BUCKS STILL LEAD IN WHEAT BELT LEAGUE BY VIRTUE OF DEFEAT HANDED HELIX, 13-6

Sixteen Hits Made by Locals to Seven Gathered by Helix; Three Home Runs Feature.

Sixteen hits garnered off Pierce and Robertson, two of them home runs, helped the Bucks to a defeat Sunday in the liveliest game of ball that has been played here this season.

bases full, Williams struck out Owens and Mulvey was out on a foul pop to Huey. Pendleton added two to their string in this session. Cary got to third on a bouncer which Cook let go through him and Williams slammed the ball for a homer after Gordon had fanned. Kahill was caught off of second and Peterson was out when his hot line drive to Clark was neatly handled by that stellar player.

In the first three innings, only ten Helix batters faced Williams, and it looked as if Sidney would send them home without giving them any base running, but in the fourth the visitors cut loose a little and got into the scoring. Kendall drew a pass and Cook drove a wicked bouncer past Hanley for a hit, and with the two men on, Clark, Helix short, slammed the ball over the fence for a home run.

Started Early The Bucks uncorked some vinegar in their half of the first. After Huey was out on a bouncer to Clark and Peterson had fanned, Hanley got a single to right field and then stole second. He scored when Styson raised a high fly which Cook and Moe let fall between them, and Styson took third on Olson's hit to right field which he stretched into a double. Cary's double scored both runners, but he died on base when Gordon was out. Moe to Stevens.

Again in the third the Bucks piled up another five markers on as many hits, Williams led off with a hit and Kahill and Huey fanned. Peterson scored Williams on his double to right field, and after stealing third, he came home on Hanley's hit through second. Styson earned a double by his effort and an overthrow at second enabled him to score. Olson kept the ball rolling with another double and he took third on an error and scored on a wild pitch. Bill Cary struck out.

Gets In Hole Only airtight pitching on the part of Sid Williams saved the Bucks in the fifth. Robertson got to first on Huey's error and then scored on Lieualten's triple to right field. Kendall was safe when Williams held the ball on recovering a bunt. Cook fanned and Clark walked. With one down and the

SPORT BULLETINS

THEY PLAYED ANYHOW. RIOUX FALLS, S. D., May 23.—(A. P.)—Teams in the South Dakota baseball league played their first Sunday game yesterday, though the South Dakota supreme court has held that Sunday games are illegal if admission is charged.

The local grounds were thrown open to the public but a charge was made for seats in the grandstands and bleachers. Approximately 2,000 spectators paid this charge, while hundreds of "conscientious objects" took advantage of the free exhibition and stood on the side lines.

FIGHT PITCHING FEATURES. SACRAMENTO, Cal., May 23.—(A. P.)—Sacramento took both games of a double-header from the Oaks yesterday winning the morning game at Stockton and the afternoon contest by scores of 3 to 2. The morning game was featured by the pitching of 3 to 2. The morning game was featured by the pitching of "Specs" Shea, Stockton semi-pro, who held the visitors to four hits. The afternoon game was featured by close playing by both teams. The winning run was made in the eighth on Ryan's double. Orr's sacrifice fly and Cook's single.

12 HOME RUNS. SALT LAKE CITY, Utah, May 23.—(A. P.)—The Vernon and Salt Lake clubs divided yesterday afternoon's doubleheader, the visitors winning the first game 19 to 16 and the home club the second 14 to 3. The first game was a hitting feast for both sides. In the second Gould held the Tigers all the way while the locals batted Love and Smallwood for 10 runs in the first two innings. The day produced 12 home runs. Salt Lake's hitting was a total of 68 bases and that of Vernon for a total of 54 bases. Each club won three of the six games played.

AIR PATROL BUSY. SACRAMENTO, Cal., May 23.—(A. P.)—Two forest patrols, consisting of 16 planes, left Mather field today for Camp Lewis, Wash., and Eugene, Or., where bases have been established from which they will operate. They will return here in the fall, according to officials of Mather field.

SEALS TAKE A PAIR. SAN FRANCISCO, May 23.—(A. P.)—San Francisco took two games from Seattle Sunday, the first 3 to 0, and the second 7 to 1. O'Doul, who pitched the first contest for the Seals, was given excellent support and won easily. The locals cinched the second game in the sixth inning when four runs were scored on five hits. Walsh's homer to left in the second inning of the second game put San Francisco in the lead.

GEORGES PROTECTS HIS DOLLARS AND INSURES EXCHANGE WITH LLOYDS. PARIS, May 23.—(A. P.)—Georges Carpentier and his manager, Francois Desamps, will not be affected by any fall in the exchange rate as regards their end of the purse for the world's heavyweight championship fight.

"PHI-PHI" SHOWS 1200 TIMES. PARIS, May 23.—(A. P.)—With the disappearance of "Phi-Phi", a light musical comedy from the stage of the Theatre Bouffes Parisiens what is believed to be a record run here for consecutive performances was brought to a close. "Phi-Phi" was put on November 11, 1918, "Armistice Night" and was produced nine times a week regularly ever since with extra matinees on holidays, making a total of more than 1200 performances up to the end of April when it was withdrawn.

SPORT GAS (BY THE STAFF)

It remained for Clark, Helix shortstop to pound Williams for the first home run that has been made off the local twirler this season. The dusky Indian showed a lot of quality in his fielding work, too.

Hanley got a single, a double a triple and a home run out of five times at bat.

If Pendleton fans gave their team the support that Helix players get there would have been an even larger crowd out there yesterday afternoon.

Because it must be said that a mighty big number of people in the grandstand came from Helix. Pendleton 1000 per cent; let 'er buck!

The Bucks are expecting to play a special game Decoration Day.

Sid Williams got two singles and a homerun yesterday.

BELGIUM RECOVERS PRE-WAR PROSPERITY

BRUSSELS, May 23.—(Austin West, U. P. Correspondent.)—Belgium is proving as triumphant in the arts of peace as she was in the arts of war. From all quarters reports are being received testifying to the almost incredible progress made since the armistice in the reconstruction of devastated areas, restarting of industries and the revival of trade that war stagnated.

NERVOUS FAINTING SPELLS

Mrs. Werner Tells How They Yield to Lydia E. Pinkham's Vegetable Compound

Camden, N. J.—"Before my baby was born I was run down and weak, had pains in my back and stomach, was very nervous and would have fainting spells. I certainly suffered awfully with those nervous fainting spells. I did not know anyone at times and used to scream. A doctor treated me for the spells but did not seem to do much good. I had taken Lydia E. Pinkham's Vegetable Compound and Liver Pills before so I began taking them again. I soon felt a change and could do my work without pain and was cured of those nervous spells. Now I have a nice fat baby girl and had an easy time at birth. Thanks to Lydia E. Pinkham's Vegetable Compound.—Mrs. WILLIAM C. WERNER, 1216 Van Hook St., Camden, N. J.

When a wife finds her energies are flagging, she is weak, nervous, suffers from backache, the "blues" she should build her system up at once by taking that standard woman's medicine, Lydia E. Pinkham's Vegetable Compound, as did Mrs. Werner.

If there is anything about your condition you do not understand write Lydia E. Pinkham Medicine Co., Lynn, Mass., a regard to your health.

CRUISE FROM NEW YORK TO FRISCO VIA CUBA

SAN FRANCISCO, May 23.—(A. P.)—Three men in a 28-foot boat have started on a cruise from New York to San Francisco via Cuba, Central America and the Panama canal, according to word received in marine circles here, expecting to depend on their canvas for most of the power that will take them some 10,000 miles, although the boat has a 10 horsepower auxiliary engine.

The adventurers are Paul Squibb of Bernardsville, N. Y., 23 years old, a Harvard athlete and war veteran, and Alfred L. Loomis of New York and J. Albert Chambers of Salem, Mass. Loomis and Chambers are former navy men, Loomis being a writer for boating magazine. The trip is expected to take about five months.

BOY SCOUTS HELP.

HONOLULU, T. H., May 23.—(A. P.)—That the solution of the inter-racial problem of Hawaii lies in the Boy and Girl Scouts was the declaration of W. W. Thayer, Boy Scout troop leader, at the recent territorial social service convention held in Honolulu. Thayer cited his experiences with his own Boy Scout troop in support of his contention. He said that in his troop of 48 boys every racial and creed group in the islands was represented and he added, he never had found a vestige of race prejudice in the troop.

"The boys regard one another as fellow scouts and not as members of different racial groups," Thayer said and, he argued, "it is logical to suppose that when these youngsters reach maturity they will carry this regard and tolerance into their business and social activities."

Chronic Constipation This condition is usually brought on by neglect. Neglect to drink as much water as a healthy person requires, which is three pints each day. Neglect to take enough exercise to keep the body in a healthy condition. Neglect to establish a regular habit of having the bowels move once each day, whether there is an inclination or not. It is obvious that to cure chronic constipation, you must first correct your habits. Chamberlain's Tablets are excellent but will not cure you permanently, when these neglects are persisted in. Begin now. Get well and stay well.

Stomach Troubles "I have never found anything so good for stomach troubles and constipation as Chamberlain's Tablets. I have used them off and on for the past two years. They not only regulate the bowels but invigorate the liver and keep one's body in a healthy condition," writes Mrs. Benjamin Hoffer, Auburn, N. Y.

Dislocated Her Shoulder Mrs. Johanna Soderholm, Fergus Falls, Minn., fell and dislocated her shoulder. She had a surgeon get it back in place as soon as possible, but it was quite sore and pained her very much. Her son mentioned that he had seen Chamberlain's Liniment advertised for sprains and soreness and she asked him to buy a bottle of it, which he did. It quickly relieved the pain and soreness and enabled her to sleep, which she had not done for several days. If you are troubled with rheumatism, give Chamberlain's Liniment a trial. It is excellent.

For a Bad Cough When you can not sleep for coughing, take Chamberlain's Cough Remedy. It will allay the irritation of the throat and make sleep possible. It contains no opiate.

According to an article in La Liberté newspaper, Carpentier and Desamps have paid 100,000 francs premium against the dollar fluctuation in value.
