TARIFF BILL IS SIGNED

WASHINGTON, May 27.—(A. P.)—The president signed the emergency tariff bill today.

FURLONG WILL BE CHIEF SPEAKER AT SERVICES MONDAY

Parade to March From Court House at 9; Kees Funeral May be Held at Same Time.

The most impressive observance of Decoration Day ever seen in Pendleton is expected to be held Monday morning when local people and organizations join in special services in honor of these defenders of their country who have died.

A parade to the cemetery, an address by Charles W. Furlong, LL. Col. U. S. R., special music both vocal and instrumental, and the firing of a volley and the sounding of taps will be features of the program which will be followed. Arrangements are in charge of Pendleton Post No. 23, American Legion, and the day will be observed jointly by the G. A. R., the Spanish American Legion and other fraternal and civic bodies.

There is a possibility that the body of Fred Kees, who died in France, will arrive in time for the burial services to be held in conjunction with the special Decoration Day services, but information received at noon makes it doubtful whether this will be possible.

Present plans call for the formation of the parade in front of the court house between 8:20 and 8:45, and the march to the cemetery will start sharply at 9 o'clock. Leading will be the Pendleton band. Following will be the colors, the firing squad, the veterans of the Civil War, the veterans of the Spanish-American War, two troops of boy scouts, followed by the American Legion and all other ex-service men of the World War and then civilians from every walk of life.

The Commercial Association and other civic and fraternal organizations have been invited to participate in the parade, and assurance has been given that every effort will be made to have every organization represented with a large delegation.

At the cemetery the program will consist of numbers by the band, two selections by the Apollo Quartet, the invocation by Rev. George L. Clark and the address of the day by LL. Col. Furlong.

In the event that the body of Fred Kees arrives in time to permit of his burial being made in conjunction with the services at the cemetery, the program will be slightly altered. Any changes, however, will not change the time of the parade, members of the committee said today.

Wheat—The trade was of a mixed character with less attention being given to crop reports than heretofore. It was thought that the rains in the southwest would have a tendency to check complaints, but on the contrary numerous advices were received of poor progress in Nebraska and Minnesota. Buying on the early decline was led by eastern interests and part of it credited to being against export sales. Kansas City said there was an insistent demand in the southwest from export interests, while seaboard, on the other hand claimed the drop in foreign exchange had stopped buying. Country offerings to arrive were reported quite liberal and all spot markets were inclined to weakness. A fair sized quantity of wheat is expected to arrive in Chicago over the holidays for delivery on May contracts, it will take several days to determine whether or not the rains have been of any material benefit, and upon the result of such observation, will depend the course of the market. For the July delivery the opinion seems to prevail in many quarters that the bulk of the damages has been due to other than dry weather, that rains will not revive the plant.

JUDGE DENIES MOONEY BE GIVEN NEW TRIAL

SAN FRANCISCO, May 27.—(U. P.)—Judge Londerback denied Attorney Bryan Parker's application for a writ of audita querela, designed to give Tom Mooney a new trial. In denying the writ, the Judge said had there been any possible way under the law whereby he could have given Mooney a rehearing, a writ would have been granted.

He did not deny the justice of the application for a new trial, but refused entirely on technical grounds, holding that the writ asked for was unavailable in this case.

Chronic Constipation

This condition is usually brought on by neglect. Neglect to drink as much water as a healthy person requires, which is three pints each day. Neglect to take enough exercise to keep the body in a healthy condition. Neglect to establish a regular habit of having the bowels open each day, whether there is an inclination or not. It is obvious that to cure chronic constipation, you must first correct your habits. Chamberlain's Tablets are excellent but will not cure you permanently, when these neglects are persisted in. Begin now. Get well and stay well.

Stomach Troubles

"I have never found anything so good for stomach troubles and constipation as Chamberlain's Tablets. I have used them off and on for the past two years. They not only regulate the bowels but invigorate the liver and keep one's body in a healthy condition," writes Mrs. Benjamin Hoffer, Auburn, N. Y.

Dislocated Her Shoulder

Mrs. Johanna Soderholm, Fergus Falls, Minn., fell and dislocated her shoulder. She had a surgeon get it back in place as soon as possible, but it was quite sore and pained her very much. Her son mentioned that he had seen Chamberlain's Liniment advertised for sprains and soreness and she asked him to buy a bottle of it, which he did. It quickly relieved the pain and soreness and enabled her to sleep, which she had not done for several days. If you are troubled with rheumatism, give Chamberlain's Liniment a trial. It is excellent.

For a Bad Cough

When you can not sleep for coughing, take Chamberlain's Cough Remedy. It will allay the irritation of the throat and make sleep possible. It contains no opiate.
