The convention will be called to order by Mrs. Ida B. Callahan, state president. Rev. George I. Clark, pastor of the Presbyterian church, will give the invocation, and the address of welcome will be by George Hartman, mayor of Pendleton. Germans Are Hopeful That Polish Forces Would Venture Out to Provide Excuse.

or any other posts in the American Legion, or any other hyphenated posts in the American Legion. Let a legion regulation be passed which shall prohibit such movements.

American Spirit
Brother Americans, a hyphenate cannot be a true American citizen, again, he is either an American or he isn't. He must make no compromise. For the greatest world purpose of our country we must work toward the peace, the brotherhood, of the world with an unfettered American and the spirit of an untrammeled Americanism.

As the spirit of the people so are they. The true spirit of Americanism is the greatest uplifting positive force for peace and brotherhood in the world today.

That temporary passing thing, the body, dies. That positive, vital, concrete thing the spirit whether of an individual or a nation lives.

We have not Roger Williams Washington, Monroe, Lincoln or Roosevelt in the body, but the spirit of America which they epitomized walks among us.

It is to enlarge, to perpetuate and to regenerate ourselves to the spirit of America, to the right of our heritage that we meet here on this Memorial Day. To re-pledge ourselves to our brothers who have handed us the flag, to show the world that we stand as loyally and as purposefully to uphold in times of peace the same ideals and spirit for which we fought in times of war.

The flag, the uniform, the national seal are emblems, symbols, of our patriotic faith.

Memorial Day's Lesson
The great practical lesson then of Memorial Day is re-consecration, a new day.

For heathen heart that puts her trust in reeking tube and iron shard—All valiant dust that builds on dust, And gauding calls not Thee to guard—

For frantic boast and foolish word, Thy mercy on Thy people, Lord! Amen.

Chronic Constipation
This condition is usually brought on by neglect. Neglect to drink as much water as a healthy person requires, which is three pints each day. Neglect to take enough exercise to keep the body in a healthy condition. Neglect to establish a regular habit of having the bowels move once each day, whether there is an inclination or not. It is obvious that to cure chronic constipation, you must first correct your habits. Chamberlain's Tablets are excellent but will not cure you permanently, when these neglects are persisted in. Begin now. Get well and stay well.

Stomach Troubles
I have never found anything so good for stomach troubles and constipation as Chamberlain's Tablets. I have used them off and on for the past two years. They not only regulate the bowels but invigorate the liver and keep one's body in a healthy condition, writes Mrs. Benjamin Hoffer, Auburn, N. Y.

Dislocated Her Shoulder
Mrs. Johanna Soderholm, Fergus Falls, Minn., fell and dislocated her shoulder. She had a surgeon get it back in place as soon as possible, but it was quite sore and pained her very much. Her son mentioned that he had seen Chamberlain's Liniment advertised for sprains and soreness and she asked him to buy a bottle of it, which he did. It quickly relieved the pain and soreness and enabled her to sleep, which she had not done for several days. If you are troubled with rheumatism, give Chamberlain's Liniment a trial. It is excellent.

For a Bad Cough
When you can not sleep for coughing, take Chamberlain's Cough Remedy. It will allay the irritation of the throat and make sleep possible. It contains no opiate.
