A special event was the handicap shot for the Schaefer Jewelry store gold and silver loving cup. The event ended in a tie. Lee Matlock, H. J. Stillman and D. C. Bowman each breaking 23 targets. The winner of the event will be decided in a shoot-off at a future date.

## SPORT GAS (BY THE STAFF)

Olson fanned, oh wot?

Hanley had hard luck, too. Only up five times and got five hits, one of them being a home run.

You've got to hand it to that bunch of Weston boys. They're not Ty Cobbs or Babe Ruths when it comes to playing ball, but they are a good clean jolly bunch.

Leading news event of the game—Larry Duff got a hit!

And pulled a homer when he got caught between third and the plate.

Hanley is at the top of the batting list.

And Pendleton has a perfect percentage with five straight wins.

Helix next Sunday.

The way Sid Williams alternated speedy ones and slow balls alternated Weston boys blind trying to figure the combination.

## DIVIDE HONORS.

SALT LAKE CITY, Utah, May 30.—(A. P.)—Portland and Salt Lake divided a double header Sunday afternoon. The locals won the first game, 10 to 4 and the visitors the second 12 to 7. The Bees clinched the opener when they got to Poison for six runs in the eighth inning. In the second game Kallio gave a remarkable exhibition of effectiveness in emergencies. Four times the Bees filled the bases and failed to score. In one inning, with the bases full, Kallio struck out Cravath, Strand and Lynn in succession. Salt Lake had seventeen men left on bases in the second game. The Beavers have won four games of the seven played. There will be a double header tomorrow.

## YANKIES BEAT JAPS.

TOKIO, May 30.—(A. P.)—The opening game of the baseball series between the University of California and the Kelo team yesterday was won by the Californians, 11 to 2. Edward Bell, American charge d'affaires, pitched the first ball.

## SPORT BULLETINS

### ARLETT WINS OWN BATTLE.

OAKLAND, Cal., May 30.—(A. P.)—Facing a shutout when the ninth inning opened yesterday morning, Oakland staged a battling rally and won from San Francisco 4 to 2. Arlett won his own game with a double to left field, scoring the two winning runs after two men were out and the score tied. When San Francisco came to bat in the ninth, Arlett showed signs of weakening by walking the first man. He was replaced by Altten, who retired the San Franciscans in one-two-three order. O'Connell got a home run in the sixth with a drive over the right fence.

### TIGERS TAKE PAIR.

LOS ANGELES, May 30.—(A. P.)—Vernon won both games of a double header with Seattle here yesterday, 3 to 2 and 5 to 3. In the first contest the Tigers made the deciding run in the eighth inning on three angles and a sacrifice. In the second game the Swashes took the lead in the seventh when Eldred hit a homer with two men on bases. In the second half of the inning the Tigers came back with five runs on a walk, a single, two doubles and a triple, clinching the contest. The series, which will close with a double header tomorrow, now stands four to three in favor of Seattle.

### AMERICANS WIN TENNIS.

ST. CLOUD, France, May 30.—(A. P.)—Americans won a clean victory in the second round yesterday of the world's hard court tennis championship. William T. Tilden, American and British grass court champion defeated the Spanish expert, Eduardo Plaquier, in a four set match. Mrs. Molla Bjurstedt Mallory and Miss Sigourney of the American contingent won their matches handily. Tilden dominated in the match in which he and Arnold Jones met the French champion, Jean Samazeuilh, and M. Blanche.

Pale pearls to the amount of nearly a million dollars' worth have been imported by London jewelers from Japan. The pearls are produced by live oysters covering a mother of pearl bead with a thin veneer exactly resembling the true oriental pearl. It is impossible to expose the fake except by breaking the gem which is an expensive process. Further importations are prohibited.

## MOTION PICTURE NEWS

### ARCADE SUNDAY AND MONDAY

WHAT WOULD YOU DO IF YOU HAD TO SPEND A MILLION A YEAR?

While most of us are struggling along trying to lay a few dollars on the shelf for a rainy day, along comes a fellow who suddenly receives a gift of a million dollars. No sooner has he recovered from the shock of that surprise than another interested party offers him five million if he will spend the other kind gentleman's donation within a year and is broke at the end of that time.

But cheer up, you who are inclined to get discouraged. This didn't really happen, but it does form one of the most unique situations of "Brewster's Millions" which will be shown at the Arcade Theatre next Sunday and Monday with Roscoe Arbuckle (Fatty) Arbuckle, the noted comedian, in the starring role.

Betty Ross Clark, who supported Mr. Arbuckle in "The Traveling Salesman," is again his leading woman in this picture.

## Girl Breaks Another Record

Setting records in girls' athletic events for other colleges to shoot at is the popular indoor and outdoor sport at Lake Erie College. Painesville O. Sarah Taylor (above) of Canton O., in the recent annual field meet, lowered the record for the 120 yard low hurdles from 18 seconds to 16 1/2 seconds. The college holds seven world records.

hearse a full chorus for the stage scenes in which Alice Brady appears as Flo Maddie, a Broadway show girl in "Out of the Chorus," her latest Realart production. The chorus was carefully selected by Herbert Blache, directing the picture, who was as critical in his choice of types of beautiful young women as the producers of any of the Broadway roof attractions. The plot demands chorus numbers of particular nature and the chorus and principals who appear in the stage scenes were rehearsed to the music of a large orchestra.

In two scenes Miss Brady appears dancing with John Hughes, of the famous team, Adelaida and Hughes. A new dance number was created for Miss Brady and Mr. Hughes and is shown in the scene when Flo has returned to the stage to earn the price of her husband's defense in his approaching trial for murder. The scenes were filmed at a Broadway Theatre and a host of super-numeraries were hired to represent the audience.
