PLAY TO BE PRESENTED
"The Futurists," successfully presented recently in Pendleton by nine members of the Current Literature Club, will be staged in Hermiston Friday evening at the motion picture theatre, and the success of the Hermiston Community Club, for the benefit of the Hermiston branch of the county library. In addition to the play, a reel of motion pictures will be shown and there will be music by the band.

Members of the cast will motor to Hermiston and will be dinner guests of Mrs. J. T. Hinkle preceding the play. Those in the cast are Mrs. J. C. Snow, Mrs. David B. Hill, Mrs. Fred Doner, Mrs. Charles Bond, Mrs. Roy Raley, Mrs. Will H. Bennett, Mrs. E. B. Aldrich, Mrs. Thomas Vaughan and Miss Beth Smith. Mrs. Doner is taking the part played by Mrs. James Welch in the first presentation. The play is under the direction of Mrs. Doner and Miss Smith.

The play is to be presented for the third time during the State Convention of the Oregon Federation of Women's Clubs to be held here next week.

The play will be staged at the state hospital auditorium, on Wednesday, June 1, at 4 o'clock in the afternoon.

YOUNG MUSICIAN TO PLAY
At the recital to be given by the voice pupils of Mrs. S. H. Forshaw on Friday evening at the Presbyterian church, an interesting feature of the program will be three groups of piano compositions played by Joseph Hungate, seventeen year old son of J. W. Hungate who is head of the department of applied arts and sciences at the State Normal College, Cheney, Washington. While in Pendleton, Mr. Hungate will be the guest of his grandparents, Dr. and Mrs. C. S. Terpening.

CLUB IS ENTERTAINED
Members of the Entre Nous Club and their husbands were guests last night of Mrs. Roy Morse and Mrs. A. C. Ebert at the Morse home on Perkins avenue. Six tables were in play, Mr. and Mrs. J. K. Thompson carrying off the high score trophies. Later in the evening refreshments were served by the hostesses. Guests other than club members were Mr. and Mrs. E. P. Tulloch, Dr. and Mrs. H. H. Hattery and Mr. and Mrs. Ray Hester.

SOCIETY TO MEET
The Presbyterian Missionary Society will meet tomorrow afternoon in the reception rooms of the church with Mrs. A. T. Perkins, Mrs. N. P. McLean, Mrs. F. M. Eirel and Mrs. George Elder as hostesses. Pledges for the first quarter are to be accepted at this time, and plans will be made for an all-day meeting June 22 at the Presbyterian Mission at Tutuila.

CIRCLE TO MEET
The Bible Reading Circle will meet tomorrow afternoon at 2:30 o'clock in Parish Hall. This will be the last meeting of the term and members have been asked to assemble at the earlier hour so that rules and plans for next fall may be discussed without interfering with the regular reading of the afternoon.

MRS. RICHARDSON DEPARTS

two inspections they will be inspected after digging. All that pass the inspection tests will be labeled "Oregon Certified Seed Potatoes Grown on Weston Mountain," and the standard for certification given.

Weston mountain growers have had considerable demand for seed potatoes from Yakima valley and Idaho growers but have received only table potato prices because the seed was not disease free. Some certified seed from the Deschutes valley sold last year at \$3 per ton.

Following are the Weston Mountain growers who have agreed to the certification plan:

W. L. Rayburn, Ernest Bryson, Paul Hopkins, Clyde May, Robert Hopkins, Gust Olson, Ferguson Brothers, W. F. Gould, Cecil Hyatt, E. M. Jones, Vernie L. Marr, C. W. Metz, H. V. Compton, Will Hall, E. E. Tucker, Chas. L. May, Robert G. Tweedy, E. E. Faust, Roy Hyatt, J. W. Bowers and R. G. Blomgren.

STREET NAMING WILL BE TOPIC OF MEETING TO BE HELD TONIGHT

Representatives of at least four bodies will be present tonight at the city council chambers at 7:30 o'clock when a meeting will be held to make an investigation into the proposed changing of names of the streets of Pendleton.

The organizations represented will be the city council, the Rotary club, the Commercial Association and the X-club. Representatives of any other organizations or any individuals who wish to attend are invited to be present. Chairman Manuel Friedly of the council's committee said today.

It is expected that this evening's meeting will result in some final action being decided on by the bodies with a recommendation to the city council for action.

RIVERS CONTINUE TO RISE.
PORTLAND, May 24.—A slow continued rise in rivers is forecast, with the Willamette 22 feet here Friday. There was a slight rise today in the upper Columbia. The Snake river at Lewiston dropped a half foot. The Willamette here is 21 4-10.

Card of Thanks
We take this means of expressing our deep appreciation of the sympathy and thoughtful kindness of our many friends during the illness and funeral of our beloved husband and father, John W. Crow. We particularly thank the Masons, and those who assisted with music at the funeral, and are grateful for the many beautiful floral remembrances.

WHAT PENDLETON SCHOOLS ARE DOING

Lincoln School
The third B class in room 2 has taken two of the spelling tests lately introduced by Prof. Stetson of the University of Oregon. The class succeeded in making the average record to be made by the fourth grade class.

Jack Stangier of the second A class has been absent this week on account of sickness.

The presentation of spring flowers in water colors has been greatly enjoyed by the pupils of room 2. Many excellent paintings have been secured by the teacher, Mrs. A. H. Baker.

In the second grade spelling contest this week, Marjorie Bellinger "spelled down" the entire class.

The first grade pupils are reviewing their geography lessons with great interest. Henry Bowman has picked cotton in the south and told the children all about it.

Nathalie Greenwood, Homer Welch, Amy Elizabeth Aldrich and Grace Hall had an average of 4 last week.

Last week the fourth grade wrote compositions in care of the teeth for prizes. Prizes were tubes of tooth paste and pictures from Colgate firm. First prize was won by Donald McClimock, Marie Nelson won second prize and June Eddie, third.

Hawthorne School
The first grade has an abundant crop of wheat, corn, and beans which has grown on the sand table.

Pearl Green of the fourth grade has moved to Athena.

In the fifth grade Geography contest Helen Grave's side is three points ahead of Dorothy Ross' side.

The fifth grade have all sent in their Palmer writing drills and are anxiously waiting awards.

Peth Gorman received her reading certificate this week.

Evelyn Powell was dropped as she is leaving for Idaho.

In the state examination from a class of forty, thirty nine passed with a class average of 92 per cent.

Willis Lecklider and Howard Young ranked first with 100 per cent and Jennie Morand, a close second with 99 per cent.

Gerald Englehart furnished mosquito wigglers for class study Friday.

Robert Witheral has drawn several good blackboard maps for class work lately.

The sixth grade girls won in the Hygiene contest and as a reward will

be entertained and treated by the boys of the class.

Spring flowers add much to the attractiveness of all the rooms of the building and are often made use of in art study.

Two volley ball nets are up, one for boys and one for the girls and each grade has their turn.

The eighth grade gardens have been inspected and no one received below the required percent, Wilks Worth was found to have the best garden.

Out of the forty two who took the geography examination in the seventh grade forty passed. Twenty of these received a grade of ninety and above. Tom Baker ranked first with 100 per cent and Robert Beck second with 98 per cent.

Mary Morand received the highest average in her class in the final eighth grade examination, Margaret Blum second and Charlie Isaac third. The arithmetic average of the class was 95 per cent, five receiving 100.

A fifteen-year-old boy made his first airplane flight in Pennsylvania recently when he took a trip hanging to the tailpiece of an exhibition machine. When the aviator took off with two passengers, the boy grasped the stabilizer and was carried along until the aviator noticed the youth and made a forced landing.

PAYING FOR THE HOME

"Up to two years ago my money all went to doctors and medicine for my stomach trouble. I was constantly filled with gas and no medicine helped me permanently until I tried a bottle of Mayr's Wonderful Remedy at that time with excellent results. Now I am using my money in paying for a home. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince you money refunded. —Druggists everywhere.

POTATO GROWERS WILL TEST SEED POTATOES

Twenty-one potato growers of Weston Mountain hope to place on the market next season certified seed potatoes of the finest quality, says Fred Bension, county agent, who with W. S. Carpenter of O. A. C., recently held a meeting to interest the growers in better seed tubers.

According to agreement with the grower, the fields will be inspected twice by the state seed certification board during the growing season; once at blossom time and again before the vines die down in the fall, so that any vines showing disease may be culled out. If the potatoes pass the first
