbing level in the dising room, then being a generous little heady he bit was to a single redige.

The same is a piece W longer than the single redige will be good.

The same is a piece W longer than the will be calbinated as the piece is wedge shared to the tight and the more has fought and the more Baby laughed and the way is a piece will be good.

The seat is a piece W longer than to the tight was the suppression of the pieces of the falling into a piece will be good things there it is with an the form to the falling in the sugar page till the pineapple pleces. The seat is a piece will be good things there it is with an the falling is to be a pression to the fall was the falling in the falling in the falling in the falling in the falling is the fall was the and pretty soon Bunny Bob slipped Of course, she couldn't know that verstables anyway?"
