Virta McDonald of Walla Walla, was here Sunday visiting.

H. J. Allen of Yakima was here yesterday as the guest of friends.

Young Billy Rhodes, six year old son of Mr. and Mrs. W. A. Rhodes of this city, recently acted as publicity agent for Pendleton during a visit to Butte, Montana. The youngster, while in the business district of the city, succeeded in losing his parents. A policeman finally noticed Billy and upon asking him his name was informed that his home was in Pendleton, that he attended Lincoln school and that the Round-Up was "aure some show." At this moment Mr. and Mrs. Rhodes appeared on the scene and their son informed them that "this policeman has been looking everywhere for you." The Rhodes family are on a motor tour to Minneapolis.

## ROSS SUFFERED FOR TEN YEARS

### Had Awful Dizzy Spells As Results of Indigestion—Is Well Man Now.

"After suffering for ten years without finding any thing that would do me any good, Tanlac has restored my health entirely and I have gained ten pounds in weight since taking it," said Charles F. Ross, of 1191 East Thirty-third street, North, Portland.

"For all these years my stomach has given me trouble and often I was bothered with rheumatism in my joints. My appetite was very poor and my stomach was so easily upset that I had to be very careful about what I ate or I would be in misery for hours afterward. The rheumatism in my joints pained me so bad at times I could hardly stand it, and sometimes I could I had terrible fainting spells and would fall unconscious. I had no energy, felt tired and worn out all the time and when I began taking Tanlac was in a badly run-down, weakened condition.

"After taking the first bottle of Tanlac I began to feel stronger and better than I had in years, and as I continued taking it my improvement was so great that in a short while I was a well man, I now have a splendid appetite, eat anything I want and never have any trouble afterward. I am entirely free of rheumatism and have not had one of those terrible fainting spells since I started taking Tanlac. I never have that tired, worn out feeling and am always ready for my work, which I can do without a particle of trouble. In fact, since taking Tanlac I feel just like a different person and it is a real pleasure for me to recommend it to others."

## WOMEN JURORS ARE TO TRY AFFINITY SLAYER

CHICAGO, May 16.—(U. P.)—The date of the trial of Mrs. Cora Orhwein, pretty affinity slayer, charged with killing Herbert C. Ziegler, Goodyear Tire and Rubber Co. executive, will be set today.

Mrs. Orhwein is to appear in court in company with her attorney, Ben Short. The defendant, who is charged with manslaughter, was well known in Chicago's night life before the tragedy. Her luxurious apartment on the "Gold Coast" was the frequent scene of many gay parties.

Following the death of Ziegler, Mrs. Orhwein told police, "I loved Herb, and I killed him."

She will ask freedom on the grounds of self-defense, claiming that Ziegler, in a drunken frenzy, broke into her apartment after she left him at a drinking party in a cabaret.

The state charged she killed Ziegler after he told her that he was going back to his family and give up his old life.

Prosecuting Attorney Heth announced that he will attempt to get a woman jury to try Mrs. Orhwein.

"Men juries always acquit affinity slayers," said Heth. "I am anxious to see what the reaction of a woman jury would be."
