KUCK RULES AGAINST ALLOWING OF PROTEST

The protest of the Pilot Rock ball club over decisions made by Tracy Baker in last Sunday's game when "the Bucks trimmed the Pilot Rock aggregation has been denied by President Harry Kuck of the Wheat Belt League according to a letter he has sent to E. B. Casteel, secretary-treasurer of the club.

Unless the matter is carried to the board of directors over the president's head, the matter will be closed. Baker will not be used in games against Pilot Rock in the future. Kuck has ruled. Four exceptions were taken to Baker's decisions, every question raised hinging on whether he had used good judgment.

GEORGE MILLS WON LEWISTON TRACK MEET

George Mills, grandson of Mr. and Mrs. G. W. Swagart of 815 Garden street and a nephew of Mrs. William Matlock, has made a real record as a high school athlete at Lewiston. Young Mills, whose mother was formerly Elly Swagart, lives at Kamiah, Idaho, but is attending the Lewiston high school where he will graduate this June. In a recent track meet he ran the 50 yard dash in five and two-fifths seconds, the 100 yards in two and two-fifths and likewise won out in a mile and a quarter race, finishing in six minutes.

The following story telling of George Mills' record is from the Kamiah paper:

At a field meet between the Lewiston and Colfax high schools last Friday, George Mills, of this place, was the highest point winner, his work enabling the Lewiston team to win the meet by a score of 76 to 55. George won five firsts and two seconds, with a total of 21 points. He was first in the 100 yard dash, the 220 yard dash, the 220-yard low hurdles, the quarter-mile run and the broad jump; and second in the 110-yard high hurdles and javelin throw.

Local relatives of the athlete are proud of the record he has made and Mrs. Swagart, the grandmother, is planning to go to Lewiston for the commencement in June. Mr. and Mrs. Swagart lost five grandchildren in the Heppner flood.

"I had to give up several different positions on account of rheumatism but since taking Tanlac I never have an ache or pain in my body and am working hard every day," said E. J. Burnett, 4914 Forty-fifth avenue, Southeast, Portland.

"For ten years now rheumatism and stomach trouble had been pulling me down and I had gotten to where I didn't expect to see another well day. My back hurt me so bad that sometimes I couldn't turn my head without an ache or pain in my body and am working hard every day," said E. J. Burnett, 4914 Forty-fifth avenue, Southeast, Portland.

"One day a railroad man from Lewiston, Idaho, advised me to try Tanlac and I have thanked him many a time since for putting me on to such a fine medicine. Why, it went straight after my troubles and don't believe there is a trace of rheumatism left in my body. I never feel a sign of it and am as strong and active as ever was. I can hardly get enough to eat and everything agrees with me perfectly. I am sleeping fine and can do as big a day's work as I ever could."
