An inventory of the estate of the late Frank A. Michael has been filed by Estella A. Michael, administratrix. The inventory shows that the valuation of the estate is \$65,308.12. Property in Umatilla, Morrow and Multnomah counties is included in the list.

**Vote on Teacherages**  
Whether the actions of the Umatilla school board in including in its budget an item of \$5000 for the construction of two cottages as homes for teachers will be ratified depends on the action taken by voters at the special election June 7. It is one of the measures that will be referred to the people.

**Sheriff Returns With Prisoner.**  
Sheriff Zoeth Houser returned at noon from Baker where he went yesterday after Richard Sutton, 16 years old, who walked away from the lawn of the court house where he was working as a trusty. Sutton thinks he would have been safe if had not been for pictures of him that were sent to officials all over this section of the country within three hours after he disappeared. He went to the city jail at Baker with a number of hoboes to get a night's lodging. He was never relieved from jail, the picture proving all the information needed to prove his undoing.

At the place where there is a lot of red with dashes of green and yellow the Turkish lady presides over perfumes and other toilet necessities that are being shown by Koeppen's. ## WIFE TAKES HUSBANDS ADVICE

And Is Made Well Again by Lydia E. Pinkham's Vegetable Compound

Springfield, Mass.—"The doctor told my husband that I had to have an operation, otherwise I would be a sickly woman and could not have any more children on account of my weakened condition. I refused to have the operation. My husband asked me to try Lydia E. Pinkham's Vegetable Compound to see if it would not help me. For the first four months I could do but little work, had to lie down most of the time, was nervous and could eat hardly anything, but my husband was always reminding me to take the Vegetable Compound, which I did. Of my eight children this last one was the easiest birth of all and I am thankful for your Vegetable Compound. I recommend it to my friends when I hear them complaining about their ills."—Mrs. M. NATALE, 72 Fremont St., Springfield, Mass.
