Enthusiastic About West
 Secretary A. W. Tracy of the Theodore Roosevelt International Highway Association is an enthusiastic booster for the West. His enthusiasm for this section is only secondary to the optimistic attitude he takes toward the success of the highway. Organized only two years ago, the Roosevelt transcontinental road has already been routed from coast to coast, which est-

ablished a new record in the matter of time. Within thirty days it is expected that the road will be marked from Spokane to the coast. Mr. Tracy went to Portland Sunday morning, and he was accompanied by a delegation consisting of David H. Nelson, Robert Simpson, Clyde McKay. The placing of Pendleton on the route will assure a great many tourists for the city. Organization of Oregon and Washington state associations of the highway will be perfected with the next few days to cooperate with the national organization.

Funeral to Be Held
 The funeral of the late Fred Peeler, aged 15, who died on Saturday in Portland, will be held tomorrow morning at 10 from the Presbyterian church with Rev. George L. Clark officiating. He was formerly a pupil of Lincoln school and the following schoolmates will be pall bearers: Theodore Kaesmeyer, Thomas Montgomery, Francis Greulich, Albert McCormack, Allen Boyden, Alvin Ross, Elmer Pozegar and Robin Fletcher. Pupils of the seventh and eighth grades will attend the funeral in a body.

A Girl Baby.
 A daughter was born shortly before midnight last night to Mr. and Mrs. John Lorenz at 115 Grange street. The little lady's weight was about 8 pounds.

Takes Out Application
 R. N. Endicott who lives on College street has made application at the office of the city recorder for a building permit for the construction of a porch on his residence. The estimated cost is \$50. The application was made Saturday.

Catches Big Trout.
 A big trout that measured 19 inches and weighed 2 3/4 pounds dressed was caught yesterday by Ed Peters in the river below the city. The beauty was on display yesterday afternoon in the window of Welch's Cigar Store. Considerable argument ensued as to whether the fish was a trout or a steelhead, but Welch declares it was a trout.

Catcher Plays Tonight
 Somebody is going to get out of the cellar this evening in the Twilight League when the Methodists and the Presbyterians meet at Round-Up park for a ball game. The Presbyterians have played only one game which they lost. The Methodists have not been very successful, and a lot of competition exists to see which team will go away and leave the other.

Fish On Display.
 Ninety pounds of eastern brook trout, caught by Brook Dickson, Lyman Rice and Herbert Green at East Lake are on display today at the George Baer hardware store. The fish, the largest catch ever displayed in Pendleton, are beautiful specimens, the largest weighing six pounds. Mr. Dickson, Mr. Rice and Mr. Green returned to Pendleton yesterday.

Adams Wins and Loses
 The Adams team beat the Central yesterday, and in another game, the team from Adams was smothered by Greasewood. The score in both games were the same, 2 to 4. The battery for Adams in the first game which was played at Adams was Henry and Pair, with Stanpher and J. Holmgren working for the centrals. Stall and W. Holmgren did the battery work for Greasewood and Henry and Parry appeared for Adams.

Backed Into Well
 When B. F. Young, who lives on Haley street, backed into an old well yesterday up on McKay creek a day's sport of fishing was ruined. The accident happened when Mr. Young was backing up to turn around. The back wheels dropped into the old well throwing the front end of the machine into the air. No one was injured in the mishap, but the rest of the afternoon was required to right the car, and the fish were never bothered.

Lineman Badly Injured.
 George Henry, 35 years old, of this city, who is employed by the mechanical department of the Pacific Power and Light Co. of this city, was seriously burned and narrowly escaped electrocution. Saturday afternoon when approximately 2500 volts of electricity passed through his body, according to word received here today. Henry was at work on high voltage wires for the company near Touchet and was standing on a tin roof when the juice from one of the supposedly dead wires came to life with a vengeance. Henry, conscious, and writhing in pain from many burns, was placed in an ambulance and driven on the 25 mile trip to Walla Walla and St. Mary's hospital. An operation was immediately performed and two fingers on the left hand amputated. Henry's clothes which were burnt into the flesh were removed. He is resting comfortably and is expected to recover from the accident.

Henry Taylor Honored.
 H. J. Taylor, Pendleton pioneer and one of the most prominent lodgesmen of the state, was honored by the past presidents of the I. O. O. F. during the recent grand lodge sessions at Albany, the occasion being Mr. Taylor's seventieth birthday. Mr. Taylor, who with Mrs. Taylor, returned here last evening was presented with a beautiful bouquet of roses. He was re-elected without opposition, to another three year term as trustee for the I. O. O. F. home. Mr. Taylor, who is past grand master of the order, T. F. Ryan, chairman of the board of trustees, and Mr. Coxon, a board member, paid the expenses of 18 children of the I. O. O. F. home, ranging in age from four to 17, for a trip from Portland to Albany, where they marched in the parade. The procession, Mr. Taylor states, was the largest he has ever seen, and was led by the Rebekah and I. O. O. F. bands, of Portland. Regarding legislation at the sessions, Mr. Taylor says that a per capita tax of 50 cents was levied on each Odd Fellow and five cents on each Rebekah, the funds to be used for the new I. O. O. F. home.

Condition Improved.
 Mrs. Henry Forth, who is confined at the home of Dr. and Mrs. J. E. Sharpe, is reported as being much improved. She is suffering with inflammatory rheumatism and is paralyzed, but otherwise her condition is encouraging. Her home is on McKay creek. She is a sister-in-law of Mrs. Sharpe's.

Cleaning Up Drug Peddlers.
 Deputy Sheriff Dave Lavender left today at noon for Portland with "Spokane Whitey" whose real name is Herman Rohr, and two Chinese recently apprehended by the sheriff's office. All three of the men are charged with having drugs in their possession illegally. A deputy United States marshal was on the train with a pair of alleged peddlers he had secured in the eastern part of the state. The men will be held at Portland pending an investigation by the federal grand jury.

Mrs. Hopper Dies.
 Mrs. Ida Marie Hopper, aged 50, wife of W. G. Hopper, died last evening at St. Mary's Hospital in Walla Walla. Mrs. Hopper was formerly of Pendleton and has many friends here. Rust and Mrs. J. L. Frankum all of this city. The funeral will be held from the Methodist church in Walla Walla Wednesday.

Cannery Cautions
 With the approach of the canning season, Mrs. Edith G. Van Dusen cautions housewives regarding canning methods. Mrs. Van Dusen states that with the cold pack method, a temperature of 240 degrees should be reached if the contents are to be made completely sterile. If the usual temperature of 212 is the maximum, then the contents should be boiled for a few minutes before removing them from the jar, or contents may cause poisoning.

J. D. Matlock Dies.
