The Old Stiffs Won

Fortified by much experience gained in home battles, a team composed of married men from the Christian church edged over a victory on the single men yesterday evening at Round-Up park. While at bat his first time up, Cy Reetz took such a mighty swing that he damaged his trousers to such an extent that it was necessary for him to face the audience until Harry Crawford improvised a needle and did some repair work. Boyd and Friedly were the married mens' battery and Crawford and Warren appeared for the single men. The final score was 7 to 6.

Want Better Mail Service

The Baker Chamber of Commerce is taking steps to have the railway mail service on the O. W. R. & N. improved by the addition of a mail car and crew from Baker to Portland on No. 17, and by the elimination of locked pouches between the two cities. A letter giving the information that the matter has been taken up with the office of the postmaster general has been received here at the office of the Commercial Association. The cooperation of the Pendleton association is sought in the move. Important mail is held over sometimes at Baker from the west-bound trains, according to the statement of the Baker organization.

Would Advertise With Airplane

A proposal to advertise Pendleton's Round-Up by means of a tour over the United States in a giant airplane has been received at the office of the Commercial Association from Tex Rankin, manager of the Rankin Aviation Co. of Walla Walla. The proposition made by Rankin would call for the trip to be made by himself and two Pendleton men in cowboy costumes starting from New York and touching at all the principal cities of the country. Rankin proposes to purchase a good machine on the eastern coast for the trip. Advertising of the productivity of Eastern Oregon land might also be attempted, he thinks.

Weather Is Cooler

The weather is much cooler today, the maximum being 72. The minimum, says Major Lee Moorhouse, is 50, while the barometer has reached the low mark of 29.32.

Silver Is Cheaper

Sterling silver is now below the pre-war price, say jewelers. Since the 25 per cent decrease in February, Silverware is now much lower than in the past. It is expected that the price may go up slightly this fall.

Mrs. Warner Named Directress

Mrs. Harold J. Warner has been appointed directress of the choir of the Church of the Redeemer in place of Miss Edna Gates who has returned to Portland. Mrs. Warner will assume her duties at the regular choir rehearsal on Friday evening.

Wants Descriptive Literature

A request for information about Pendleton and surrounding territory has been received at the office of the Commercial Association. The information is sought by Miss Louise M. Berg of Larmar, Colo. who has signed a contract to teach in the Pendleton high school the coming year.

Will Remain Here

Miss Elva Boone, who teaches the fourth grade at the Lincoln School, and who recently was elected to a position in the Portland schools, has signified her intention of remaining in Pendleton. She gave the matter careful consideration and has signed a contract for another year's work.

Pantorium Changes Hands

R. E. Wilson, formerly of Denver, and his brother-in-law, Alfred Pietzold, are the new owners of the Pantorium, local cleaning, dyeing and pressing establishment at 719 Garden street as the result of a deal whereby they purchased the business from Clyde Brown yesterday. Mr. Wilson was formerly connected with the Allen & Dyke Co. of Denver, and his experience will stand him in good stead here. Clyde Brown has not yet decided just what he will do but he expects to remain in Pendleton.

Funeral is Held.

The funeral of the late Albert M. Despain was held this afternoon from the Methodist church with Rev. John Secor officiating. Members of the Masonic lodge of which Mr. Despain was a member were in charge of the services. Many beautiful floral offerings attested the esteem in which Mr. Despain was held. He is survived by his mother, Mrs. Nancy Despain of Pendleton; one brother Lewis B. Despain, of Oakland, California, and five sisters, Mrs. Norborne Berkeley, and Mrs. Constance Isaacs of Pendleton, Mrs. C. C. Berkeley of Hay Creek, Mrs. Haldane Dickson and Mrs. Henry Zander, of Portland.

Boys to Be Honored.

The sixty Pendleton boys who are members of the Pendleton boys' band, and their director, A. W. Lundell, will be honored tomorrow evening at an entertainment given tomorrow night in the Presbyterian church under the auspices of the Pendleton Parent Teacher Associations. Parents of the boys have been asked to be present as have members of the school board, George Hartman, mayor of Pendleton, and James Sturgis, president of the Pendleton commercial association, will give short talks. The boys will furnish music and there will be an abundance of ice cream and cake. The local boys' band is the first in Oregon ever sponsored by a Parent Teacher Association.

HARVARD WOULD HAVE MEMORIAL

CAMBRIDGE, Mass., May 19.—(A. P.)—A proposal for the erection at Harvard University of a building to be known as "Roosevelt House," was made in a report to the Associated Harvard Clubs by a committee of alumni which was made public today.

The building would contain a working floor for the use of departments of the university and particularly for conferences between tutors and students, together with a reading room where Roosevelt memorabilia of all kinds would be kept.
